House Amendment No. 15

AMEND House Committee Substitute for Senate Bill No. 668, Page 2, Section 64.930, Line 36, by inserting after all of said section and line, the following:

"67.1521. 1. A district may levy by resolution one or more special assessments against real property within its boundaries, upon receipt of and in accordance with a petition signed by:

(1) Owners of real property collectively owning more than fifty percent by assessed value of real property within the boundaries of the district; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The ..... (insert name of district) Community Improvement District ("District") shall be authorized to levy special assessments against real property benefitted within the District for the purpose of providing revenue for ..... (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by ..... (insert method of allocation, e.g., per square foot of property, per square foot on each square foot of improvement, or by abutting foot of property abutting streets, roads, highways, parks or other improvements, or any other reasonable method) in an amount not to exceed ..... dollars per (insert unit of measure). Such authorization to levy the special assessment shall expire on ..... (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: ..... (list of properties by common addresses and legal descriptions).

3. The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefitted in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

5. Each special assessment which is due and owing shall constitute a perpetual lien against each tract, lot or parcel of property from which it is derived. Such lien may be foreclosed in the same manner as any other special assessment lien as provided in section 88.861. Notwithstanding the provisions of this subsection and section 67.1541 to the contrary, **[**in any county of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants,**]** the county collector may, upon certification by the district for collection, add each special assessment to the annual real estate tax bill for the property and collect the assessment in the same manner the collector uses for real estate taxes. **[**In said counties, each**]** **Any** special assessment remaining unpaid on the first day of January annually is delinquent and enforcement of collection of the delinquent bill by the county collector shall be governed by the laws concerning delinquent and back taxes. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale under chapter 140 or, if applicable to that county, chapter 141.

6. A separate fund or account shall be created by the district for each special assessment levied and each fund or account shall be identifiable by a suitable title. The proceeds of such assessments shall be credited to such fund or account. Such fund or account shall be used solely to pay the costs incurred in undertaking the specified service or project.

7. Upon completion of the specified service or project or both, the balance remaining in the fund or account established for such specified service or project or both shall be returned or credited against the amount of the original assessment of each parcel of property pro rata based on the method of assessment of such special assessment.

8. Any funds in a fund or account created pursuant to this section which are not needed for current expenditures may be invested by the board in accordance with applicable laws relating to the investment of funds of the city in which the district is located.

9. The authority of the district to levy special assessments shall be independent of the limitations and authorities of the municipality in which it is located; specifically, the provisions of section 88.812 shall not apply to any district."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Further amend said bill, Page 44, Section 640.100, Line 106, by inserting after all of said section and line the following:

"643.225. 1. The provisions of sections 643.225 to 643.250 shall apply to all projects subject to 40 CFR Part 61, Subpart M as adopted by 10 CSR 10-6.080. The commission shall promulgate rules and regulations it deems

necessary to implement and administer the provisions of sections 643.225 to 643.250, including requirements, procedures and standards relating to asbestos projects, as well as the authority to require corrective measures to be taken in asbestos abatement, renovation, or demolition projects as are deemed necessary to protect public health and the environment. The director shall establish any examinations for certification required by this section and shall hold such examinations at times and places as determined by the director.

2. Except as otherwise provided in sections 643.225 to 643.250, no individual shall engage in an asbestos abatement project, inspection, management plan, abatement project design or asbestos air sampling unless the person has been issued a certificate by the director, or by the commission after appeal, for that purpose.

3. In any application made to the director to obtain such certification as an inspector, management planner, abatement project designer, supervisor, contractor or worker from the department, the applicant shall include his diploma providing proof of successful completion of either a state accredited or United States Environmental Protection Agency (EPA) accredited training course as described in section 643.228. In addition, an applicant for certification as a management planner shall first be certified as an inspector. All applicants for certification as an inspector, management planner, abatement project designer, supervisor, contractor or worker shall successfully pass a state examination on Missouri state asbestos statutes and rules relating to asbestos. Certification issued hereunder shall expire one year from its effective date. Individuals applying for state certification as an asbestos air sampling professional shall have the following credentials:

(1) A bachelor of science degree in industrial hygiene plus one year of experience in the field; or

(2) A master of science degree in industrial hygiene; or

(3) Certification as an industrial hygienist as designated by the American Board of Industrial Hygiene; or

(4) Three years of practical experience in the field of industrial hygiene, including significant asbestos air monitoring experience and the completion of a forty-hour asbestos course which includes air monitoring instruction (National Institute of Occupational Safety and Health 582 course on air sampling or equivalent). In addition to these qualifications, the individual must also pass the state of Missouri asbestos examination. All asbestos air sampling technicians shall be trained and overseen by an asbestos air sampling professional and shall meet the requirements of training found in OSHA's 29 CFR 1926.1101. Certification under this section as an abatement project designer does not qualify an individual as an architect, engineer or land surveyor, as defined in chapter 327.

4. An application fee of seventy-five dollars shall be assessed for each category, except asbestos abatement worker, to cover administrative costs incurred. An application fee of twenty-five dollars shall be assessed for each asbestos abatement worker to cover administrative costs incurred. A fee of twenty-five dollars shall be assessed per state examination.

5. In order to qualify for renewal of a certificate, an individual shall have successfully completed an annual refresher course from a state of Missouri accredited training program. For each discipline, the refresher course shall review and discuss current federal and state statute and rule developments, state-of-the-art procedures and key aspects of the initial training course, as determined by the state of Missouri. For all categories except inspectors, individuals shall complete a one-day annual refresher training course for recertification. Refresher courses for inspectors shall be at least a half-day in length. Management planners shall attend the inspector refresher course, plus an additional half-day on management planning. All refresher courses shall require an individual to successfully pass an examination upon completion of the course. In the case of significant changes in Missouri state asbestos statutes or rules, an individual shall also be required to take and successfully pass an updated Missouri state asbestos examination. An individual who has failed the Missouri state asbestos examination may retake it on the next scheduled examination date. If an individual has not successfully completed the annual refresher course within twelve months of the expiration of his or her certification, the individual shall be required to retake the course in his or her specialty area as described in this section. Failure to comply with the requirements for renewal of certification in this section will result in decertification. In no event shall certification or recertification constitute permission to violate sections 643.225 to 643.250 or any standard or rule promulgated under sections 643.225 to 643.250.

6. A fee of five dollars shall be paid to the state for renewal of certificates to cover administrative costs.

7. The provisions of subsections 2 to 6 of this section, section 643.228, subdivision (4) of subsection 1 of section 643.230, sections 643.232 and 643.235, subdivisions (1) to (3) of subsection 1 of section 643.237, and subsection 2 of section 643.237 shall not apply to a person that is subject to requirements and applicable standards of the United States Environmental Protection Agency (EPA) and the United States Occupational Safety and Health Administration's (OSHA) 29 Code of Federal Regulations 1926.58 and which engages in asbestos abatement projects as part of normal operations in the facility solely at its own place or places of business. A person shall receive an exemption upon submitting to the director, on a form provided by the department, documentation of the training provided to its employees to meet the requirements of applicable OSHA and EPA rules and regulations and the type of asbestos abatement projects which constitute normal operations performed

by the applicant. If the application does not meet the requirements of this subsection and the rules and regulations promulgated by the department, the applicant shall be notified, within one hundred eighty days of the receipt of the application, that the exemption has been denied. An applicant may appeal the denial of an exemption to the commission within thirty days of the notice of denial. This exemption shall not apply to asbestos abatement contractors, to those persons who the commission by rule determines provide a service to the public in its place or places of business as the economic foundation of the facility, or to those persons subject to the requirements of the federal Asbestos Hazard Emergency Response Act of 1986 (P.L. 99-519). A representative of the department shall be permitted to attend, monitor, and evaluate any training program provided by the exempted person. Such evaluations may be conducted without prior notice. Refusal to allow such an evaluation is sufficient grounds for loss of exemption status.

8. A fee of two hundred fifty dollars shall be submitted with the application for exemption under subsection 7 of this section. This shall be a one-time fee. An exempted person shall submit to the director changes in curricula or other significant revisions to its training program under this section as they occur.

9. All applications for exemption under this section that are received and approved by the department prior to August 28, 2012, shall be considered valid. An exempted person under this subsection shall not be subject to the fee under subsection 8 of this section but shall submit to the director changes in curricula or other significant revisions to its training program as they occur."; and

3. The petition shall name as defendants all law enforcement agencies, courts, prosecuting or circuit attorneys, central state repositories of criminal records, or others who the petitioner has reason to believe may possess the records subject to expungement for each of the offenses listed in the petition. The court's order of expungement shall not affect any person or entity not named as a defendant in the action.

4. The petition shall be dismissed if it does not include the following information:

(1) The petitioner's:

(a) Full name;

(b) Sex;

(c) Race;

(d) Driver's license number, if applicable; and

(e) Current address;

(2) Each offense charged against the petitioner for which the petitioner is requesting expungement;

(3) The date the petitioner was arrested for each offense;

(4) The name of the county where the petitioner was arrested for each offense and if any of the offenses occurred in a municipality, the name of the municipality for each offense;

(5) The name of the agency that arrested the petitioner for each offense;

(6) The case number and name of the court for each offense; and

(7) Petitioner's fingerprints on a standard fingerprint card at the time of filing a petition for expungement which will be forwarded to the central repository for the sole purpose of positively identifying the petitioner.

5. The court shall set a hearing on the matter no sooner than thirty days from the filing of the petition and shall give reasonable notice of the hearing to each entity named in the petition. At the hearing, the court may accept evidence and hear testimony on, and shall consider, the following criteria for each of the offenses listed in the petition for expungement:

(1) It has been at least twenty years if the offense is a felony, or at least ten years if the offense is a misdemeanor, municipal offense, or infraction, since the person making the application completed:

(a) Any sentence of imprisonment; or

(b) Any period of probation or parole;

(2) The person has not been found guilty of a misdemeanor or felony, not including violations of the traffic regulations provided under chapters 304 and 307, during the time period specified for the underlying offense in subdivision (1) of this subsection;

(3) The person has paid any amount of restitution ordered by the court;

(4) The circumstances and behavior of the petitioner warrant the expungement; and

(5) The expungement is consistent with the public welfare.

6. If the court determines at the conclusion of the hearing that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses listed in the petition for expungement, the court shall enter an order of expungement. A copy of the order shall be provided to each entity named in the petition, and, upon receipt of the order, each entity must destroy any record in its possession relating to any offense listed in the petition. If destruction of the record is not feasible because of the permanent nature of the record books, such record entries shall be blacked out. Entries of a record ordered expunged shall be removed from all electronic files maintained with the state of Missouri, except for the files of the court. The records and files maintained in any administrative or court proceeding in a municipal court, an associate circuit or circuit court division of the circuit court for any offense ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

7. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such

arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense to any court when asked or upon being charged with any subsequent offense. The expunged offense may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

8. Notwithstanding the provisions of subsection 7 of this section to the contrary, a person granted an expungement shall disclose all expunged offenses on any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313; or

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency.

Such person shall also disclose any expunged felony offenses when filing as a candidate for election to any public office. Notwithstanding any provision of law to the contrary, an expunged offense shall not be grounds for automatic disqualification of a candidate or applicant, but may be a factor for denying employment, or a professional license, certificate, or permit.

9. If the court determines that such person has not met the criteria for any of the offenses listed in the petition for expungement, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

10. The Missouri supreme court shall promulgate rules establishing procedures for the handling of cases filed under the provisions of this section. Such procedures shall be similar to the procedures established in chapter 482 for the handling of small claims.

11. A person may be granted more than one expungement under this section provided that no person shall be granted more than one order of expungement from the same court. Nothing contained in this section shall prevent the court from maintaining records to ensure that an individual has only one petition for expungement granted by such court under this section.

12. All rights under the Second Amendment of the United States Constitution and enjoyment of outdoor resources shall be restored to any petitioner who is granted expungement under this section."; and

Further amend said title, enacting clause and intersectional references accordingly.

"the department of natural resources**; except that, the provisions of this subsection shall not apply to the normal and customary use of public roads by commercial and noncommercial organizations for the purpose of transporting persons or vehicles, including but not limited to canoes as defined in section 537.327**."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Pollock, **House Amendment No. 3** was adopted.

Representative Solon offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 760, Page 9, Section 60.620, Line 51, by inserting after all of said line the following:

"67.463. 1. At the hearing to consider the proposed improvements and assessments, the governing body shall hear and pass upon all objections to the proposed improvements and proposed assessments, if any, and may amend the proposed improvements, and the plans and specifications therefor, or assessments as to any property, and thereupon by ordinance or resolution the governing body of the city or county shall order that the improvement be made and direct that financing for the cost thereof be obtained as provided in sections 67.453 to 67.475.

2. After construction of the improvement has been completed in accordance with the plans and specifications therefor, the governing body shall compute the final costs of the improvement and apportion the costs among the property benefitted by such improvement in such equitable manner as the governing body shall determine, charging each parcel of property with its proportionate share of the costs, and by resolution or ordinance, assess the final cost of the

improvement or the amount of general obligation bonds issued or to be issued therefor as special assessments against the property described in the assessment roll.

3. After the passage or adoption of the ordinance or resolution assessing the special assessments, the city clerk or county clerk shall mail a notice to each property owner within the district which sets forth a description of each parcel of real property to be assessed which is owned by such owner, the special assessment assigned to such property, and a statement that the property owner may pay such assessment in full, together with interest accrued thereon from the effective date of such ordinance or resolution, on or before a specified date determined by the effective date of the ordinance or resolution, or may pay such assessment in annual installments as provided in subsection 4 of this section.

4. The special assessments shall be assessed upon the property included therein concurrent with general property taxes, and shall be payable in substantially equal annual installments for a duration stated in the ballot measure prescribed in subsection 2 of section 67.457 or in the petition prescribed in subsection 3 of section 67.457, and, if authorized, an assessment in each year thereafter levied and collected in the same manner with the proceeds thereof used solely for maintenance of the improvement, taking into account such assessments and interest thereon, as the governing body determines. The first installment shall be payable after the first collection of general property taxes following the adoption of the assessment ordinance or resolution unless such ordinance or resolution was adopted and certified too late to permit its collection at such time. All assessments shall bear interest at such rate as the governing body determines, not to exceed the rate permitted for bonds by section 108.170. Interest on the assessment between the effective date of the ordinance or resolution assessing the assessment and the date the first installment is payable shall be added to the first installment. The interest for one year on all unpaid installments shall be added to each subsequent installment until paid. In the case of a special assessment by a city, all of the installments, together with the interest accrued or to accrue thereon, may be certified by the city clerk to the county clerk in one instrument at the same time. Such certification shall be good for all of the installments, and the interest thereon payable as special assessments.

5. Special assessments shall be collected and paid over to the city treasurer or county treasurer in the same manner as taxes of the city or county are collected and paid. In any county **[**of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants**]**, the county collector may collect a fee as prescribed by section 52.260 for collection of assessments under this section.

67.469. A special assessment authorized under the provisions of sections 67.453 to 67.475 shall be a lien, from the date of the assessment, on the property against which it is assessed on behalf of the city or county assessing the same to the same extent as a tax upon real property. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale pursuant to chapter 140 or**, if applicable to that county, chapter 141, or, [**by judicial foreclosure proceeding,**]** at the option of the governing body**, by judicial foreclosure proceeding**. Upon the foreclosure of any such lien, whether by land tax sale or by judicial foreclosure proceeding, the entire remaining assessment may become due and payable and may be recoverable in such foreclosure proceeding at the option of the governing body."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Solon, **House Amendment No. 4** was adopted.

Representative Cauthorn offered **House Amendment No. 5**.

House Amendment No. 5

"621.250. 1. All authority to hear appeals granted in chapters 260, 444, 640, 643, and 644, and to the hazardous waste management commission in chapter 260, the land reclamation commission in chapter 444, the safe drinking water commission in chapter 640, the air conservation commission in chapter 643, and the clean water commission in chapter 644 shall be transferred to the administrative hearing commission under this chapter. The authority to render final decisions after hearing on appeals heard by the administrative hearing commission shall remain with the commissions listed in this subsection. The administrative hearing commission may render a recommended final decision after hearing or through stipulation, consent order, agreed settlement or by disposition in the nature of default judgment, judgment on the pleadings, or summary determination, consistent with the requirements of this subsection and the rules and procedures of the administrative hearing commission.

2. Except as otherwise provided by law, any person or entity who is a party to, or who is aggrieved or adversely affected by, any finding, order, decision, or assessment for which the authority to hear appeals was transferred to the administrative hearing commission in subsection 1 of this section may file a notice of appeal with the administrative hearing commission within thirty days after any such finding, order, decision, or assessment is placed in the United States mail or within thirty days of any such finding, order, decision, or assessment being delivered, whichever is earlier. Within **[**sixty**]** **ninety** days after the date on which the notice of appeal is filed the administrative hearing commission **[**shall**]** **may** hold hearings and **within one hundred twenty days after the date on which the notice of appeal is filed shall** make a recommended decision based on those hearings or shall make a recommended decision based on stipulation of the parties, consent order, agreed settlement or by disposition in the nature of default judgment, judgment on the pleadings, or summary determination, in accordance with the requirements of this subsection and the rules and procedures of the administrative hearing commission**; provided, however, that the dates by which the administrative hearing commission is required to hold hearings and make a recommended decision may be extended at the sole discretion of the permittee as either petitioner or intervenor in the appeal**.

3. Any decision by the director of the department of natural resources that may be appealed as provided in subsection 1 of this section shall contain a notice of the right of appeal in substantially the following language: "If you were adversely affected by this decision, you may appeal to have the matter heard by the administrative hearing commission. To appeal, you must file a petition with the administrative hearing commission within thirty days after the date this decision was mailed or the date it was delivered, whichever date was earlier. If any such petition is sent by registered mail or certified mail, it will be deemed filed on the date it is mailed; if it is sent by any method other than registered mail or certified mail, it will be deemed filed on the date it is received by the administrative hearing commission.". Within fifteen days after the administrative hearing commission renders its recommended decision, it shall transmit the record and a transcript of the proceedings, together with the administrative hearing commission's recommended decision to the commission having authority to issue a final decision. The final decision of the commission shall be issued within **[**ninety**]** **one hundred eighty** days of the date the notice of appeal **in subsection 2 of this section** is filed and shall be based only on the facts and evidence in the hearing record**; provided, however, that the date by which the commission is required to issue a final decision may be extended at the sole discretion of the permittee as either petitioner or intervenor in the appeal**. The commission may adopt the recommended decision as its final decision. The commission may change a finding of fact or conclusion of law made by the administrative hearing commission, or may vacate or modify the recommended decision issued by the administrative hearing commission, only if the commission states in writing the specific reason for a change made under this subsection.

4. In the event the person filing the appeal prevails in any dispute under this section, interest shall be allowed upon any amount found to have been wrongfully collected or erroneously paid at the rate established by the director of the department of revenue under section 32.065.

5. Appropriations shall be made from the respective funds of the various commissions to cover the administrative hearing commission's costs associated with these appeals.

6. In all matters heard by the administrative hearing commission under this section, the burden of proof shall comply with section 640.012. The hearings shall be conducted by the administrative hearing commission in accordance with the provisions of chapter 536 and its regulations promulgated thereunder.

7. No cause of action or appeal arising out of any finding, order, decision, or assessment of any of the commissions listed in subsection 1 of this section shall accrue in any court unless the party seeking to file such cause of action or appeal shall have filed a notice of appeal and received a final decision in accordance with the provisions of this section.

640.018. 1. In any case where the department has not issued a permit or rendered a permit decision by the expiration of a statutorily required time frame for any application for a permit under this chapter or chapters 260, 278, 319, 444, 643, or 644, **upon request of the permit applicant the department shall issue** the permit **[**shall be issued as of**]** the first day following the expiration of the required time frame, provided all necessary information has been submitted for the application and the department has been in possession of all such information for the duration of the required time frame. This subsection shall be considered in addition to, and not in lieu thereof, any other provision of law regarding consequences of failure by the department to issue a permit or permit decision by the expiration of a required time frame.

2. If engineering plans, specifications, and designs prepared by a registered professional engineer are submitted to the department of natural resources as a part of a permit application or permit modification, the permit application or permit modification shall include a statement that the plans, specifications, and designs were prepared in accordance with the applicable requirements and shall be sealed by the registered professional engineer in accordance with section 327.411, as applicable. The department shall use the complete, sealed engineering plans, specifications, and designs

as submitted in addition to permit applications and other relevant information, documents, and materials in developing comments on the engineering submittals and in determining whether to issue or deny permits. The review of documents, plans, specifications, and designs sealed by a registered professional engineer for an applicant shall be conducted by a registered professional engineer or an engineering intern on behalf of the department.

3. The department shall designate supervisory registered professional engineers for permitting purposes under this chapter and chapters 260, 278, 319, 444, 643, and 644. Any permit applicant receiving written comments on an engineering submittal may request a determination from the department's supervisory registered professional engineer as to a final disposition of the department's comments regarding engineering submittals in determining a decision on the permit. The department's supervisory engineer shall inform the permit applicant of a preliminary decision within fifteen days after the permit applicant's request for a determination and shall make a final determination within thirty days of such request.

4. Nothing in this section shall be construed to require plans or other submittals to the department pursuant to an application to come under a general permit or an application for a site-specific permit to be prepared by a registered professional engineer, unless otherwise required under state or federal law."; and

Further amend said bill, Page 44, Section 640.100, Line 106, by inserting after all of said section and line the following:

"643.130. No judicial review shall be available hereunder, however, unless and until all administrative remedies are exhausted."; and

Further amend said bill, Page 48, Section 644.026, Line 134, by inserting after all of said section and line the following:

No judicial review shall be available, however, unless and until all administrative remedies are exhausted.

2. In any suit filed pursuant to section 536.050 concerning the validity of the commission's standards, rules and regulations, the court shall review the record made before the commission to determine the validity and reasonableness of such standards, rules, limitations, and regulations and may hear such additional evidence as it deems necessary."; and

(1) "Cask", all the components and systems associated with the container in which spent fuel, high-level radioactive waste, highway route controlled quantity, or transuranic radioactive waste are stored;

(2) "High-level radioactive waste", the highly radioactive material resulting from the reprocessing of spent nuclear fuel including liquid waste produced directly in reprocessing and any solid material derived from such liquid waste that contains fission products in sufficient concentrations, and other highly radioactive material that the United States Nuclear Regulatory Commission has determined to be high-level radioactive waste requiring permanent isolation;

(3) "Highway route controlled quantity", as defined in 49 CFR Part 173.403, as amended, a quantity of radioactive material within a single package. Highway route controlled quantity shipments of thirty miles or less within the state are exempt from the provisions of this section;

(4) "Low-level radioactive waste", any radioactive waste not classified as high-level radioactive waste, transuranic radioactive waste, or spent nuclear fuel by the United States Nuclear Regulatory Commission, consistent with existing law. For the purposes of this section, transuranic waste shall not include:

(a) High-level radioactive wastes;

(b) Any waste determined by the Environmental Protection Agency with the concurrence of the Environmental Protection Agency administrator that does not need the degree of isolation required by this section; or

(c) Any waste that the United States Nuclear Regulatory Commission has approved for disposal on a case-by-case basis in accordance with 10 CFR Part 61, as amended.

2. Any shipper that ships high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste through or within the state shall be subject to the fees established in this subsection, provided that no state-funded institution of higher education that ships nuclear waste shall pay any such fee. (1) One thousand eight hundred dollars for each **[**cask transported**]** **truck transporting** through or within the state **[**by truck of**]** high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel or highway route controlled quantity shipments. All **[**casks**]** **truck shipments** of high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel, or highway route controlled quantity shipments **[**transported by truck**]** are subject to a surcharge of twenty-five dollars per mile for every mile over two hundred miles traveled within the state;

(2) One thousand three hundred dollars for the first cask and one hundred twenty-five dollars for each additional cask for each rail shipment through or within the state of high-level radioactive waste, transuranic radioactive waste, or spent nuclear fuel;

(3) One hundred twenty-five dollars for each truck or train transporting low-level radioactive waste through or within the state. The department of natural resources may accept an annual shipment fee as negotiated with a shipper or accept payment per shipment.

3. All revenue generated from the fees established in subsection 2 of this section shall be deposited into the environmental radiation monitoring fund established in section 260.750 and shall be used by the department of natural resources to achieve the following objectives and for purposes related to the shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste, including, but not limited to:

(1) Inspections, escorts, and security for waste shipment and planning;

(2) Coordination of emergency response capability;

(3) Education and training of state, county, and local emergency responders;

(4) Purchase and maintenance of necessary equipment and supplies for state, county, and local emergency responders through grants or other funding mechanisms;

(5) Emergency responses to any transportation incident involving the high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste;

(6) Oversight of any environmental remediation necessary resulting from an incident involving a shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste. Reimbursement for oversight of any such incident shall not reduce or eliminate the liability of any party responsible for the incident; such party may be liable for full reimbursement to the state or payment of any other costs associated with the cleanup of contamination related to a transportation incident;

(7) Administrative costs attributable to the state agencies which are incurred through their involvement as it relates to the shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste through or within the state.

4. Nothing in this section shall preclude any other state agency from receiving reimbursement from the department of natural resources and the environmental radiation monitoring fund for services rendered that achieve the objectives and comply with the provisions of this section.

5. Any unencumbered balance in the environmental radiation monitoring fund that exceeds three hundred thousand dollars in any given fiscal year shall be returned to shippers on a pro rata basis, based on the shipper's contribution into the environmental radiation monitoring fund for that fiscal year.

6. The department of natural resources, in coordination with the department of health and senior services and the department of public safety, may promulgate rules necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2009, shall be invalid and void.

7. All funds deposited in the environmental radiation monitoring fund through fees established in subsection 2 of this section shall be utilized, subject to appropriation by the general assembly, for the administration and enforcement of this section by the department of natural resources. All interest earned by the moneys in the fund shall accrue to the fund.

8. All fees shall be paid to the department of natural resources prior to shipment.

9. Notice of any shipment of high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, or spent nuclear fuel through or within the state shall be provided by the shipper to the governor's designee for advanced notification, as described in 10 CFR Parts 71 and 73, as amended, prior to such shipment entering the state. Notice of any shipment of low-level radioactive waste through or within the state shall be provided by the shipper to the Missouri department of natural resources before such shipment enters the state.

10. Any shipper who fails to pay a fee assessed under this section, or fails to provide notice of a shipment, shall be liable in a civil action for an amount not to exceed ten times the amount assessed and not paid. The action shall be brought by the attorney general at the request of the department of natural resources. If the action involves a facility domiciled in the state, the action shall be brought in the circuit court of the county in which the facility is located. If the action does not involve a facility domiciled in the state, the action shall be brought in the circuit court of Cole County.

11. Beginning on December 31, 2009, and every two years thereafter, the department of natural resources shall prepare and submit a report on activities of the environmental radiation monitoring fund to the general assembly. This report shall include information on fee income received and expenditures made by the state to enforce and administer the provisions of this section.

12. The provisions of this section shall not apply to high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste shipped by or for the federal government for military or national defense purposes.

13. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after August 28, 2009, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said title, enacting clause and intersectional references accordingly.

On motion of Representative Ruzicka, **House Amendment No. 8** was adopted.

Further amend said bill, Page 48, Section 644.026, Line 134, by inserting after all of said section and line the following:

"644.051. 1. It is unlawful for any person:

(1) To cause pollution of any waters of the state or to place or cause or permit to be placed any water contaminant in a location where it is reasonably certain to cause pollution of any waters of the state;

(2) To discharge any water contaminants into any waters of the state which reduce the quality of such waters below the water quality standards established by the commission;

(3) To violate any pretreatment and toxic material control regulations, or to discharge any water contaminants into any waters of the state which exceed effluent regulations or permit provisions as established by the commission or required by any federal water pollution control act;

(4) To discharge any radiological, chemical, or biological warfare agent or high-level radioactive waste into the waters of the state.

2. It shall be unlawful for any person to build, erect, alter, replace, operate, use or maintain any water contaminant or point source in this state that is subject to standards, rules or regulations promulgated pursuant to the provisions of sections 644.006 to 644.141 unless such person holds a permit from the commission, subject to such exceptions as the commission may prescribe by rule or regulation. However, no permit shall be required of any person for any emission into publicly owned treatment facilities or into publicly owned sewer systems tributary to publicly owned treatment works.

3. Every proposed water contaminant or point source which, when constructed or installed or established, will be subject to any federal water pollution control act or sections 644.006 to 644.141 or regulations promulgated pursuant to the provisions of such act shall make application to the director for a permit at least thirty days prior to the initiation of construction or installation or establishment. Every water contaminant or point source in existence when regulations or sections 644.006 to 644.141 become effective shall make application to the director for a permit within sixty days after the regulations or sections 644.006 to 644.141 become effective, whichever shall be earlier. The director shall promptly investigate each application, which investigation shall include such hearings and notice, and consideration of such

comments and recommendations as required by sections 644.006 to 644.141 and any federal water pollution control act. If the director determines that the source meets or will meet the requirements of sections 644.006 to 644.141 and the regulations promulgated pursuant thereto, the director shall issue a permit with such conditions as he or she deems necessary to ensure that the source will meet the requirements of sections 644.006 to 644.141 and any federal water pollution control act as it applies to sources in this state. If the director determines that the source does not meet or will not meet the requirements of either act and the regulations pursuant thereto, the director shall deny the permit pursuant to the applicable act and issue any notices required by sections 644.006 to 644.141 and any federal water pollution control act.

4. Before issuing a permit to build or enlarge a water contaminant or point source or reissuing any permit, the director shall issue such notices, conduct such hearings, and consider such factors, comments and recommendations as required by sections 644.006 to 644.141 or any federal water pollution control act. The director shall determine if any state or any provisions of any federal water pollution control act the state is required to enforce, any state or federal effluent limitations or regulations, water quality-related effluent limitations, national standards of performance, toxic and pretreatment standards, or water quality standards which apply to the source, or any such standards in the vicinity of the source, are being exceeded, and shall determine the impact on such water quality standards from the source. The director, in order to effectuate the purposes of sections 644.006 to 644.141, shall deny a permit if the source will violate any such acts, regulations, limitations or standards or will appreciably affect the water quality standards or the water quality standards are being substantially exceeded, unless the permit is issued with such conditions as to make the source comply with such requirements within an acceptable time schedule. **[**Prior to the development or renewal of a general permit or permit by rule, for aquaculture, the director shall convene a meeting or meetings of permit holders and applicants to evaluate the impacts of permits and to discuss any terms and conditions that may be necessary to protect waters of the state. Following the discussions, the director shall finalize a draft permit that considers the comments of the meeting participants and post the draft permit on notice for public comment. The director shall concurrently post with the draft permit an explanation of the draft permit and shall identify types of facilities which are subject to the permit conditions. Affected public or applicants for new general permits, renewed general permits or permits by rule may request a hearing with respect to the new requirements in accordance with this section. If a request for a hearing is received, the commission shall hold a hearing to receive comments on issues of significant technical merit and concerns related to the responsibilities of the Missouri clean water law. The commission shall conduct such hearings in accordance with this section. After consideration of such comments, a final action on the permit shall be rendered. The time between the date of the hearing request and the hearing itself shall not be counted as time elapsed pursuant to subdivision (1) of subsection 14 of this section.**]**

5. The director shall grant or deny the permit within sixty days after all requirements of the Federal Water Pollution Control Act concerning issuance of permits have been satisfied unless the application does not require any permit pursuant to any federal water pollution control act. The director or the commission may require the applicant to provide and maintain such facilities or to conduct such tests and monitor effluents as necessary to determine the nature, extent, quantity or degree of water contaminant discharged or released from the source, establish and maintain records and make reports regarding such determination.

6. The director shall promptly notify the applicant in writing of his or her action and if the permit is denied state the reasons therefor. The applicant may appeal to the commission from the denial of a permit or from any condition in any permit by filing notice of appeal with the commission within thirty days of the notice of denial or issuance of the permit. After a final action is taken on a new or reissued general permit **[**template**]**, a potential applicant for the general permit who can demonstrate that he or she is or may be adversely affected by any permit term or condition may appeal the terms and conditions of the general permit **[**template**]** within thirty days of the department's issuance of the general permit **[**template. The commission shall set the matter for hearing not less than thirty days after the notice of appeal is filed**]**. In no event shall a permit constitute permission to violate the law or any standard, rule or regulation promulgated pursuant thereto.

7. In any hearing held pursuant to this section that involves a permit, license, or registration, the burden of proof is on the party specified in section 640.012. Any decision of the commission made pursuant to a hearing held pursuant to this section is subject to judicial review as provided in section 644.071.

8. In any event, no permit issued pursuant to this section shall be issued if properly objected to by the federal government or any agency authorized to object pursuant to any federal water pollution control act unless the application does not require any permit pursuant to any federal water pollution control act.

9. Permits may be modified, reissued, or terminated at the request of the permittee. All requests shall be in writing and shall contain facts or reasons supporting the request.

10. **[**Unless a site-specific permit is requested by the applicant, aquaculture facilities shall be governed by a general permit issued pursuant to this section with a fee not to exceed two hundred fifty dollars pursuant to subdivision

(5) of subsection 6 of section 644.052. However, any aquaculture facility which materially violates the conditions and requirements of such permit may be required to obtain a site-specific permit.

11.**]** No manufacturing or processing plant or operating location shall be required to pay more than one operating fee. Operating permits shall be issued for a period not to exceed five years after date of issuance, except that general permits shall be issued for a five-year period, and also except that neither a construction nor an annual permit shall be required for a single residence's waste treatment facilities. Applications for renewal of **[**an**]** **a site-specific** operating permit shall be filed at least one hundred eighty days prior to the expiration of the existing permit. **Applications seeking to renew coverage under a general permit shall be submitted at least thirty days prior to the expiration of the general permit, unless the permittee has been notified by the director that an earlier application must be made. General permits may be applied for and issued electronically once made available by the director.**

[12.**]** **11.** Every permit issued to municipal or any publicly owned treatment works or facility shall require the permittee to provide the clean water commission with adequate notice of any substantial new introductions of water contaminants or pollutants into such works or facility from any source for which such notice is required by sections 644.006 to 644.141 or any federal water pollution control act. Such permit shall also require the permittee to notify the clean water commission of any substantial change in volume or character of water contaminants or pollutants being introduced into its treatment works or facility by a source which was introducing water contaminants or pollutants into its works at the time of issuance of the permit. Notice must describe the quality and quantity of effluent being introduced or to be introduced into such works or facility by a source which was introducing water contaminants or pollutants into its works at the time of issuance of the permit. Notice must describe the quality and quantity of effluent being introduced or to be introduced into such works or facility and the anticipated impact of such introduction on the quality or quantity of effluent to be released from such works or facility into waters of the state.

[13.**]** **12.** The director or the commission may require the filing or posting of a bond as a condition for the issuance of permits for construction of temporary or future water treatment facilities or facilities that utilize innovative technology for wastewater treatment in an amount determined by the commission to be sufficient to ensure compliance with all provisions of sections 644.006 to 644.141, and any rules or regulations of the commission and any condition as to such construction in the permit. For the purposes of this section, "innovative technology for wastewater treatment" shall mean a completely new and generally unproven technology in the type or method of its application that bench testing or theory suggest has environmental, efficiency, and cost benefits beyond the standard technologies. No bond shall be required for designs approved by any federal agency or environmental regulatory agency of another state. The bond shall be signed by the applicant as principal, and by a corporate surety licensed to do business in the state of Missouri and approved by the commission. The bond shall remain in effect until the terms and conditions of the permit are met and the provisions of sections 644.006 to 644.141 and rules and regulations promulgated pursuant thereto are complied with.

[14.**]** **13.** (1) The department shall issue or deny applications for construction and site-specific operating permits received after January 1, 2001, within one hundred eighty days of the department's receipt of an application. For general construction and operating permit applications received after January 1, 2001, that do not require a public participation process, the department shall issue or deny the **[**requested**]** permits within sixty days of the department's receipt of an application. **For an application seeking coverage under a renewed general permit that does not require an individual public participation process, the director shall issue or deny the permit within sixty days of the director's receipt of the application, or upon issuance of the general permit, whichever is later. In regard to an application seeking coverage under an initial general permit that does not require an individual public participation process, the director shall issue or deny the permit within sixty days of the department's receipt of the application. For an application seeking coverage under a renewed general permit that requires an individual public participation process, the director shall issue or deny the permit within ninety days of the director's receipt of the application, or upon issuance of the general permit, whichever is later. In regard to an application for an initial general permit that requires an individual public participation process, the director shall issue or deny the permit within ninety days of the director's receipt of the application.**

(2) If the department fails to issue or deny with good cause a construction or operating permit application within the time frames established in subdivision (1) of this subsection, the department shall refund the full amount of the initial application fee within forty-five days of failure to meet the established time frame. If the department fails to refund the application fee within forty-five days, the refund amount shall accrue interest at a rate established pursuant to section 32.065.

(3) Permit fee disputes may be appealed to the commission within thirty days of the date established in subdivision (2) of this subsection. If the applicant prevails in a permit fee dispute appealed to the commission, the commission may order the director to refund the applicant's permit fee plus interest and reasonable attorney's fees as

provided in sections 536.085 and 536.087. A refund of the initial application or annual fee does not waive the applicant's responsibility to pay any annual fees due each year following issuance of a permit.

(4) No later than December 31, 2001, the commission shall promulgate regulations defining shorter review time periods than the time frames established in subdivision (1) of this subsection, when appropriate, for different classes of construction and operating permits. In no case shall commission regulations adopt permit review times that exceed the time frames established in subdivision (1) of this subsection. The department's failure to comply with the commission's permit review time periods shall result in a refund of said permit fees as set forth in subdivision (2) of this subsection. On a semiannual basis, the department shall submit to the commission a report which describes the different classes of permits and reports on the number of days it took the department to issue each permit from the date of receipt of the application and show averages for each different class of permits.

(5) During the department's technical review of the application, the department may request the applicant submit supplemental or additional information necessary for adequate permit review. The department's technical review letter shall contain a sufficient description of the type of additional information needed to comply with the application requirements.

(6) Nothing in this subsection shall be interpreted to mean that inaction on a permit application shall be grounds to violate any provisions of sections 644.006 to 644.141 or any rules promulgated pursuant to sections 644.006 to 644.141.

[15.**]** **14.** The department shall respond to all requests for individual certification under Section 401 of the Federal Clean Water Act within the lesser of sixty days or the allowed response period established pursuant to applicable federal regulations without request for an extension period unless such extension is determined by the commission to be necessary to evaluate significant impacts on water quality standards and the commission establishes a timetable for completion of such evaluation in a period of no more than one hundred eighty days.

[16.**]** **15.** All permit fees generated pursuant to this chapter shall not be used for the development or expansion of total maximum daily loads studies on either the Missouri or Mississippi rivers.

[17.**]** **16.** The department shall implement permit shield provisions equivalent to the permit shield provisions implemented by the U.S. Environmental Protection Agency pursuant to the Clean Water Act Section 402(k), 33 U.S.C. 1342(k), and its implementing regulations, for permits issued pursuant to chapter 644.

17. Prior to the development of a new general permit or reissuance of a general permit for aquaculture, land disturbance requiring a stormwater permit, or reissuance of a general permit under which fifty or more permits were issued under a general permit during the immediately preceding five-year period for a designated category of water contaminant sources, the director shall implement a public participation process complying with the following minimum requirements:

(1) For a new general permit or reissuance of a general permit, a general permit template shall be developed for which comments shall be sought from permittees and other interested persons prior to issuance of the general permit;

(2) The director shall publish notice of his intent to issue a new general permit or reissue a general permit by posting notice on the department's website at least one-hundred eighty days before the proposed effective date of the general permit;

(3) The director shall hold a public informational meeting to provide information on anticipated permit conditions and requirements and to receive informal comments from permittees and other interested persons. The director shall include notice of the public informational meeting with the notice of intent to issue a new general permit or reissue a general permit under subdivision (2) of this subsection. The notice of the public informational meeting, including the date, time and location, shall be posted on the department's website at least thirty days in advance of the public meeting. If the meeting is being held for reissuance of a general permit, notice shall also be made by electronic mail to all permittees holding the current general permit which is expiring. Notice to current permittees shall be made at least twenty days prior to the public meeting;

(4) The director shall hold a thirty-day public comment period to receive comments on the general permit template with the thirty-day comment period expiring at least sixty days prior to the effective date of the general permit. Scanned copies of the comments received during the public comment period shall be posted on the department's website within five business days after close of the public comment period;

(5) A revised draft of a general permit template and the director's response to comments submitted during the public comment period shall be posted on the department's website at least forty-five days prior to issuance of the general permit. At least forty-five days prior to issuance of the general permit the department shall notify all persons who submitted comments to the department that these documents have been posted to the department's website;

(6) Upon issuance of a new or renewed general permit, the general permit shall be posted to the department's website.

18. Notices required to be made by the department pursuant to subsection 17 of this section may be made by electronic mail. The department shall not be required to make notice to any permittee or other person who has not provided a current electronic mail address to the department. In the event the department chooses to make material modifications to the general permit before its expiration, the department shall follow the public participation process described in subsection 17 of this section.

19. The provisions of subsection 17 of this section shall become effective beginning January 1, 2013."; and

Mr Speaker				

On motion of Representative Long, **House Amendment No. 1** was adopted.

Representative Weter offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 854, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy persons as defined in section 208.151 who are unable to provide for it in whole or in part, with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the MO HealthNet division, unless otherwise hereinafter provided, for the following:

(1) Inpatient hospital services, except to persons in an institution for mental diseases who are under the age of sixty-five years and over the age of twenty-one years; provided that the MO HealthNet division shall provide through rule and regulation an exception process for coverage of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay schedule; and provided further that the MO HealthNet division shall take into account through its payment system for hospital services the situation of hospitals which serve a disproportionate number of low-income patients;

(2) All outpatient hospital services, payments therefor to be in amounts which represent no more than eighty percent of the lesser of reasonable costs or customary charges for such services, determined in accordance with the principles set forth in Title XVIII A and B, Public Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the MO HealthNet division may evaluate outpatient hospital services rendered under this section and deny payment for services which are determined by the MO HealthNet division not to be medically necessary, in accordance with federal law and regulations;

(3) Laboratory and X-ray services;

(4) Nursing home services for participants, except to persons with more than five hundred thousand dollars equity in their home or except for persons in an institution for mental diseases who are under the age of sixty-five years, when residing in a hospital licensed by the department of health and senior services or a nursing home licensed by the department of health and senior services or appropriate licensing authority of other states or government-owned and -operated institutions which are determined to conform to standards equivalent to licensing requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as amended, for nursing facilities. The MO HealthNet division may recognize through its payment methodology for nursing facilities those nursing facilities which serve a high volume of MO HealthNet patients. The MO HealthNet division when determining the amount of the benefit payments to be made on behalf of persons under the age of twenty-one in a nursing facility may consider nursing facilities furnishing care to persons under the age of twenty-one as a classification separate from other nursing facilities;

(5) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection for those days, which shall not exceed twelve per any period of six consecutive months, during which the participant is on a temporary leave of absence from the hospital or nursing home, provided that no such participant shall be allowed a temporary leave of absence unless it is specifically provided for in his plan of care. As used in this subdivision, the

term "temporary leave of absence" shall include all periods of time during which a participant is away from the hospital or nursing home overnight because he is visiting a friend or relative;

(6) Physicians' services, whether furnished in the office, home, hospital, nursing home, or elsewhere;

(7) Drugs and medicines when prescribed by a licensed physician, dentist, **[**or**]** podiatrist**, or an advanced practice registered nurse with a collaborative practice agreement**; except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a licensed physician, dentist, **[**or**]** podiatrist**, or an advanced practice registered nurse with a collaborative practice agreement** may be made on behalf of any person who qualifies for prescription drug coverage under the provisions of P.L. 108-173;

(8) Emergency ambulance services and, effective January 1, 1990, medically necessary transportation to scheduled, physician-prescribed nonelective treatments;

(9) Early and periodic screening and diagnosis of individuals who are under the age of twenty-one to ascertain their physical or mental defects, and health care, treatment, and other measures to correct or ameliorate defects and chronic conditions discovered thereby. Such services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and federal regulations promulgated thereunder;

(10) Home health care services;

(11) Family planning as defined by federal rules and regulations; provided, however, that such family planning services shall not include abortions unless such abortions are certified in writing by a physician to the MO HealthNet agency that, in his professional judgment, the life of the mother would be endangered if the fetus were carried to term;

(12) Inpatient psychiatric hospital services for individuals under age twenty-one as defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

(13) Outpatient surgical procedures, including presurgical diagnostic services performed in ambulatory surgical facilities which are licensed by the department of health and senior services of the state of Missouri; except, that such outpatient surgical services shall not include persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended, if exclusion of such persons is permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security Act, as amended;

(14) Personal care services which are medically oriented tasks having to do with a person's physical requirements, as opposed to housekeeping requirements, which enable a person to be treated by his physician on an outpatient rather than on an inpatient or residential basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services shall be rendered by an individual not a member of the participant's family who is qualified to provide such services where the services are prescribed by a physician in accordance with a plan of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care services shall be those persons who would otherwise require placement in a hospital, intermediate care facility, or skilled nursing facility. Benefits payable for personal care services shall not exceed for any one participant one hundred percent of the average statewide charge for care and treatment in an intermediate care facility for a comparable period of time. Such services, when delivered in a residential care facility or assisted living facility licensed under chapter 198 shall be authorized on a tier level based on the services the resident requires and the frequency of the services. A resident of such facility who qualifies for assistance under section 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the fewest services. The rate paid to providers for each tier of service shall be set subject to appropriations. Subject to appropriations, each resident of such facility who qualifies for assistance under section 208.030 and meets the level of care required in this section shall, at a minimum, if prescribed by a physician, be authorized up to one hour of personal care services per day. Authorized units of personal care services shall not be reduced or tier level lowered unless an order approving such reduction or lowering is obtained from the resident's personal physician. Such authorized units of personal care services or tier level shall be transferred with such resident if her or she transfers to another such facility. Such provision shall terminate upon receipt of relevant waivers from the federal Department of Health and Human Services. If the Centers for Medicare and Medicaid Services determines that such provision does not comply with the state plan, this provision shall be null and void. The MO HealthNet division shall notify the revisor of statutes as to whether the relevant waivers are approved or a determination of noncompliance is made;

(15) Mental health services. The state plan for providing medical assistance under Title XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental health services when such services are provided by community mental health facilities operated by the department of mental health or designated by the department of mental health as a community mental health facility or as an alcohol and drug abuse facility or as a child-serving agency within the comprehensive children's mental health service system established in section 630.097. The department of mental health shall establish by administrative rule the definition and criteria for designation as a community mental health facility and for designation as an alcohol and drug abuse facility. Such mental health services shall include:

(a) Outpatient mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(b) Clinic mental health services including preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management;

(c) Rehabilitative mental health and alcohol and drug abuse services including home and community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions rendered to individuals in an individual or group setting by a mental health or alcohol and drug abuse professional in accordance with a plan of treatment appropriately established, implemented, monitored, and revised under the auspices of a therapeutic team as a part of client services management. As used in this section, mental health professional and alcohol and drug abuse professional shall be defined by the department of mental health pursuant to duly promulgated rules. With respect to services established by this subdivision, the department of social services, MO HealthNet division, shall enter into an agreement with the department of mental health. Matching funds for outpatient mental health services, clinic mental health services, and rehabilitation services for mental health and alcohol and drug abuse shall be certified by the department of mental health to the MO HealthNet division. The agreement shall establish a mechanism for the joint implementation of the provisions of this subdivision. In addition, the agreement shall establish a mechanism by which rates for services may be jointly developed;

(16) Such additional services as defined by the MO HealthNet division to be furnished under waivers of federal statutory requirements as provided for and authorized by the federal Social Security Act (42 U.S.C. 301, et seq.) subject to appropriation by the general assembly;

(17) **[**Beginning July 1, 1990,**]** The services of **[**a certified pediatric or family nursing practitioner] **an advanced practice registered nurse** with a collaborative practice agreement to the extent that such services are provided in accordance with chapters 334 and 335, and regulations promulgated thereunder;

(18) Nursing home costs for participants receiving benefit payments under subdivision (4) of this subsection to reserve a bed for the participant in the nursing home during the time that the participant is absent due to admission to a hospital for services which cannot be performed on an outpatient basis, subject to the provisions of this subdivision:

(a) The provisions of this subdivision shall apply only if:

a. The occupancy rate of the nursing home is at or above ninety-seven percent of MO HealthNet certified licensed beds, according to the most recent quarterly census provided to the department of health and senior services which was taken prior to when the participant is admitted to the hospital; and

b. The patient is admitted to a hospital for a medical condition with an anticipated stay of three days or less;

(b) The payment to be made under this subdivision shall be provided for a maximum of three days per hospital stay;

(c) For each day that nursing home costs are paid on behalf of a participant under this subdivision during any period of six consecutive months such participant shall, during the same period of six consecutive months, be ineligible for payment of nursing home costs of two otherwise available temporary leave of absence days provided under subdivision (5) of this subsection; and

(d) The provisions of this subdivision shall not apply unless the nursing home receives notice from the participant or the participant's responsible party that the participant intends to return to the nursing home following the hospital stay. If the nursing home receives such notification and all other provisions of this subsection have been satisfied, the nursing home shall provide notice to the participant or the participant's responsible party prior to release of the reserved bed;

(19) Prescribed medically necessary durable medical equipment. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(20) Hospice care. As used in this subdivision, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would

have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(21) Prescribed medically necessary dental services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(22) Prescribed medically necessary optometric services. Such services shall be subject to appropriations. An electronic web-based prior authorization system using best medical evidence and care and treatment guidelines consistent with national standards shall be used to verify medical need;

(23) Blood clotting products-related services. For persons diagnosed with a bleeding disorder, as defined in section 338.400, reliant on blood clotting products, as defined in section 338.400, such services include:

(a) Home delivery of blood clotting products and ancillary infusion equipment and supplies, including the emergency deliveries of the product when medically necessary;

(b) Medically necessary ancillary infusion equipment and supplies required to administer the blood clotting products; and

(c) Assessments conducted in the participant's home by a pharmacist, nurse, or local home health care agency trained in bleeding disorders when deemed necessary by the participant's treating physician;

(24) The MO HealthNet division shall, by January 1, 2008, and annually thereafter, report the status of MO HealthNet provider reimbursement rates as compared to one hundred percent of the Medicare reimbursement rates and compared to the average dental reimbursement rates paid by third-party payors licensed by the state. The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payor average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the division of medical services, unless otherwise hereinafter provided, for the following:

(1) Dental services;

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as defined in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15)

of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the Missouri MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. 1396a (a)(13)(C).

10. The MO HealthNet division, may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Weter, **House Amendment No. 2** was adopted.

Representative Silvey offered **House Amendment No. 3**.

Senate Amendment No. 3

AMEND Senate Substitute No. 2 for Senate Committee Substitute for House Bill No. 1170, Page 15, Section 92.338, Line 24, by inserting after all of said line the following:

"99.825. 1. Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project. At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under subsection 3 of section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission. Prior to the conclusion of the

hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance. After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area. Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

2. **[**Effective January 1, 2008,**]** If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. **Except that no municipality which is a county with a charter form of government and with more than nine hundred fifty thousand inhabitants, a county with a charter form of government and with more than three hundred thousand but fewer than four hundred fifty thousand inhabitants, or a county with a charter form of government and with more than two hundred thousand but fewer than three hundred fifty thousand inhabitants, or is located in any such county, shall approve such project, plan, designation, or amendments thereto, unless a majority of the commission members vote to make a recommendation to approve such project, plan, designation, or amendments, or such municipality places the question before the qualified voters of such municipality and the question is approved by a majority of the voters voting thereon at the next regularly scheduled municipal or general election.**

3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings."; and

Further amend the title and enacting clause accordingly.

"50.622. **1.** Any county may amend the annual budget during any fiscal year in which the county receives additional funds, and such amount or source, including but not limited to, federal or state grants or private donations, could not be estimated when the budget was adopted. The county shall follow the same procedures as required in sections 50.525 to 50.745 for adoption of the annual budget to amend its budget during a fiscal year.

2. Any county may decrease the annual budget twice during any fiscal year in which the county experiences a verifiable decline in funds of two percent or more, and such amount could not be estimated or anticipated when the budget was adopted, provided that any decrease in appropriations shall not unduly affect any one officeholder. Before any reduction affecting an independently elected officeholder can occur, negotiations shall take place with all officeholders who receive funds from the affected category of funds in an attempt to cover the shortfall. The county shall follow the same procedures as required in sections 50.525 to 50.745 to decrease the annual budget, except that the notice provided for in section 50.600 shall be extended to thirty days for purposes of this subsection. Such notice shall include a published summary of the proposed reductions and an explanation of the shortfall.

3. Any decrease in an appropriation authorized under subsection 2 of this section shall not impact any dedicated fund otherwise provided by law.

House Amendment No. 1

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 769, Page 1, Section A, Line 3, by inserting immediately after said line the following:

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the

purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement **or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments

in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(b) The base year of state sales tax revenues or the base year of state income tax withheld on behalf of existing employees, reported by existing businesses within the project area prior to approval of the redevelopment project;

(e) An affidavit that is signed by the developer or developers attesting that the provisions of subdivision (1) of **subsection 1 of** section 99.810 have been met and specifying that the redevelopment area would not be reasonably anticipated to be developed without the appropriation of the new state revenues;

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri; and

The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the annual amount of the new state revenues approved for disbursements from the Missouri supplemental tax increment financing fund exceed thirty-two million dollars;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

11. In addition to the areas authorized in subsection 9 of this section, the funding authorized pursuant to subsection 4 of this section shall also be available in a federally approved levee district, where construction of a levee begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsections 4 and 5 of this section if and only if the conditions of subsection 10 of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. Moneys in the Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to state appropriations.

13. Redevelopment project costs may include, at the prerogative of the state, the portion of salaries and expenses of the department of economic development and the department of revenue reasonably allocable to each redevelopment project approved for disbursements from the Missouri supplemental tax increment financing fund for the ongoing administrative functions associated with such redevelopment project. Such amounts shall be recovered from new state revenues deposited into the Missouri supplemental tax increment financing fund created under this section.

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues."; and

'Further amend said bill, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"135.215. 1. Improvements made to "real property" as such term is defined in section 137.010, which are made in an enterprise zone subsequent to the date such zone or expansion thereto was designated, may upon approval of an authorizing resolution by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions, provided that, except as to the exemption allowed under subsection 3 of this section, at least fifty new jobs that provide an average of at least thirty-five hours of employment per week per job are created and maintained at the new or expanded facility. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions or stipulations otherwise required. A copy of the resolution shall be provided the director within thirty calendar days following adoption of the resolution by the governing authority.

2. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date and purpose of the hearing.

3. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enterprise zone shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof**, if said political subdivision or municipality levies ad valorem taxes,** for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for assembling, fabricating, processing, manufacturing, mining, warehousing or distributing properties.

4. No exemption shall be granted for a period more than twenty-five years following the date on which the original enterprise zone was designated by the department except for any enterprise zone within any home rule city with more than one hundred fifty-one thousand five hundred but less than one hundred fifty-one thousand six hundred inhabitants provided in any instance the exemption shall not be granted for a period longer than twenty-five years from the date on which the exemption was granted.

5. The provisions of subsection 1 of this section shall not apply to improvements made to real property which have been started prior to August 28, 1991.

6. The mandatory abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of section 99.845 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of section 99.820.

7. Effective August 28, 2004, any abatement or exemption provided for in this section on an individual parcel of real property shall cease after a period of thirty days of business closure, work stoppage, major reduction in force, or a significant change in the type of business conducted at that location. For the purposes of this subsection, "work stoppage" shall not include strike or lockout or time necessary to retool a plant, and "major reduction in force" is defined as a seventy-five percent or greater reduction.

Any owner or new owner may reapply, but cannot receive the abatement or exemption for any period of time beyond the original life of the enterprise zone.

135.963. 1. Improvements made to real property as such term is defined in section 137.010 which are made in an enhanced enterprise zone subsequent to the date such zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. Improvements made to real property, as such term is defined in section 137.010, which are locally assessed and in a renewable energy generation zone designated as an enhanced enterprise zone, subsequent to the date such enhanced enterprise zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. In addition to enhanced business enterprises, a speculative industrial or warehouse building constructed by a public entity or a private entity if the land is leased by a public entity may be subject to such exemption.

2. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions, or stipulations otherwise required. A copy of the resolution shall be provided to the director within thirty calendar days following adoption of the resolution by the governing authority.

3. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date, and purpose of the hearing.

4. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enhanced enterprise zone of enhanced business enterprises or speculative industrial or warehouse buildings as indicated in subsection 1 of this section shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof**, if said political subdivision or municipality levies ad valorem taxes,** for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for enhanced business enterprises. The exemption for speculative buildings is subject to the approval of the governing authority for a period not to exceed two years if the building is owned by a private entity and five years if the building is owned or ground leased by a public entity. This shall not preclude the building receiving an exemption for the remaining time period established by the governing authority if it was occupied by an enhanced business enterprise. The two- and five-year time periods indicated for speculative buildings shall not be an addition to the local abatement time period for such facility.

5. No exemption shall be granted for a period more than twenty-five years following the date on which the original enhanced enterprise zone was designated by the department.

6. The provisions of subsection 1 of this section shall not apply to improvements made to real property begun prior to August 28, 2004.

7. The abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855, 99.957, or 99.1042 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of subsection 1 of section 99.845, subdivision (2) of subsection 3 of section 99.957, or subdivision (2) of subsection 3 of section 99.1042 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of subsection 1 of section 99.820, section 99.942, or section 99.1027."; and'; and

In addition to such charge, the sheriff shall be entitled to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney.

The sheriff shall be allowed for each mile, going and returning from the courthouse of the county in which he resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. The sheriff upon the receipt of the charge herein provided for shall pay into the treasury of the county any and all charges received pursuant to the provisions of this section**[**; however, in any county, any funds, not to exceed fifty thousand dollars in any calendar year, other than as a result of regular budget allocations or land sale proceeds, coming into the possession of the sheriff's office, such as from the sale of recovered evidence**]. The funds collected pursuant to this section, not to exceed fifty thousand dollars in any calendar year**, shall be held in a fund established by the county treasurer, which may be expended at the discretion of the sheriff for the furtherance of the sheriff's set duties. Any such funds in excess of fifty thousand dollars**[**, other than regular budget allocations or land sale proceeds,**]** **in any calendar year** shall be placed to the credit of the general revenue fund of the county. Moneys in the fund shall be used only for the procurement of services and equipment to support the operation of the sheriff's office. Moneys in the fund established pursuant to this subsection shall not lapse to the county general revenue fund at the end of any county budget or fiscal year.

4. Notwithstanding the provisions of subsection 3 of this section to the contrary, the sheriff shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section, in addition to the charge for such service that each sheriff receives under subsection 1 of this section. The money received by the sheriff under this subsection shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. No later than sixty days following the receipt of eligible costs and documentation of such costs from the applicant as required in subsection 3 of this section, the department may issue a refundable tax credit to the applicant for the lesser of one hundred percent of eligible costs incurred by the applicant or an amount equal to five dollars multiplied by the event's average per-session admission tickets sold and paid registered participants multiplied by the number of days from the first to the last day of the event. Tax credits authorized by this section may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department.

5. In no event shall the amount of tax credits issued by the department under this section exceed ten million dollars in any fiscal year. 8. The department shall only certify an applicant's support contract for a sporting event in which the site selection organization has yet to select a location for the sporting event as of August 28, 2012. Support contracts shall not be certified by the department after August 28, 2018, provided that the support contracts may be certified on or prior to August 28, 2018, for sporting events that will be held after such date.

9. The department may promulgate rules as necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

67.3005. 1. For all taxable years beginning on or after January 1, 2012, any taxpayer shall be allowed a credit against the taxes otherwise due under chapter 143, 147, or 148, excluding withholding tax imposed by sections 143.191 to 143.265, in an amount equal to fifty percent of the amount of an eligible donation, subject to the restrictions in this section. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state income tax liability in the tax year for which the credit is claimed. Any amount of credit that the taxpayer is prohibited by this section from claiming in a tax year shall not be refundable, but may be carried forward to any of the taxpayer's four subsequent taxable years.

2. To claim the credit authorized in this section, a certified sponsor or local organizing committee shall submit to the department an application for the tax credit authorized by this section on behalf of taxpayers. The department shall verify that the applicant has submitted the following items accurately and completely:

(1) A valid application in the form and format required by the department;

(2) A statement attesting to the eligible donation received, which shall include the name and taxpayer identification number of the individual making the eligible donation, the amount of the eligible donation, and the date the eligible donation was received; and

(3) Payment from the certified sponsor or local organizing committee equal to the value of the tax credit for which application is made.

If the certified sponsor or local organizing committee applying for the tax credit meets all criteria required by this subsection, the department shall issue a certificate in the appropriate amount.

3. Tax credits issued under this section may be assigned, transferred, sold, or otherwise conveyed, and the new owner of the tax credit shall have the same rights in the credit as the taxpayer. Whenever a certificate is assigned, transferred, sold, or otherwise conveyed, a notarized endorsement shall be filed with the department specifying the name and address of the new owner of the tax credit or the value of the credit. In no event shall the amount of tax credits issued by the department under this section exceed ten million dollars in any fiscal year.

4. The department shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after August 28, 2012, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly**.**

All vacancies on the board shall be filled in the same manner for the duration of the term being filled. Board members shall serve until their successors are named and the successors have commenced their terms as board members. Board members shall be eligible for reappointment.

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any

such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued. Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

67.5034. 1. A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042."; and

Further amend said bill, Page 9, Section 137.076, Line 5, by inserting after all of said section, the following:

"144.805. 1. In addition to the exemptions granted pursuant to the provisions of section 144.030, there shall also be specifically exempted from the provisions of sections 144.010 to 144.525, sections 144.600 to **[**144.748**] 144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525, sections 144.600 to **[**144.748**] 144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, all sales of aviation jet fuel in a given calendar year to common carriers engaged in the interstate air transportation of passengers and cargo, and the storage, use and consumption of such aviation jet fuel by such common carriers, if such common carrier has first paid to the state of Missouri, in accordance with the provisions of this chapter, state sales and use taxes pursuant to the foregoing provisions and applicable to the purchase, storage, use or consumption of such aviation jet fuel in a maximum and aggregate amount of one million five hundred thousand dollars of state sales and use taxes in such calendar year.

2. To qualify for the exemption prescribed in subsection 1 of this section, the common carrier shall furnish to the seller a certificate in writing to the effect that an exemption pursuant to this section is applicable to the aviation jet fuel so purchased, stored, used and consumed. The director of revenue shall permit any such common carrier to enter into a direct-pay agreement with the department of revenue, pursuant to which such common carrier may pay directly to the department of revenue any applicable sales and use taxes on such aviation jet fuel up to the maximum aggregate amount of one million five hundred thousand dollars in each calendar year. The director of revenue shall adopt appropriate rules and regulations to implement the provisions of this section, and to permit appropriate claims for refunds of any excess sales and use taxes collected in calendar year 1993 or any subsequent year with respect to any such common carrier and aviation jet fuel.

3. The provisions of this section shall apply to all purchases and deliveries of aviation jet fuel from and after May 10, 1993.

4. All sales and use tax revenues upon aviation jet fuel received pursuant to this chapter, less the amounts specifically designated pursuant to the constitution or pursuant to section 144.701 for other purposes, shall be deposited to the credit of the aviation trust fund established pursuant to section 155.090; provided however, the amount of such state sales and use tax revenues deposited to the credit of such aviation trust fund shall not exceed ten million dollars in each calendar year.

5. The provisions of this section and section 144.807 shall expire on December 31, **[**2013**] 2023**.

2. In the event the district seeks to impose a sales tax under this subsection, the question shall be submitted in substantially the following form:

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall become effective. AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 510, Page 9, Section 94.110, Line 50, by inserting after all of said section and line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of defective or inadequate street layout, unsanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) "Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;

(4) **"Disaster area", a blighted area located within a municipality for which public and individual assistance has been requested by the President under Section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. Section 5121, et seq., provided that the municipality adopts an ordinance approving the redevelopment project within five years after the President declares such disaster;**

(5) "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

[(5)**] (6)** "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

(a) Discourage commerce, industry or manufacturing from moving their operations to another state; or

(b) Result in increased employment in the municipality; or

(c) Result in preservation or enhancement of the tax base of the municipality;

[(6)**] (7)** "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

[(7)**] (8)** "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

[(8)**] (9)** "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, "municipality" applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

[(9)**] (10)** "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

[(10)**] (11)** "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

[(11)**] (12)** "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

[(12)**] (13)** "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

[(13)**] (14)** "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

[(14)**] (15)** "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

[(15)**] (16)** "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(a) Costs of studies, surveys, plans, and specifications;

(b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;

(c) Property assembly costs, including, but not limited to, acquisition of land and other property, real or personal, or rights or interests therein, demolition of buildings, and the clearing and grading of land;

(d) Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;

(e) Initial costs for an economic development area;

(f) Costs of construction of public works or improvements;

(g) Financing costs, including, but not limited to, all necessary and incidental expenses related to the issuance of obligations, and which may include payment of interest on any obligations issued pursuant to sections 99.800 to 99.865 accruing during the estimated period of construction of any redevelopment project for which such obligations are issued and for not more than eighteen months thereafter, and including reasonable reserves related thereto;

(h) All or a portion of a taxing district's capital costs **and, in the case of a redevelopment area that contains a disaster area, all or a portion of a taxing district's operating costs and its debt service costs** resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

(i) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

(j) Payments in lieu of taxes;

[(16)**] (17)** "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

[(17)**] (18)** "Taxing districts", any political subdivision of this state having the power to levy taxes;

[(18)**]** **(19)** "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and

[(19)**]** **(20)** "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of the program to be undertaken to accomplish the objectives and shall include, but need not be limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the redevelopment area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is**:**

(a) A blighted area, a conservation area, or an economic development area, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met**; or**

(b) A blighted area in which a majority of the property is located within a disaster area;

(2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;

(3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;

(4) A plan has been developed for relocation assistance for businesses and residences;

(5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible**, provided that, in the case of a redevelopment area that contains a disaster area, such information regarding financial feasibility may be provided by and attested to by the governing body of the municipality**;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.835. 1. Obligations secured by the special allocation fund set forth in sections 99.845 and 99.850 for the redevelopment area or redevelopment project may be issued by the municipality pursuant to section 99.820 or by the tax increment financing commission to provide for redevelopment costs. Such obligations, when so issued, shall be retired in the manner provided in the ordinance or resolution authorizing the issuance of such obligations by the receipts of payments in lieu of taxes as specified in section 99.855 and, subject to annual appropriation, other tax revenue as specified in section 99.845. A municipality may, in the ordinance or resolution, pledge all or any part of the funds in and to be deposited in the special allocation fund created pursuant to sections 99.845 and 99.850 to the payment of the redevelopment costs and obligations. Any pledge of funds in the special allocation fund may provide for distribution to the taxing districts of moneys not required for payment of redevelopment costs or obligations and such excess funds shall be deemed to be surplus funds, except that any moneys allocated to the special allocation fund as provided in

subsection 4 **or 15** of section 99.845, and which are not required for payment of redevelopment costs and obligations, shall not be distributed to the taxing districts but shall be returned to the department of economic development for credit to the general revenue fund. In the event a municipality only pledges a portion of the funds in the special allocation fund for the payment of redevelopment costs or obligations, any such funds remaining in the special allocation fund after complying with the requirements of the pledge, including the retention of funds for the payment of future redevelopment costs, if so required, shall also be deemed surplus funds. All surplus funds shall be distributed annually to the taxing districts in the redevelopment area by being paid by the municipal treasurer to the county collector who shall immediately thereafter make distribution as provided in subdivision (12) of section 99.820.

2. Without limiting the provisions of subsection 1 of this section, the municipality may, in addition to obligations secured by the special allocation fund, pledge any part or any combination of net new revenues of any redevelopment project, or a mortgage on part or all of the redevelopment project to secure its obligations or other redevelopment costs.

3. Obligations issued pursuant to sections 99.800 to 99.865 may be issued in one or more series bearing interest at such rate or rates as the issuing body of the municipality shall determine by ordinance or resolution. Such obligations shall bear such date or dates, mature at such time or times not exceeding twenty-three years from their respective dates, when secured by the special allocation fund, be in such denomination, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, contain such covenants, terms and conditions, and be subject to redemption as such ordinance or resolution shall provide. Obligations issued pursuant to sections 99.800 to 99.865 may be sold at public or private sale at such price as shall be determined by the issuing body and shall state that obligations issued pursuant to sections 99.800 to 99.865 are special obligations payable solely from the special allocation fund or other funds specifically pledged. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to sections 99.800 to 99.865.

4. The ordinance authorizing the issuance of obligations may provide that the obligations shall contain a recital that they are issued pursuant to sections 99.800 to 99.865, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.

5. Neither the municipality, its duly authorized commission, the commissioners or the officers of a municipality nor any person executing any obligation shall be personally liable for such obligation by reason of the issuance thereof. The obligations issued pursuant to sections 99.800 to 99.865 shall not be a general obligation of the municipality, county, state of Missouri, or any political subdivision thereof, nor in any event shall such obligation be payable out of any funds or properties other than those specifically pledged as security therefor. The obligations shall not constitute indebtedness within the meaning of any constitutional, statutory or charter debt limitation or restriction.

99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the

payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be

available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. 9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues.

No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after August 28, 2012, appropriations from the state disaster recovery revenues and any additional state revenues shall not be distributed from the Missouri supplemental disaster recovery fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement **or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The municipality shall include in the application the following items in addition to the items in section 99.810:

The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsections 4 and 5 of this section if and only if the conditions of subsection 10 of this section are met. A copy of the resolution shall be provided the director within thirty calendar days following adoption of the resolution by the governing authority.

2. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. House Amendment No. 10

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 510, Page 9, Section 94.110, Line 50, by inserting after all of said section and line the following:

"135.680. 1. As used in this section, the following terms shall mean:

(1) "Adjusted purchase price", the product of:

(a) The amount paid to the issuer of a qualified equity investment for such qualified equity investment; and

(b) The following fraction:

a. The numerator shall be the dollar amount of qualified low-income community investments held by the issuer in this state as of the credit allowance date during the applicable tax year; and

b. The denominator shall be the total dollar amount of qualified low-income community investments held by the issuer in all states as of the credit allowance date during the applicable tax year;

c. For purposes of calculating the amount of qualified low-income community investments held by an issuer, an investment shall be considered held by an issuer even if the investment has been sold or repaid; provided that the issuer reinvests an amount equal to the capital returned to or recovered by the issuer from the original investment, exclusive of any profits realized, in another qualified low-income community investment within twelve months of the receipt of such capital. An issuer shall not be required to reinvest capital returned from qualified low-income community investments after the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment shall be considered held by the issuer through the seventh anniversary of the qualified equity investment's issuance;

(2) "Applicable percentage", zero percent for each of the first two credit allowance dates, seven percent for the third credit allowance date, and eight percent for the next four credit allowance dates;

(3) "Credit allowance date", with respect to any qualified equity investment:

(a) The date on which such investment is initially made; and

(b) Each of the six anniversary dates of such date thereafter;

(4) "Long-term debt security", any debt instrument issued by a qualified community development entity, at par value or a premium, with an original maturity date of at least seven years from the date of its issuance, with no acceleration of repayment, amortization, or prepayment features prior to its original maturity date, and with no distribution, payment, or interest features related to the profitability of the qualified community development entity or the performance of the qualified community development entity's investment portfolio. The foregoing shall in no way limit the holder's ability to accelerate payments on the debt instrument in situations where the issuer has defaulted on covenants designed to ensure compliance with this section or Section 45D of the Internal Revenue Code of 1986, as amended;

(5) "Qualified active low-income community business", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that any business that derives or projects to derive fifteen percent or more of its annual revenue from the rental or sale of real estate shall not be considered to be a qualified active low-income community business;

(6) "Qualified community development entity", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that such entity has entered into an allocation agreement with the Community Development Financial Institutions Fund of the U.S. Treasury Department with respect to credits authorized by Section 45D of the Internal Revenue Code of 1986, as amended, which includes the state of Missouri within the service area set forth in such allocation agreement;

(c) Is designated by the issuer as a qualified equity investment under this subdivision and is certified by the department of economic development as not exceeding the limitation contained in subsection 2 of this section. This term shall include any qualified equity investment that does not meet the provisions of paragraph (a) of this subdivision if such investment was a qualified equity investment in the hands of a prior holder;

(8) "Qualified low-income community investment", any capital or equity investment in, or loan to, any qualified active low-income community business. With respect to any one qualified active low-income community business, the maximum amount of qualified low-income community investments made in such business, on a collective basis with all of its affiliates, that may be used from the calculation of any numerator described in subparagraph a. of

paragraph (b) of subdivision (1) of this subsection shall be ten million dollars whether issued to one or several qualified community development entities;

(9) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or otherwise due under section 375.916 or chapter 147, 148, or 153;

(10) "Taxpayer", any individual or entity subject to the tax imposed in chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or the tax imposed in section 375.916 or chapter 147, 148, or 153.

2. A taxpayer that makes a qualified equity investment earns a vested right to tax credits under this section. On each credit allowance date of such qualified equity investment the taxpayer, or subsequent holder of the qualified equity investment, shall be entitled to a tax credit during the taxable year including such credit allowance date. The tax credit amount shall be equal to the applicable percentage of the adjusted purchase price paid to the issuer of such qualified equity investment. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. No tax credit claimed under this section shall be refundable or transferable. Tax credits earned by a partnership, limited liability company, S-corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders. Any amount of tax credit that the taxpayer is prohibited by this section from claiming in a taxable year may be carried forward to any of the taxpayer's five subsequent taxable years. The department of economic development shall limit the monetary amount of qualified equity investments permitted under this section to a level necessary to limit tax credit utilization at no more than twenty-five million dollars of tax credits in any fiscal year. Such limitation on qualified equity investments shall be based on the anticipated utilization of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

3. The issuer of the qualified equity investment shall certify to the department of economic development the anticipated dollar amount of such investments to be made in this state during the first twelve-month period following the initial credit allowance date. If on the second credit allowance date, the actual dollar amount of such investments is different than the amount estimated, the department of economic development shall adjust the credits arising on the second allowance date to account for such difference.

4. The department of economic development shall recapture the tax credit allowed under this section with respect to such qualified equity investment under this section if:

(1) Any amount of the federal tax credit available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or

(2) The issuer redeems or makes principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of such qualified equity investment. Any tax credit that is subject to recapture shall be recaptured from the taxpayer that claimed the tax credit on a return.

5. The department of economic development shall promulgate rules to implement the provisions of this section, including recapture provisions on a scaled proportional basis, and to administer the allocation of tax credits issued for qualified equity investments, which shall be conducted on a first-come, first-serve basis. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. The amount of available tax credits contained in such a resolution shall not exceed the limitation provided under subsection 2 of this section. In any year in which the provisions of this section shall sunset pursuant to subsection 7 of this section, reauthorization shall be made by general law and not by concurrent resolution. Nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to the expiration of authority to make qualified equity investments from claiming tax credits relating to such qualified equity investment for each applicable credit allowance date.

Representative Ellinger offered **House Amendment No. 18**.

House Amendment No. 18

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 510, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"67.1305. 1. As used in this section, the term "city" shall mean any incorporated city, town, or village.

2. In lieu of the sales taxes authorized under sections 67.1300 and 67.1303, the governing body of any city or county may impose, by order or ordinance, a sales tax on all retail sales made in the city or county which are subject to sales tax under chapter 144. The tax authorized in this section shall not be more than one-half of one percent. The order or ordinance imposing the tax shall not become effective unless the governing body of the city or county submits to the voters of the city or county at any citywide, county or state general, primary or special election a proposal to authorize the governing body to impose a tax under this section. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The tax authorized in this section shall not be imposed by any city or county that has imposed a tax under section 67.1300 or 67.1303 unless the tax imposed under those sections has expired or been repealed.

3. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

Shall ..... (insert the name of the city or county) impose a sales tax at a rate of ..... (insert rate of percent) percent for economic development purposes?

☐ YES ☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter following the calendar quarter in which the election was held. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to

the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question, provided that no proposal shall be resubmitted to the voters sooner than twelve months from the date of the submission of the last proposal.

4. All sales taxes collected by the director of revenue under this section on behalf of any county or municipality, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "Local Option Economic Development Sales Tax Trust Fund".

5. The moneys in the local option economic development sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund and which was collected in each city or county imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of the city or county and the public.

6. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the city or county which levied the tax. Such funds shall be deposited with the county treasurer of each such county or the appropriate municipal officer in the case of a municipal tax, and all expenditures of funds arising from the local economic development sales tax trust fund shall be in accordance with this section.

7. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city or county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities and counties.

8. If any county or municipality abolishes the tax, the city or county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city or county, the director of revenue shall remit the balance in the account to the city or county and close the account of that city or county. The director of revenue shall notify each city or county of each instance of any amount refunded or any check redeemed from receipts due the city or county.

9. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

10. (1) No revenue generated by the tax authorized in this section shall be used for any retail development project, except for the redevelopment of downtown areas and historic districts. Not more than twenty-five percent of the revenue generated shall be used annually for administrative purposes, including staff and facility costs.

(2) At least twenty percent of the revenue generated by the tax authorized in this section shall be used solely for projects directly related to long-term economic development preparation, including, but not limited to, the following:

(a) Acquisition of land;

(b) Installation of infrastructure for industrial or business parks;

(c) Improvement of water and wastewater treatment capacity;

(d) Extension of streets;

(b) Providing grants and loans to companies for job training, equipment acquisition, site development, and infrastructures;

(c) Training programs to prepare workers for advanced technologies and high skill jobs;

(d) Legal and accounting expenses directly associated with the economic development planning and preparation process;

(e) Developing value-added and export opportunities for Missouri agricultural products.

11. All revenue generated by the tax shall be deposited in a special trust fund and shall be used solely for the designated purposes. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other city or county funds.

12. (1) Any city or county imposing the tax authorized in this section shall establish an economic development tax board. The volunteer board shall receive no compensation or operating budget.

(2) The economic development tax board established by a city shall consist of **at least** five members, **but may be increased to nine members. Either a five-member or nine-member board shall be designated in the order or ordinance imposing the sales tax authorized by this section, and the members are** to be appointed as follows:

(a) One member **of a five member board, or two members of a nine member board,** shall be appointed by the school districts included within any economic development plan or area funded by the sales tax authorized in this section. Such member **or members** shall be appointed in any manner agreed upon by the affected districts;

(b) Three members **of a five member board, or five members of a nine member board,** shall be appointed by the chief elected officer of the city with the consent of the majority of the governing body of the city;

(c) One member **of a five member board, or two members of a nine member board,** shall be appointed by the governing body of the county in which the city is located.

(3) The economic development tax board established by a county shall consist of seven members, to be appointed as follows:

(b) Four members shall be appointed by the governing body of the county; and

(c) Two members from the cities, towns, or villages within the county appointed in any manner agreed upon by the chief elected officers of the cities or villages.

Of the members initially appointed, three shall be designated to serve for terms of two years, **except that when a nine member board is designated, seven of the members initially appointed shall be designated to serve for terms of two years,** and the remaining members shall be designated to serve for a term of four years from the date of such initial appointments. Thereafter, the members appointed shall serve for a term of four years, except that all vacancies shall be filled for unexpired terms in the same manner as were the original appointments.

(4) If an economic development tax board established by a city is already in existence on August 28, 2012, any increase in the number of members of the board shall be designated in an order or ordinance. The four board members added to the board shall be appointed to a term with an expiration coinciding with the expiration of the terms of the three board member positions that were originally appointed to terms of two years. Thereafter, the additional members appointed shall serve for a term of four years, except that all vacancies shall be filled for unexpired terms in the same manner as were the additional appointments.

13. The board, subject to approval of the governing body of the city or county, shall consider economic development plans, economic development projects, or designations of an economic development area, and shall hold public hearings and provide notice of any such hearings. The board shall vote on all proposed economic development plans, economic development projects, or designations of an economic development area, and amendments thereto, within thirty days following completion of the hearing on any such plan, project, or designation, and shall make recommendations to the governing body within ninety days of the hearing concerning the adoption of or amendment to economic development plans, economic development projects, or designations of an economic development area. The governing body of the city or county shall have the final determination on use and expenditure of any funds received from the tax imposed under this section.

14. The board may consider and recommend using funds received from the tax imposed under this section for plans, projects or area designations outside the boundaries of the city or county imposing the tax if, and only if:

(1) The city or county imposing the tax or the state receives significant economic benefit from the plan, project or area designation; and

(2) The board establishes an agreement with the governing bodies of all cities and counties in which the plan, project or area designation is located detailing the authority and responsibilities of each governing body with regard to the plan, project or area designation.

15. Notwithstanding any other provision of law to the contrary, the economic development sales tax imposed under this section when imposed within a special taxing district, including but not limited to a tax increment financing district, neighborhood improvement district, or community improvement district, shall be excluded from the calculation of revenues available to such districts, and no revenues from any sales tax imposed under this section shall be used for the purposes of any such district unless recommended by the economic development tax board established under this section and approved by the governing body imposing the tax.

16. The board and the governing body of the city or county imposing the tax shall report at least annually to the governing body of the city or county on the use of the funds provided under this section and on the progress of any plan, project, or designation adopted under this section and shall make such report available to the public.

17. Not later than the first day of March each year the board shall submit to the joint committee on economic development a report, not exceeding one page in length, which must include the following information for each project using the tax authorized under this section:

Shall ..... (insert the name of the city or county) repeal the sales tax imposed at a rate of ..... (insert rate of percent) percent for economic development purposes?

☐ YES ☐ NO

If a majority of the votes cast on the proposal are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized in this section shall remain effective until the question is resubmitted under this section to the qualified voters of the city or county, and the repeal is approved by a majority of the qualified voters voting on the question.

19. Whenever the governing body of any city or county that has adopted the sales tax authorized in this section receives a petition, signed by ten percent of the registered voters of the city or county voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. 20. If any provision of this section or section 67.1303 or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of this section or section 67.1303 which can be given effect without the invalid provision or application, and to this end the provisions of this section and section 67.1303 are declared severable."; and

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

For the kingdom is the Lord's: and He is the governor among the nations. (Psalm 22:28)

Eternal Lord of our spirits, we pause in Your presence once again to listen to Your voice and to receive the ministry of Your grace. You are ever calling us to work with You to keep justice and freedom and good will alive in our world. May Your spirit be so real to us that we shall continue to erect in this land a temple of understanding and love to which all citizens may turn for healing and for a helping hand.

We pray that all peoples of Missouri may be open to the leadership of Your spirit. We pray for the Speaker and these representatives of our people. Guide them, sustain them and bless them with courage and faith.

AMEND House Committee Substitute for Senate Bill No. 813, Page 2, Section 67.085, Line 22, by inserting after all of said line the following:

"**143.115. 1. As used in this section, the following terms mean:**

(1) "Deduction", an amount subtracted from the taxpayer's Missouri adjusted gross income to determine Missouri taxable income for the tax year in which such deduction is claimed;

(2) "Made in America", manufactured or produced within the United States of America or, if premanufactured, having a fair market value at least seventy percent of which results from domestic labor and materials;

(3) "Storm shelter", an above-ground safe room or an in-ground shelter in this state in the taxpayer's primary residence or on the taxpayer's real property that protects from injury or death caused by dangerous and extreme windstorms, that is in compliance with the requirements established in the Federal Emergency Management Agency's Publication 320 or its successor publication in effect at the time the storm shelter was completed, and in compliance with the International Code Council 500/Nationall Storm Shelter Association standards with the National Storm Shelter Association seal of quality verification, serial number and Certificate of Installation provided with each storm shelter that is installed, and that is made in America;

(4) "Taxpayer", any individual who is a resident of this state and who is subject to the income tax imposed in this chapter.

2. In addition to all deductions listed in this chapter, for all taxable years beginning on or after January 1, 2013, a taxpayer shall be allowed a deduction for the costs incurred in constructing or installing a storm shelter. The deduction amount shall be equal to the lesser of the full amount of the costs incurred in constructing the storm shelter or two thousand five hundred dollars. No taxpayer shall claim a tax deduction more than once under this section, and no deduction shall be issued for more than one storm shelter constructed or installed by such taxpayer for the taxpayer's primary residence.

3. The aggregate amount of tax deductions which may be issued under this section in any one fiscal year shall not exceed two million dollars. If the amount of tax deductions claimed under this section exceeds two million dollars, the director of the department of revenue shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax deductions are equally apportioned among all taxpayers allowed a tax deduction under this section. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax deductions possible up to the cumulative amount of tax deductions available for the fiscal year.

4. The department of revenue shall establish the procedure by which the deduction provided in this section may be claimed, and may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with

the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

5. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Pollock assumed the Chair.

On motion of Representative Lant, **House Amendment No. 3** was adopted.

Representative Franz offered **House Amendment No. 4**.

House Amendment No. 4

AMEND House Committee Substitute for Senate Bill No. 813, Page 30, Section 339.549, Line 17, by inserting after all of said section and line, the following:

"408.040. 1. In all nontort actions, interest shall be allowed on all money due upon any judgment or order of any court from the date judgment is entered by the trial court until satisfaction be made by payment, accord or sale of property; all such judgments and orders for money upon contracts bearing more than nine percent interest shall bear the same interest borne by such contracts, and all other judgments and orders for money shall bear nine percent per annum until satisfaction made as aforesaid.

2. Notwithstanding the provisions of subsection 1 of this section, in tort actions, interest shall be allowed on all money due upon any judgment or order of any court from the date of judgment is entered by the trial court until full satisfaction. All such judgments and orders for money shall bear a per annum interest rate equal to the **[**intended Federal Funds Rate, as established by the Federal Reserve Board, plus five percent,**] rate set by section 32.065 plus one percent** until full satisfaction is made. The judgment shall state the applicable interest rate, which shall not vary once entered. In tort actions, if a claimant has made a demand for payment of a claim or an offer of settlement of a claim, to the party, parties or their representatives, and to such party's liability insurer if known to the claimant, and the amount of the judgment or order exceeds the demand for payment or offer of settlement, then prejudgment interest shall be awarded, calculated from a date ninety days after the demand or offer was received, as shown by the certified mail return receipt, or from the date the demand or offer was rejected without counter offer, whichever is earlier. In order to qualify as a demand or offer pursuant to this section, such demand must:

(1) Be in writing and sent by certified mail return receipt requested; and

(2) Be accompanied by an affidavit of the claimant describing the nature of the claim, the nature of any injuries claimed and a general computation of any category of damages sought by the claimant with supporting documentation, if any is reasonably available; and

(3) For wrongful death, personal injury, and bodily injury claims, be accompanied by a list of the names and addresses of medical providers who have provided treatment to the claimant or decedent for such injuries, copies of all reasonably available medical bills, a list of employers if the claimant is seeking damages for loss of wages or earning, and written authorizations sufficient to allow the party, its representatives, and liability insurer if known to the claimant to obtain records from all employers and medical care providers; and

(4) Reference this section and be left open for ninety days. Unless the parties agree in writing to a longer period of time, if the claimant fails to file a cause of action in circuit court prior to a date one hundred twenty days after the demand or offer was received, then the court shall not award prejudgment interest to the claimant. If the claimant is a minor or incompetent or deceased, the affidavit may be signed by any person who reasonably appears to be qualified to act as next friend or conservator or personal representative. If the claim is one for wrongful death, the affidavit may

be signed by any person qualified pursuant to section 537.080 to make claim for the death. Nothing contained herein shall limit the right of a claimant, in actions other than tort actions, to recover prejudgment interest as otherwise provided by law or contract.

3. In tort actions, a judgment for prejudgment interest awarded pursuant to this subsection should bear interest at a per annum interest rate equal to the **[**intended Federal Funds Rate, as established by the Federal Reserve Board, plus three percent**] rate set by section 32.065**. The judgment shall state the applicable interest rate, which shall not vary once entered."; and

House Amendment No. 6

AMEND House Committee Substitute for Senate Bill No. 813, Page 2, Section 67.085, Line 22, by inserting after all of said section, the following:

"**67.5000. A parks, trails, and greenways district may be created, incorporated, and managed pursuant to sections 67.5000 to 67.5038 and once created may exercise the powers given to that district pursuant to section 67.5006. A district shall include a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants. Any recreation system or public parks system that exists within a district established pursuant to sections 67.5000 to 67.5038 shall remain in existence with the same**

powers and responsibilities it had prior to the establishment of such district. Nothing in sections 67.5000 to 67.5038 shall be construed in any manner to limit or prohibit:

(1) Later establishment or cessation of any park or recreation system provided by law; or

(2) Any powers and responsibilities of any park or recreation system provided by state law.

67.5002. When a district authorized by section 67.5000 is created, it shall be a body corporate and a political subdivision of this state and the district shall be known as ". . . . . Parks, Trails, and Greenways District". In that name, the district may sue and be sued, issue bonds and levy and collect taxes or fees pursuant to the limitations of sections 67.5000 to 67.5038.

67.5004. Each district established pursuant to sections 67.5000 to 67.5033 shall be responsible for the planning, development, operation, and maintenance of a public system of interconnecting trails, open spaces, greenways, and parks throughout the county comprising such district, except as otherwise specifically provided for by statute. The powers and responsibilities of the district shall be supplemental to, but shall not be a substitute for, the powers and responsibilities of other parks and recreation systems located within the district or for the powers of other conservation and environmental regulatory agencies. Nothing in this section shall be interpreted to give any district the authority to regulate water quality, watershed, or land use issues in the county comprising the district.

67.5006. A parks, trails, and greenways district shall have the power to:

(1) Prepare or cause to be prepared and adopt a plan or plans for interconnecting systems of public trails, open spaces, greenways, and parks throughout the county comprising the district;

(4) Contract with public and private entities, including other parks and recreation agencies, or individuals both within and without the state and shall have the power to contract with the United States or any agency thereof in furtherance of any power or duty of the district;

(5) Lease, purchase, own, hold, control, contract, and sell any and all rights in land, buildings, improvements, and any and all other real, personal, or property that is a combination of both; provided that, real property within a county may only be purchased by a district if a majority of the board members consent to that purchase;

(6) Receive property, both real and personal, or money that has been granted, donated, devised, or bequeathed to the district;

(7) Establish a separate district account into which all local sales taxes received from the director of the department of revenue and other funds received by that district shall be deposited;

(8) Establish and collect reasonable charges for the use of the facilities of the district;

(9) Maintain an office and staff at any place or places in this state as the district may designate and conduct its business and operations as is necessary to fulfill that district's duties, pursuant to sections 67.5000 to 67.5038; and

(10) Appoint, when the district board determines it is appropriate, advisory committees to assist the district board in the exercise of the power and duties vested in the district.

67.5008. A question, in substantially the following form, may be submitted to the voters in each county authorized to establish a district:

"Shall there be organized in the County of . . . . ., state of Missouri, a parks, trails, and greenways district for the purposes of planning, developing, supervising, improving, maintaining, and taking custody of an interconnecting system of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of that district to be known as ". . . . . Parks, Trails, and Greenways District", and further shall a local sales tax of one tenth of one cent be levied and collected in ..... County for the support of this parks, trails, and greenways district, with forty-five percent of that revenue going to the district and fifty-five percent being returned to . . . . County and the cities within the County for local park improvements?

☐ YES ☐ NO"

67.5010. If a majority of the votes cast by the qualified voters voting on the question submitted pursuant to section 67.5008 voted YES, then that district shall be deemed created. However, if a majority of the qualified voters cast NO votes, that district shall not be deemed created unless and until another question of whether to authorize the creation of a district and impose the one-tenth of one cent local sales tax is submitted to the qualified voters of that county and that question is approved by a majority of the qualified voters voting thereon.

67.5012. The governing body of any county located within a district established pursuant to sections 67.5000 to 67.5038 is authorized to impose by order, ordinance, or otherwise a one-tenth of one cent local sales tax on all retail sales subject to taxation pursuant to sections 144.010 to 144.525 for the purpose of funding activities that are consistent with the powers and duties of a district, as set forth in section 67.5006. The tax authorized by this section shall be in addition to all other sales taxes allowed by law. The provisions of sections 32.085 and 32.087 shall apply to each local sales tax approved pursuant to sections 67.5000 to 67.5038.

67.5014. The local sales tax authorized in section 67.5012 shall be collected and allocated in the district as follows:

(1) Forty-five percent of the local sales taxes collected as described in section 67.5012 shall be deposited by the department of revenue in the parks, trails, and greenways district fund to be administered by the board of directors of that district to pay costs associated with the planning, development, supervision, improvement, maintenance, and custody of an interconnecting system of public parks, trails, open space, greenways, and recreational facilities within the boundaries of that district. Up to five percent of the amount deposited in that parks, trails, and greenways fund shall be used for grants to local public agencies to be used for activities that are consistent with the district's powers and duties as set forth in section 67.5006. Costs for office and project administration may be up to, but shall not exceed, fifteen percent of the amount deposited in a district fund pursuant to this subdivision;

(2) Fifteen percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to the county to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district; and

(3) Forty percent of the local sales taxes collected as described in section 67.5012 shall be distributed by the department of revenue to each of the cities in that county, in proportion to each city's relative local sales tax contribution, to be used for planning, development, supervision, improvement, maintenance, and custody of public parks, trails, open spaces, greenways, and recreational facilities within the boundaries of a district.

67.5016. 1. Any county levying a local sales tax under the authority of sections 67.5000 to 67.5038 shall not administer or collect the tax locally, but shall utilize the services of the state department of revenue to administer, enforce, and collect the tax. The sales tax shall be administered, enforced, and collected in the same manner and by the same procedure as other local sales taxes are levied and collected and shall be in addition to any other sales tax authorized by law. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed pursuant to this section.

2. Upon receipt of a certified copy of a resolution from the county authorizing the levy of a local sales tax, which resolution shall state the name of the district in which that county is included, the director of the department of revenue shall cause this tax to be collected at the same time and in the same manner provided for the collection of the state sales tax. All moneys derived from this local sales tax imposed under the authority of sections 67.5000 to 67.5038 and collected under the provisions of this section by the director of revenue shall be credited to a fund established for the district, which is hereby established in the state treasury, under the name of that district, as established. Any refund due on any local sales tax collected pursuant to section 67.5000 to 67.5038 shall be paid out of the sales tax refund fund and reimbursed by the director of revenue from the sales tax revenue collected under this section. All local sales tax revenue derived from the authority granted by sections 67.5000 to 67.5038 and collected from within any county, under this section, shall be remitted at least quarterly by the director of revenue to the district established by sections 67.5000 to 67.5038, the source county included in the district and the cities in that county, in the percentages set forth in section 67.5014.

67.5018. 1. The treasurer of the board of each district created shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of each district created by sections 67.5000 to 67.5038 shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be approved by the board of each district created. Upon board approval, the report shall be available for inspection.

2. The accounts of the district shall be open at any reasonable time for inspection by duly authorized representatives of the county and cities included within the jurisdictional boundaries of that district.

3. Annually, no later than one hundred twenty days after the close of each district's fiscal year, the board of each district created by sections 67.5000 to 67.5038 shall cause to be prepared a report on the operations and transactions conducted by that district during the preceding year. The report shall be an open record and shall be submitted to the governing bodies of each city and county within the jurisdictional boundaries of that district commencing the year following the year in which the district is created. The board of each district shall take those actions as are reasonably required to make this report readily available to the public.

67.5020. Notwithstanding the provisions of section 99.845 to the contrary, the revenues from the local sales taxes imposed under the authority set forth in section 67.5012 shall not be allocated to and paid by the state department of revenue to any special allocation fund established by any municipality under sections 99.800 to 99.865.

67.5022. 1. When a district is created pursuant to sections 67.5000 to 67.5038, the district shall be governed by a board of directors. The presiding commissioner or elected county executive of the county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants shall appoint one member of the district's board of directors chosen from the residents of that county. The mayor of the largest city in that county shall appoint two persons from the residents of that city in that county, and the mayors of the next five most populous cities in the county shall, on a rotating basis and in accordance with subsection 2 of this section, appoint four persons from the residents of those respective cities in that county to serve on the board.

2. The mayors of the second through sixth most populous cities in that county, as determined by the most recent decennial census, shall appoint the board members from the residents of those cities in the county by December 15 of each year. Representation on the board from these second through sixth most populous cities shall be on a rotating basis, as follows. In the initial year:

(1) The second most populous city shall be represented on the board, and that member shall serve for a term of one year;

(2) The third most populous city shall be represented on the board, and that member shall serve for a term of two years;

(3) The fourth most populous city shall be represented on the board, and that member shall serve for a term of three years;

(4) The fifth most populous city shall be represented on the board, and that member shall serve for a term of four years; and

(5) The sixth most populous city shall not be represented on the board.

In the second year, the sixth most populous city shall be represented on the board, and the member shall serve for a term of four years. In that second year, the second most populous city shall have no representation on the board. Membership on the board shall rotate in this manner every year thereafter, with each of the second through sixth most populous cities not being represented on the board, in this alternating basis, one of every succeeding four years.

3. The board members appointed to a district shall hold office for four-year terms; provided that, initial terms of the representative of the second through the sixth most populous cities in the county shall be of the staggered lengths as set forth in subsection 2 of this section. On the expiration of the initial terms of appointment and on the expiration of any subsequent term, the resulting vacancies shall be filled by the chief elected official of each of the represented cities and the county. All vacancies on the board shall be filled in the same manner for the duration of the term being filled. Board members shall serve until their successors are named and the successors have commenced their terms as board members. Board members shall be eligible for reappointment.

4. The chief elected official of each city or county that has membership on the board of a district may replace a board member representing that elected official's city or county at any time, in that elected official's sole discretion. Upon this removal, the chief elected official shall appoint another individual to represent that city or county on the board of directors of the district.

67.5024. Promptly after their appointment, the initial board members of a district created pursuant to sections 67.5000 to 67.5038 shall hold an organizational meeting at which they shall elect a president, secretary, treasurer, and any other officers from among their number as they may deem necessary. The members shall

make and adopt bylaws, rules, and regulations for their guidance, as may be expedient and not inconsistent with sections 67.5000 to 67.5038.

67.5026. Board members shall be citizens of the United States and shall reside within the county or city, as the case may be, from which they are appointed. No board member shall receive compensation for performance of duties as a board member. No board member shall be financially interested directly or indirectly in any contract entered into pursuant to sections 67.5000 to 67.5038.

67.5028. When a public highway, street, or road extends into or through a public trail, trail area, greenway, or park area of a district, or when a public highway, street, or road forms all or part of a suitable connection between two or more public trails, trail areas, or park areas within a district, and it is advisable by the board to make alterations in the route or width of the highway or to grade, drain, pave, or otherwise improve the highway, the board may enter into agreements, consistent with the purposes of that district, with the public authorities in control of the portion of the highway, street, or road that lies within any, or forms any part of, a connecting link to and between any, public trail, trail area, or park area of a district. Any agreement with any such public authority shall follow the procedure authorized by law for dealing with that authority, and any agreement shall provide for the payment by the board of an agreed-upon portion of the costs of that agreement. This section shall not alter the legal status of that highway, street, or road in any way.

67.5030. No district created pursuant to sections 67.5000 to 67.5038 shall be authorized to exercise the power of eminent domain.

67.5032. 1. Bonds of a district authorized by sections 67.5000 to 67.5038 shall be issued pursuant to a resolution adopted by the board of directors of that district, which resolution shall set out the estimated cost to that district of the proposed improvements, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment, and all other details in connection with those bonds. These bonds may be subject to provision for redemption prior to maturity, with or without premium, and at the times and upon the conditions as may be provided by the resolution.

2. Notwithstanding the provisions of section 108.170, these bonds shall bear interest at rate or rates determined by the issuing district and shall mature within a period not exceeding twenty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount of the bonds to be issued. Bonds issued by a district shall possess all of the qualities of negotiable instruments pursuant to the laws of this state.

3. These bonds may be payable to bearer, may be registered or coupon bonds and, if payable to bearer, may contain any registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing those bonds, which resolution may also provide for the exchange of registered and coupon bonds. These bonds and any coupons attached thereto shall be signed in the manner and by the officers of the district as may be provided by the resolution authorizing the bonds. A district may provide for the replacement of any bond that has become mutilated, destroyed, or lost.

4. Bonds issued by a district shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the issuing district's parks, trails, and greenways fund, including revenues derived from local sales taxes and any other monies held by that district. Neither the board members nor any person executing the bonds shall be personally liable on those bonds by reason of the issuance of those bonds. Bonds issued pursuant to this section or section 67.5034 shall not constitute a debt, liability or obligation of this state, or any political subdivision of this state, nor shall any of these obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the issuing district. The issuance of bonds pursuant to this section or section 67.5034 shall not directly, indirectly or contingently obligate this state or any political subdivision of this state, other than the district issuing the bonds, to levy any form of taxation for those bonds or to make any appropriation for their payment. Each obligation or bond issued pursuant to this section or section 67.5034 shall contain, on its face, a statement to the effect that the issuing district shall not be obligated to pay those bonds nor the interest on those bonds, except from the revenues received by the issuing district or assets of that district lawfully pledged for that district, and that neither the good faith and credit nor the taxing power of this state or of any political subdivision of this state, other than the issuing district, is pledged to the payment of the principal of or the interest on that obligation or bond. The proceeds of these bonds shall be

disbursed in the manner and pursuant to the restrictions the district may provide in the resolution authorizing the issuance of those bonds.

67.5034. 1. A district may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of any bonds of a district then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by that district, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest on those bonds to the date of that refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The board shall provide for the payment of interest and principal of any refunding bonds in the same manner as was provided for the payment of interest and principal of the bonds refunded.

2. In the event that any of the board members or officers of a district whose signatures appear on any bonds or coupons shall cease to be on the board or cease to be an officer before the delivery of those bonds, those signatures shall remain valid and sufficient for all purposes, the same as if that board member or officer had remained in office until the delivery of those bonds.

67.5036. Each district is hereby declared to be performing a public function and bonds of a district are declared to be issued for an essential public and governmental purpose and, accordingly, interest on those bonds and income from those bonds shall be exempt from income taxation by this state.

67.5038. All purchases by a district in excess of ten thousand dollars used in the construction or maintenance of any public recreational facility, trail, park, or greenway in that district shall be made pursuant to the lowest and best bid standard as provided in section 34.040 or pursuant to the lowest and best proposal standard as provided in section 34.042. The board of any district shall have the same discretion, powers and duties as granted to the commissioner of administration by sections 34.040 and 34.042.

67.5039. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under these sections 67.750, 67.1706, 67.1712, 67.1715, 67.1721, 67.1742, and 67.1754 shall sunset automatically twenty-three years after August 28, 2012, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall sunset automatically forty-six years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.

144.805. 1. In addition to the exemptions granted pursuant to the provisions of section 144.030, there shall also be specifically exempted from the provisions of sections 144.010 to 144.525, sections 144.600 to **[**144.748**]** **144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525, sections 144.600 to **[**144.748**]** **144.746**, and section 238.235, and the provisions of any local sales tax law, as defined in section 32.085, all sales of aviation jet fuel in a given calendar year to common carriers engaged in the interstate air transportation of passengers and cargo, and the storage, use and consumption of such aviation jet fuel by such common carriers, if such common carrier has first paid to the state of Missouri, in accordance with the provisions of this chapter, state sales and use taxes pursuant to the foregoing provisions and applicable to the purchase, storage, use or consumption of such aviation jet fuel in a maximum and aggregate amount of one million five hundred thousand dollars of state sales and use taxes in such calendar year.

2. To qualify for the exemption prescribed in subsection 1 of this section, the common carrier shall furnish to the seller a certificate in writing to the effect that an exemption pursuant to this section is applicable to the aviation jet fuel so purchased, stored, used and consumed. The director of revenue shall permit any such common carrier to enter into a direct-pay agreement with the department of revenue, pursuant to which such common carrier may pay directly to the department of revenue any applicable sales and use taxes on such aviation jet fuel up to the maximum aggregate amount of one million five hundred thousand dollars in each calendar year. The director of revenue shall adopt appropriate rules and regulations to implement the provisions of this section, and to permit appropriate claims for refunds of any excess sales and use taxes collected in calendar year 1993 or any subsequent year with respect to any such common carrier and aviation jet fuel.

3. The provisions of this section shall apply to all purchases and deliveries of aviation jet fuel from and after May 10, 1993.

4. All sales and use tax revenues upon aviation jet fuel received pursuant to this chapter, less the amounts specifically designated pursuant to the constitution or pursuant to section 144.701 for other purposes, shall be deposited to the credit of the aviation trust fund established pursuant to section 155.090; provided however, the amount of such state sales and use tax revenues deposited to the credit of such aviation trust fund shall not exceed ten million dollars in each calendar year.

5. The provisions of this section and section 144.807 shall expire on December 31, **[**2013**]** **2023**.

The tax authorized by this subsection shall be in addition to all other taxes allowed by law. No tax under this subsection shall become effective unless the board of directors submits to the voters of the district, at a county or state general, primary or special election, a proposal to authorize the tax, and such tax shall become effective only after the majority of the voters voting on such tax approve such tax.

"99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement **or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

If less than four-sevenths of the votes cast on the question by the registered voters voting thereon are in favor of the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the registered voters and such question is approved by the requisite four-sevenths of the registered voters voting on the question. In no event shall a proposal under this section be submitted to the voters sooner than twelve months from the date of the last proposal submitted under this section.

3. The county collector of each county in which the district is partially or entirely located shall collect the property taxes and special benefit assessments made upon all real property and tangible personal property within that county and the district, in the same manner as other property taxes are collected.

4. Every county collector having collected or received district property taxes shall, on or before the fifteenth day of each month and after deducting his or her commissions, remit to the treasurer of that district the amount collected or received by him or her prior to the first day of the month. Upon receipt of such money, the district treasurer shall execute a receipt therefor, which he or she shall forward or deliver to the collector. The district treasurer shall deposit such sums into the district treasury, credited to the appropriate project or purpose. The collector and district treasurer shall make final settlement of the district account and commissions owing, not less than once each year, if necessary.

The district may obtain such insurance as it deems appropriate, considering its legal limits of liability, to protect itself, its officers and its employees from any potential liability and may also obtain such other types of insurance as it deems necessary to protect against loss of its real or personal property of any kind. The cost of this insurance shall be charged against the project.

2. The district may also require contractors performing construction or maintenance work on the project and companies providing operational and management services to obtain liability insurance having the district, its directors and employees as additional named insureds.

3. **The district may self-insure if it is unable to obtain liability insurance coverage at a rate which is economically feasible to the district, considering its resources. However,** the district shall not attempt to self-insure for its potential liabilities unless it finds that it has sufficient funds available to cover any anticipated judgments or settlements and still complete its project without interruption. **[**The district may self-insure if it is unable to obtain liability insurance coverage at a rate which is economically feasible to the district, considering its resources.**]**

67.1894. **[**1. The authority of the district to levy any property tax levied pursuant to section 67.1880 may be terminated by a petition of the voters in the district in the manner prescribed in this section.

2. The petition for termination of authority to tax may be changed as follows:

The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted.

4. If the board deems it for the best interest of the district, it shall grant the petition. If the petition contains the signatures of twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the district pursuant to subdivision (1) of subsection 2 of this section, the authority to tax shall be terminated subject to the election provided in section 67.1896. The circuit court having jurisdiction over the district shall proceed to make any such order terminating such taxation authority as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

If a majority of the votes cast on the question by the registered voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax authorized in section 67.1880 shall remain effective until the question is resubmitted under this section to the registered voters and the repeal is approved by a majority of the registered voters voting on the question**."; and

"**[**67.1890. 1. The boundaries of any district organized pursuant to sections 67.1860 to 67.1898 may be changed in the manner prescribed in this section; but any change of boundaries of the district shall not impair or affect its organization or its rights in or to property, or any of its rights or privileges whatsoever; nor shall it affect or impair or discharge any contract, obligation, lien or charge for or upon which it might be liable or chargeable had any change of boundaries not been made.

2. The boundaries may be changed as follows:

(1) Twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed may file with the board a petition in writing praying that such real property be included within, or removed from, the district. The petition shall describe the property to be included in, or removed from, the district and shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in, or removal from, the district of the property described in the petition. Such petition shall be in substantially the form set forth for petitions in chapter 116; provided that, in the event that there are more than twenty-five property owners or taxpaying electors signing the petition, it shall be deemed sufficient description of their property in the petition as required in this section to list the addresses of such property; or

(2) All of the owners of any territory or tract of land near or adjacent to a district in the case of annexation, or all of the owners of any territory or tract of land within a district in the case of deannexation, who own all of the real estate in such territory or tract of land may file a petition with the board praying that such real property be included in, or removed from, the district. The petition shall describe the property owned by the petitioners and shall be deemed to give assent of the petitioners to the inclusion in, or removal from, the district of the property described in the petition.

3. The board shall at the time and place mentioned, or at such time or times to which the hearing may be adjourned, proceed to hear the petition and all objections thereto presented in writing by any person showing cause why the petition should not be granted. The failure of any person interested to show cause in writing why such petition shall not be granted shall be deemed as an assent on his or her part to the inclusion of such lands in, or removal of such lands from, the district as prayed for in the petition.

4. If the board deems it for the best interest of the district, it shall grant the petition, but if the board determines in the case of annexation that some portion of the property mentioned in the petition cannot as a practical matter be served by the district, or if it deems in the case of annexation that it is in the best interest of the district that some portion of the property in the petition not be included in the district, or if in the case of deannexation it deems that it is impracticable for any portion of the property to be deannexed from the district, then the board shall grant the petition in part only. If the petition is granted, the board shall make an order to that effect and file the petition with the circuit clerk. Upon the order of the court having jurisdiction over the district, the property shall be included in, or removed from, the district. If the petition contains the signatures of all the owners of the property pursuant to the provisions of subdivision (2) of subsection 2 of this section, the property shall be included in, or removed from, the district upon the order of the court. If the petition contains the signatures of twenty-five percent of the number of voters who voted in the most recent gubernatorial election in the area to be annexed or deannexed pursuant to subdivision (1) of subsection 2 of this section, the property shall be included in, or removed from, the district subject to the election provided in section 67.1892. The circuit court having jurisdiction over the district shall proceed to make any such order including such additional property within the district, or removing such property from the district, as is provided in the order of the board, unless the court shall find that such order of the board was not authorized by law or that such order of the board was not supported by competent and substantial evidence.

5. Any person aggrieved by any decision of the board made pursuant to the provisions of this section may appeal that decision to the circuit court of the county in which the property is located within thirty days of the decision by the board.**]**

[67.1892. 1. If the petition to add or remove any territory or tract of land to the district contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1890, the decree of extension or retraction of boundaries shall not become final and conclusive until it has been submitted to an election of the voters residing within the boundaries described in such decree and until it has been assented to by a majority vote of the voters in the newly included area, or the area to be removed, voting on the question. The decree shall also provide for the holding of the election to vote on the proposition of extending or retracting the boundaries of the district, and shall fix the date for holding the election.

2. The question shall be submitted in substantially the following form:

Shall the boundaries of the ..... Law Enforcement District be (extended to include/retracted to remove) the following described property? (Describe property)

☐ YES ☐ NO

3. If a majority of the voters voting on the proposition vote in favor of the extension or retraction of the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of the boundaries to be final and conclusive. In the event, however, that the court finds that a majority of the voters voting thereon voted against the proposition to extend

or retract the boundaries of the district, then the court shall enter its further order declaring the decree of extension or retraction of boundaries to be void and of no effect.**]**

[67.1896. 1. If the petition filed pursuant to section 67.1894 contained fewer than all of the signatures required pursuant to subdivision (2) of subsection 2 of section 67.1894, the termination of taxation authority shall not become final and conclusive until it has been submitted to an election of the voters residing within the district and until it has been assented to by at least four-sevenths of the voters in the district voting on the question. The decree shall also provide for the holding of the election to vote on the proposition, and shall fix the date for holding the election.

2. The question shall be submitted in substantially the following form:

Shall the authority of the ..... Law Enforcement District to adopt property taxes be terminated?

☐ YES ☐ NO

3. If four-sevenths of the voters voting on the proposition vote in favor of such termination, then the court shall enter its further order declaring the termination of such authority, and all such taxes that are being assessed in the current calendar year pursuant to such authority, to be final and conclusive. In the event, however, that the court finds that less than four-sevenths of the voters voting thereon voted against the proposition to terminate such authority, then the court shall enter its further order declaring the decree of termination of such district's taxing authority to be void and of no effect.**]**

[67.1898. 1. Whenever a petition signed by not less than ten percent of the registered voters in any district organized pursuant to sections 67.1860 to 67.1898 is filed with the circuit court having jurisdiction over the district, setting forth all the relevant facts pertaining to the district, and alleging that the further operation of the district is not in the best interests of the inhabitants of the district, and that the district should, in the interest of the public welfare and safety, be dissolved, the circuit court shall have authority, after hearing evidence submitted on such question, to order a submission of the question, after having caused publication of notice of a hearing on such petition in the same manner as the notice required in section 67.1874, in substantially the following form:

Shall ..... (Insert the name of the law enforcement district) Law Enforcement District be dissolved?

☐ YES ☐ NO

2. If the court shall find that it is to the best interest of the inhabitants of the district that such district be dissolved, it shall make an order reciting such finding and providing for the submission of the proposition to dissolve such district to a vote of the voters of the district, setting forth such further details in its order as may be necessary to an orderly conduct of such election. Such election shall be held at the municipal election. Returns of the election shall be certified to the court.

If the court finds that a majority of the voters voting thereon shall have voted in favor of the proposition to dissolve the district, the court shall make a final order dissolving the district, and the decree shall contain a proviso that the district shall continue in full force for the purpose of paying all outstanding and lawful obligations and disposing of property of the district; but no additional costs or obligations shall be created except such as are necessary to pay such costs, obligations and liabilities previously incurred, or necessary to the winding up of the district. If the court shall find that a majority of the voters of the district voting thereon shall not have voted favorably on the proposition to dissolve such district, then the court shall make a final order declaring such result dismissing the petition praying for the dissolution of said district; and the district shall continue to operate in the same manner as though the petition asking for such dissolution has not been filed.

House Amendment No. 10

AMEND House Committee Substitute for Senate Bill No. 813, Page 2, Section 67.085, Line 22, by inserting after all of said line the following:

"67.463. 1. At the hearing to consider the proposed improvements and assessments, the governing body shall hear and pass upon all objections to the proposed improvements and proposed assessments, if any, and may amend the proposed improvements, and the plans and specifications therefor, or assessments as to any property, and thereupon by ordinance or resolution the governing body of the city or county shall order that the improvement be made and direct that financing for the cost thereof be obtained as provided in sections 67.453 to 67.475.

2. After construction of the improvement has been completed in accordance with the plans and specifications therefor, the governing body shall compute the final costs of the improvement and apportion the costs among the property benefitted by such improvement in such equitable manner as the governing body shall determine, charging each parcel of property with its proportionate share of the costs, and by resolution or ordinance, assess the final cost of the improvement or the amount of general obligation bonds issued or to be issued therefor as special assessments against the property described in the assessment roll.

3. After the passage or adoption of the ordinance or resolution assessing the special assessments, the city clerk or county clerk shall mail a notice to each property owner within the district which sets forth a description of each parcel of real property to be assessed which is owned by such owner, the special assessment assigned to such property, and a statement that the property owner may pay such assessment in full, together with interest accrued thereon from the effective date of such ordinance or resolution, on or before a specified date determined by the effective date of the ordinance or resolution, or may pay such assessment in annual installments as provided in subsection 4 of this section.

4. The special assessments shall be assessed upon the property included therein concurrent with general property taxes, and shall be payable in substantially equal annual installments for a duration stated in the ballot measure prescribed in subsection 2 of section 67.457 or in the petition prescribed in subsection 3 of section 67.457, and, if authorized, an assessment in each year thereafter levied and collected in the same manner with the proceeds thereof used solely for maintenance of the improvement, taking into account such assessments and interest thereon, as the governing body determines. The first installment shall be payable after the first collection of general property taxes following the adoption of the assessment ordinance or resolution unless such ordinance or resolution was adopted and certified too late to permit its collection at such time. All assessments shall bear interest at such rate as the governing body determines, not to exceed the rate permitted for bonds by section 108.170. Interest on the assessment between the effective date of the ordinance or resolution assessing the assessment and the date the first installment is payable shall be added to the first installment. The interest for one year on all unpaid installments shall be added to each subsequent installment until paid. In the case of a special assessment by a city, all of the installments, together with the interest accrued or to accrue thereon, may be certified by the city clerk to the county clerk in one instrument at the same time. Such certification shall be good for all of the installments, and the interest thereon payable as special assessments.

5. Special assessments shall be collected and paid over to the city treasurer or county treasurer in the same manner as taxes of the city or county are collected and paid. In any county **[**of the first classification with more than one hundred thirty-five thousand four hundred but fewer than one hundred thirty-five thousand five hundred inhabitants**]**, the county collector may collect a fee as prescribed by section 52.260 for collection of assessments under this section.

67.469. A special assessment authorized under the provisions of sections 67.453 to 67.475 shall be a lien, from the date of the assessment, on the property against which it is assessed on behalf of the city or county assessing the same to the same extent as a tax upon real property. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale pursuant to chapter 140 or**, if applicable to that county, chapter 141, or, [**by judicial foreclosure proceeding,**]** at the option of the governing body**, by judicial foreclosure proceeding**. Upon the foreclosure of any such lien, whether by land tax sale or by judicial foreclosure proceeding, the entire remaining assessment may become due and payable and may be recoverable in such foreclosure proceeding at the option of the governing body."; and

House Amendment No. 11

AMEND House Committee Substitute for Senate Bill No. 813, Page 2, Section 67.085, Line 22, by inserting after all of said section and line the following:

"135.680. 1. As used in this section, the following terms shall mean:

(1) "Adjusted purchase price", the product of:

(a) The amount paid to the issuer of a qualified equity investment for such qualified equity investment; and

(b) The following fraction:

a. The numerator shall be the dollar amount of qualified low-income community investments held by the issuer in this state as of the credit allowance date during the applicable tax year; and

b. The denominator shall be the total dollar amount of qualified low-income community investments held by the issuer in all states as of the credit allowance date during the applicable tax year;

c. For purposes of calculating the amount of qualified low-income community investments held by an issuer, an investment shall be considered held by an issuer even if the investment has been sold or repaid; provided that the issuer reinvests an amount equal to the capital returned to or recovered by the issuer from the original investment, exclusive of any profits realized, in another qualified low-income community investment within twelve months of the receipt of such capital. An issuer shall not be required to reinvest capital returned from qualified low-income community investments after the sixth anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment shall be considered held by the issuer through the seventh anniversary of the qualified equity investment's issuance;

(2) "Applicable percentage", zero percent for each of the first two credit allowance dates, seven percent for the third credit allowance date, and eight percent for the next four credit allowance dates;

(3) "Credit allowance date", with respect to any qualified equity investment:

(a) The date on which such investment is initially made; and

(b) Each of the six anniversary dates of such date thereafter;

(4) "Long-term debt security", any debt instrument issued by a qualified community development entity, at par value or a premium, with an original maturity date of at least seven years from the date of its issuance, with no acceleration of repayment, amortization, or prepayment features prior to its original maturity date, and with no distribution, payment, or interest features related to the profitability of the qualified community development entity or the performance of the qualified community development entity's investment portfolio. The foregoing shall in no way limit the holder's ability to accelerate payments on the debt instrument in situations where the issuer has defaulted on covenants designed to ensure compliance with this section or Section 45D of the Internal Revenue Code of 1986, as amended;

(5) "Qualified active low-income community business", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that any business that derives or projects to derive fifteen percent or more of its annual revenue from the rental or sale of real estate shall not be considered to be a qualified active low-income community business;

(6) "Qualified community development entity", the meaning given such term in Section 45D of the Internal Revenue Code of 1986, as amended; provided that such entity has entered into an allocation agreement with the Community Development Financial Institutions Fund of the U.S. Treasury Department with respect to credits authorized by Section 45D of the Internal Revenue Code of 1986, as amended, which includes the state of Missouri within the service area set forth in such allocation agreement;

(7) "Qualified equity investment", any equity investment in, or long-term debt security issued by, a qualified community development entity that:

(a) Is acquired after September 4, 2007, at its original issuance solely in exchange for cash;

(c) Is designated by the issuer as a qualified equity investment under this subdivision and is certified by the department of economic development as not exceeding the limitation contained in subsection 2 of this section. This term shall include any qualified equity investment that does not meet the provisions of paragraph (a) of this subdivision if such investment was a qualified equity investment in the hands of a prior holder;

(8) "Qualified low-income community investment", any capital or equity investment in, or loan to, any qualified active low-income community business. With respect to any one qualified active low-income community business, the maximum amount of qualified low-income community investments made in such business, on a collective basis with all of its affiliates, that may be used from the calculation of any numerator described in subparagraph a. of paragraph (b) of subdivision (1) of this subsection shall be ten million dollars whether issued to one or several qualified community development entities;

(9) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or otherwise due under section 375.916 or chapter 147, 148, or 153;

(10) "Taxpayer", any individual or entity subject to the tax imposed in chapter 143, excluding withholding tax imposed in sections 143.191 to 143.265, or the tax imposed in section 375.916 or chapter 147, 148, or 153.

2. A taxpayer that makes a qualified equity investment earns a vested right to tax credits under this section. On each credit allowance date of such qualified equity investment the taxpayer, or subsequent holder of the qualified equity investment, shall be entitled to a tax credit during the taxable year including such credit allowance date. The tax credit amount shall be equal to the applicable percentage of the adjusted purchase price paid to the issuer of such qualified equity investment. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the tax year for which the tax credit is claimed. No tax credit claimed under this section shall be refundable or transferable. Tax credits earned by a partnership, limited liability company, S-corporation, or other pass-through entity may be allocated to the partners, members, or shareholders of such entity for their direct use in accordance with the provisions of any agreement among such partners, members, or shareholders. Any amount of tax credit that the taxpayer is prohibited by this section from claiming in a taxable year may be carried forward to any of the taxpayer's five subsequent taxable years. The department of economic development shall limit the monetary amount of qualified equity investments permitted under this section to a level necessary to limit tax credit utilization at no more than twenty-five million dollars of tax credits in any fiscal year. Such limitation on qualified equity investments shall be based on the anticipated utilization of credits without regard to the potential for taxpayers to carry forward tax credits to later tax years.

3. The issuer of the qualified equity investment shall certify to the department of economic development the anticipated dollar amount of such investments to be made in this state during the first twelve-month period following the initial credit allowance date. If on the second credit allowance date, the actual dollar amount of such investments is different than the amount estimated, the department of economic development shall adjust the credits arising on the second allowance date to account for such difference.

4. The department of economic development shall recapture the tax credit allowed under this section with respect to such qualified equity investment under this section if:

(1) Any amount of the federal tax credit available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under Section 45D of the Internal Revenue Code of 1986, as amended; or

(2) The issuer redeems or makes principal repayment with respect to a qualified equity investment prior to the seventh anniversary of the issuance of such qualified equity investment. Any tax credit that is subject to recapture shall be recaptured from the taxpayer that claimed the tax credit on a return.

5. The department of economic development shall promulgate rules to implement the provisions of this section, including recapture provisions on a scaled proportional basis, and to administer the allocation of tax credits issued for qualified equity investments, which shall be conducted on a first-come, first-serve basis. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after September 4, 2007, shall be invalid and void.

6. For fiscal years following fiscal year **[**2010**]** **2015**, qualified equity investments shall not be made under this section unless reauthorization is made pursuant to this subsection. For all fiscal years following fiscal year **[**2010**]** **2015**, unless the general assembly adopts a concurrent resolution granting authority to the department of economic development to approve qualified equity investments for the Missouri new markets development program and clearly describing the amount of tax credits available for the next fiscal year, or otherwise complies with the provisions of this

subsection, no qualified equity investments may be permitted to be made under this section. The amount of available tax credits contained in such a resolution shall not exceed the limitation provided under subsection 2 of this section. In any year in which the provisions of this section shall sunset pursuant to subsection 7 of this section, reauthorization shall be made by general law and not by concurrent resolution. Nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to the expiration of authority to make qualified equity investments from claiming tax credits relating to such qualified equity investment for each applicable credit allowance date.

7. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after September 4, **[**2007**]** **2012**, unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. However, nothing in this subsection shall preclude a taxpayer who makes a qualified equity investment prior to sunset of this section under the provisions of section 23.253 from claiming tax credits relating to such qualified equity investment for each credit allowance date."; and

House Amendment No. 11

AMEND House Amendment No. 11 to House Committee Substitute for Senate Bill No. 813, Page 1, Line 2, by inserting after all of said line the following:

'Further amend said bill, Page 2, Section 67.085, Line 22, by inserting after all of said section and line the following:

"135.215. 1. Improvements made to "real property" as such term is defined in section 137.010, which are made in an enterprise zone subsequent to the date such zone or expansion thereto was designated, may upon approval of an authorizing resolution by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions, provided that, except as to the exemption allowed under subsection 3 of this section, at least fifty new jobs that provide an average of at least thirty-five hours of employment per week per job are created and maintained at the new or expanded facility. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions or stipulations otherwise required. A copy of the resolution shall be provided the director within thirty calendar days following adoption of the resolution by the governing authority.

2. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date and purpose of the hearing.

3. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enterprise zone shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof**, if said political subdivision or municipality levies ad valorem taxes,** for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for assembling, fabricating, processing, manufacturing, mining, warehousing or distributing properties.

4. No exemption shall be granted for a period more than twenty-five years following the date on which the original enterprise zone was designated by the department except for any enterprise zone within any home rule city with more than one hundred fifty-one thousand five hundred but less than one hundred fifty-one thousand six hundred

inhabitants provided in any instance the exemption shall not be granted for a period longer than twenty-five years from the date on which the exemption was granted.

5. The provisions of subsection 1 of this section shall not apply to improvements made to real property which have been started prior to August 28, 1991.

6. The mandatory abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of section 99.845 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of section 99.820.

7. Effective August 28, 2004, any abatement or exemption provided for in this section on an individual parcel of real property shall cease after a period of thirty days of business closure, work stoppage, major reduction in force, or a significant change in the type of business conducted at that location. For the purposes of this subsection, "work stoppage" shall not include strike or lockout or time necessary to retool a plant, and "major reduction in force" is defined as a seventy-five percent or greater reduction.

Any owner or new owner may reapply, but cannot receive the abatement or exemption for any period of time beyond the original life of the enterprise zone.

135.963. 1. Improvements made to real property as such term is defined in section 137.010 which are made in an enhanced enterprise zone subsequent to the date such zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. Improvements made to real property, as such term is defined in section 137.010, which are locally assessed and in a renewable energy generation zone designated as an enhanced enterprise zone, subsequent to the date such enhanced enterprise zone or expansion thereto was designated, may, upon approval of an authorizing resolution or ordinance by the governing authority having jurisdiction of the area in which the improvements are made, be exempt, in whole or in part, from assessment and payment of ad valorem taxes of one or more affected political subdivisions. In addition to enhanced business enterprises, a speculative industrial or warehouse building constructed by a public entity or a private entity if the land is leased by a public entity may be subject to such exemption.

2. Such authorizing resolution shall specify the percent of the exemption to be granted, the duration of the exemption to be granted, and the political subdivisions to which such exemption is to apply and any other terms, conditions, or stipulations otherwise required. A copy of the resolution shall be provided to the director within thirty calendar days following adoption of the resolution by the governing authority.

3. No exemption shall be granted until the governing authority holds a public hearing for the purpose of obtaining the opinions and suggestions of residents of political subdivisions to be affected by the exemption from property taxes. The governing authority shall send, by certified mail, a notice of such hearing to each political subdivision in the area to be affected and shall publish notice of such hearing in a newspaper of general circulation in the area to be affected by the exemption at least twenty days prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the time, location, date, and purpose of the hearing.

4. Notwithstanding subsection 1 of this section, at least one-half of the ad valorem taxes otherwise imposed on subsequent improvements to real property located in an enhanced enterprise zone of enhanced business enterprises or speculative industrial or warehouse buildings as indicated in subsection 1 of this section shall become and remain exempt from assessment and payment of ad valorem taxes of any political subdivision of this state or municipality thereof**, if said political subdivision or municipality levies ad valorem taxes,** for a period of not less than ten years following the date such improvements were assessed, provided the improved properties are used for enhanced business enterprises. The exemption for speculative buildings is subject to the approval of the governing authority for a period not to exceed two years if the building is owned by a private entity and five years if the building is owned or ground leased by a public entity. This shall not preclude the building receiving an exemption for the remaining time period established by the governing authority if it was occupied by an enhanced business enterprise. The two- and five-year time periods indicated for speculative buildings shall not be an addition to the local abatement time period for such facility.

5. No exemption shall be granted for a period more than twenty-five years following the date on which the original enhanced enterprise zone was designated by the department.

6. The provisions of subsection 1 of this section shall not apply to improvements made to real property begun prior to August 28, 2004.

7. The abatement referred to in this section shall not relieve the assessor or other responsible official from ascertaining the amount of the equalized assessed value of all taxable property annually as required by section 99.855, 99.957, or 99.1042 and shall not have the effect of reducing the payments in lieu of taxes referred to in subdivision (2) of subsection 1 of section 99.845, subdivision (2) of subsection 3 of section 99.957, or subdivision (2) of subsection 3 of section 99.1042 unless such reduction is set forth in the plan approved by the governing body of the municipality pursuant to subdivision (1) of subsection 1 of section 99.820, section 99.942, or section 99.1027."; and'; and

Upon completion of such seventy-five-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such seventy-five day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional seventy-five day period of restricted driving privilege without any such violations.**"; and

Further amend said bill, page, and section, Line 39, by inserting after the comma "," on said line, the following:

Further amend said bill, page, and section, Line 139, by inserting after all of said section and line, the following:

"302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) A business, occupation, or employment;

(b) Seeking medical treatment for such operator;

(c) Attending school or other institution of higher education;

(d) Attending alcohol or drug treatment programs;

(e) Seeking the required services of a certified ignition interlock device provider; or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection, **or a license revocation under paragraph (h) of subdivision (6) of this subsection,** until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. **The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have photo identification technology and global positioning system features.**

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. **The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege.** A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; **[**or**]**

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

(h) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed **the first forty-five days of** such revocation**, provided the person is not otherwise ineligible for a limited driving privilege**.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**three years**] forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**three years**] forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**two years**] forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**two years**] forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. **The restricted driving privilege shall indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle.** In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section**. If a person, otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle operated is equipped with a functioning, certified ignition interlock device, then the period of suspension shall be fifteen days, followed by a seventy-five day period of restricted driving privilege. Upon completion of such seventy-five day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such seventy-five day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional seventy-five day period of restricted driving privilege without any such violations. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated**;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable."; and

Once the plate design is approved, the director of revenue shall not authorize the manufacture of the material to produce such specialized license plates with the individual seal, logo, or emblem until such time as the director has received two hundred applications, the fifteen dollar specialty plate fee per application, and emblem-use statements, if applicable, and other required documents or fees for such plates.

5. The specialty personalized plate shall not be redesigned unless the organization pays the director in advance for all redesigned plate fees for the plate established in this section. If a member chooses to replace the specialty personalized plate for the new design the member must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty personalized plate. "260.392. 1. As used in sections 260.392 to 260.399, the following terms mean:

(1) "Cask", all the components and systems associated with the container in which spent fuel, high-level radioactive waste, highway route controlled quantity, or transuranic radioactive waste are stored;

(2) "High-level radioactive waste", the highly radioactive material resulting from the reprocessing of spent nuclear fuel including liquid waste produced directly in reprocessing and any solid material derived from such liquid waste that contains fission products in sufficient concentrations, and other highly radioactive material that the United States Nuclear Regulatory Commission has determined to be high-level radioactive waste requiring permanent isolation;

(3) "Highway route controlled quantity", as defined in 49 CFR Part 173.403, as amended, a quantity of radioactive material within a single package. Highway route controlled quantity shipments of thirty miles or less within the state are exempt from the provisions of this section;

(4) "Low-level radioactive waste", any radioactive waste not classified as high-level radioactive waste, transuranic radioactive waste, or spent nuclear fuel by the United States Nuclear Regulatory Commission, consistent with existing law. Shipment of all sealed sources meeting the definition of low-level radioactive waste, shipments of low-level radioactive waste that are within a radius of no more than fifty miles from the point of origin, and all naturally occurring radioactive material given written approval for landfill disposal by the Missouri department of natural resources under 10 CSR 80-3.010 are exempt from the provisions of this section. Any low-level radioactive waste that has a radioactive half-life equal to or less than one hundred twenty days is exempt from the provisions of this section;

(8) "Transuranic radioactive waste", defined in 40 CFR Part 191.02, as amended, as waste containing more than one hundred nanocuries of alpha-emitting transuranic isotopes with half-lives greater than twenty years, per gram of waste. For the purposes of this section, transuranic waste shall not include:

(a) High-level radioactive wastes;

(b) Any waste determined by the Environmental Protection Agency with the concurrence of the Environmental Protection Agency administrator that does not need the degree of isolation required by this section; or

(c) Any waste that the United States Nuclear Regulatory Commission has approved for disposal on a case-by-case basis in accordance with 10 CFR Part 61, as amended.

2. Any shipper that ships high-level radioactive waste, transuranic radioactive waste, highway route controlled quantity shipments, spent nuclear fuel, or low-level radioactive waste through or within the state shall be subject to the fees established in this subsection, provided that no state-funded institution of higher education that ships nuclear waste shall pay any such fee. (1) One thousand eight hundred dollars for each **[**cask transported**]** **truck transporting** through or within the state **[**by truck of**]** high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel or highway route controlled quantity shipments. All **[**casks**]** **truck shipments** of high-level radioactive waste, transuranic radioactive waste, spent nuclear fuel, or highway route controlled quantity shipments **[**transported by truck**]** are subject to a surcharge of twenty-five dollars per mile for every mile over two hundred miles traveled within the state;

5. Any unencumbered balance in the environmental radiation monitoring fund that exceeds three hundred thousand dollars in any given fiscal year shall be returned to shippers on a pro rata basis, based on the shipper's contribution into the environmental radiation monitoring fund for that fiscal year.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 7. All funds deposited in the environmental radiation monitoring fund through fees established in subsection 2 of this section shall be utilized, subject to appropriation by the general assembly, for the administration and enforcement of this section by the department of natural resources. 10. Any shipper who fails to pay a fee assessed under this section, or fails to provide notice of a shipment, shall be liable in a civil action for an amount not to exceed ten times the amount assessed and not paid. The action shall be brought by the attorney general at the request of the department of natural resources. If the action involves a facility domiciled in the state, the action shall be brought in the circuit court of the county in which the facility is located. If the action does not involve a facility domiciled in the state, the action shall be brought in the circuit court of Cole County.

11. Beginning on December 31, 2009, and every two years thereafter, the department of natural resources shall prepare and submit a report on activities of the environmental radiation monitoring fund to the general assembly. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to this section shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of said charge. 2. The sheriff shall receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his agent or attorney. If a public body plans to meet by Internet chat, Internet message board, or other computer link, it shall post a notice of the meeting on its website in addition to its principal office and shall notify the public how to access that meeting. The public governmental body shall enter in the minutes of the public governmental body any objection made pursuant to this subsection. The identity and location of a public governmental body's custodian is to be made available upon request. **Each custodian of a public governmental body is encouraged to create and maintain an index of all public records maintained by its public governmental body.**

2. Each public governmental body shall make available for inspection and copying by the public of that body's public records. If access to the public record is not granted immediately, the custodian shall give a detailed explanation of the cause for further delay and the place and earliest time and date that the record will be available for inspection. This period for document production may exceed three days for reasonable cause.

4. If a request for access is denied, the custodian shall provide, upon request, a written statement of the grounds for such denial. Such statement shall cite the specific provision of law under which access is denied and shall be furnished to the requester no later than the end of the third business day following the date that the request for the statement is received.

610.027. 1. The remedies provided by this section against public governmental bodies shall be in addition to those provided by any other provision of law. Any aggrieved person, taxpayer to, or citizen of, this state, or the attorney general or prosecuting attorney, may seek judicial enforcement of the requirements of sections 610.010 to 610.026. Suits to enforce sections 610.010 to 610.026 shall be brought in the circuit court for the county in which the public governmental body has its principal place of business. Upon service of a summons, petition, complaint, counterclaim, or cross-claim in a civil action brought to enforce the provisions of sections 610.010 to 610.026, the custodian of the public record that is the subject matter of such civil action shall not transfer custody, alter, destroy, or otherwise dispose of the public record sought to be inspected and examined, notwithstanding the applicability of an exemption pursuant to section 610.021 or the assertion that the requested record is not a public record until the court directs otherwise.

2. **[**Once a party seeking judicial enforcement of sections 610.010 to 610.026 demonstrates to the court that the body in question is subject to the requirements of sections 610.010 to 610.026 and has held a closed meeting, record or vote, the burden of persuasion shall be on the body and its members to demonstrate compliance with the requirements of sections 610.010 to 610.026.**] In any legal proceeding, there shall be a presumption that a meeting, record, or vote is open to the public. The burden shall be on a public governmental body or a member of a public governmental body to prove that such meeting, record, or vote may be closed to the public.**

3. Upon a finding by a preponderance of the evidence that a public governmental body or a member of a public governmental body has knowingly violated sections 610.010 to 610.026, the public governmental body or the member shall be subject to a civil penalty in an amount up to one thousand dollars. If the court finds that there is a knowing violation of sections 610.010 to 610.026, the court may order the payment by such body or member of all costs and reasonable attorney fees to any party successfully establishing a violation. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the public governmental body or member of a public governmental body has violated sections 610.010 to 610.026 previously.

4. Upon a finding by a preponderance of the evidence that a public governmental body or a member of a public governmental body has purposely violated sections 610.010 to 610.026, the public governmental body or the member shall be subject to a civil penalty in an amount up to five thousand dollars. If the court finds that there was a purposeful violation of sections 610.010 to 610.026, then the court shall order the payment by such body or member of all costs and reasonable attorney fees to any party successfully establishing such a violation. The court shall determine the amount of the penalty by taking into account the size of the jurisdiction, the seriousness of the offense, and whether the public governmental body or member of a public governmental body has violated sections 610.010 to 610.026 previously.

5. Upon a finding by a preponderance of the evidence that a public governmental body has violated any provision of sections 610.010 to 610.026, a court shall void any action taken in violation of sections 610.010 to 610.026, if the court finds under the facts of the particular case that the public interest in the enforcement of the policy of sections 610.010 to 610.026 outweighs the public interest in sustaining the validity of the action taken in the **[**closed**]** meeting, record or vote. Suit for enforcement shall be brought within one year from which the violation is ascertainable and in no event shall it be brought later than two years after the violation. This subsection shall not apply to an action taken

regarding the issuance of bonds or other evidence of indebtedness of a public governmental body if a public hearing, election or public sale has been held regarding the bonds or evidence of indebtedness.

6. A public governmental body which is in doubt about the legality of closing a particular meeting, record or vote may bring suit at the expense of that public governmental body in the circuit court of the county of the public governmental body's principal place of business to ascertain the propriety of any such action, or seek a formal opinion of the attorney general or an attorney for the governmental body."; and

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. 3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

13. Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of **[**his**] the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering **[**himself**] the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by **[**him**] such person** under the local sales tax law or in the event a determination has been made against **[**him**] such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

32.088. 1. Beginning January 1, 2013, the possession of a statement from the department of revenue stating no tax, applicable to the business seeking to issue or renew its license, is due under chapters 142, 143, 144, 147, and 149, and that no fees are due under section 260.262 or 260.273, shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business unless the owner is by law subject at least biennially to a state tax check for purposes of retaining a professional license under sections 168.071, 324.010 and 484.053. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

2. Beginning January 1, 2013, in lieu of subsection 1 of this section, the director shall, as soon as practical thereafter, enter into an agreement with any state agency responsible for issuing any state license for conducting any business requiring the agency to provide the director of revenue with the name and Missouri tax identification number of each applicant for licensure within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any taxes under chapters 142, 143, 144, 147, and 149, or fees under section 260.262 or 260.273, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in this chapter and chapters 143, 144, and 147, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2012, to October 31, 2012, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2012. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2011, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

2. Upon written application by the taxpayer, on forms prescribed by the director of revenue, and upon compliance with the provisions of this section, the department of revenue shall not seek to collect any penalty,

addition to tax, or interest that may be applicable. The department of revenue shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which the amnesty has been granted unless subsequent investigation or audit shows that the taxpayer engaged in fraudulent or criminal conduct in applying for amnesty.

3. Amnesty shall be granted only to those taxpayers who have applied for amnesty within the period stated in this section, who have filed a tax return for each taxable period for which amnesty is requested, who have paid the entire balance due by October 31, 2012, and who agree to comply with state tax laws for the next eight years from the date of the agreement. No taxpayer shall be entitled to a waiver of any penalty, addition to tax, or interest under this section unless full payment of the tax due is made in accordance with rules established by the director of revenue.

4. All taxpayers granted amnesty under this section shall comply with this state's tax laws for the eight years following the date of the amnesty agreement. If any such taxpayer fails to comply with all of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund. The department must track all payments received and submit a report, no later than December 31, 2012, to the speaker of the house of representatives and the president pro tem in the senate.

8. The department may promulgate rules or issue administrative guidelines as are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2012, shall be invalid and void.

9. This section shall become effective on July 1, 2012, and shall expire on December 31, 2015.

32.385. 1. The director of revenue and the commissioner of administration may jointly enter into a reciprocal collection and offset of indebtedness agreement with the federal government, under which the State will offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies non-tax debt owed to the federal government; and the federal government will offset from federal payments to vendors, contractors, and taxpayers debt owed to the state of Missouri.

2. When used in this section, the following words, terms, and phrases are defined as set forth herein:

(1) "Federal official", a unit or official of the federal government charged with the collection of nontax liabilities payable to the federal government under 31 U.S.C. Section 3716, as amended;

(7) "Vendor payment", any payment, other than a refund, made by the state to any person or entity, and shall include but shall not be limited to any expense reimbursement to an employee of the state; but shall not include a person's salary, wages, or pension.

3. Under the offset agreement, a federal official may:

(1) Certify to the state of Missouri the existence of a person's delinquent nontax liability owed by the person to the federal government;

(2) Request that the state of Missouri withhold any refund and vendor payment to which the person is entitled;

(3) Certify and request the state of Missouri to withhold a refund or vendor payment only if the laws of the United States:

(b) Provide for the payment of the amount withheld to the state;

(4) Retain a portion of the proceeds of any collection setoff as provided under the setoff agreement.

4. Under the offset agreement, a certification by a federal official to the state of Missouri shall include:

(3) The amount of the nontax liability; and

(4) A statement that the debt is past due and legally enforceable in the amount certified.

5. If a person for whom a certification is received from a federal official is due a refund of Missouri tax or a vendor payment, the agreement may provide that the state of Missouri shall:

(1) Withhold a refund or vendor payment that is due a person whose name has been certified by a federal official;

(2) In accordance with the provisions of the offset agreement, notify the person of the amount withheld in satisfaction of a liability certified by a federal official;

(3) Pay to the federal official the lesser of:

(a) The entire refund or vendor payment; or

(b) The amount certified; and

(4) Pay any refund or vendor payment in excess of the certified amount to the person.

6. Under the agreement, the director of revenue shall:

(1) Certify to a federal official the existence of a person's delinquent tax or nontax liability due the state owed by the person to any state agency;

(2) Request that the federal official withhold any eligible vendor payment to which the person is entitled; and

(3) Provide for the payment of the amount withheld to the state.

7. A certification by a state agency to the director of revenue and by the director of revenue to the federal official under the offset agreement shall include:

(1) The full name and address of the person and any other names known to be used by the person;

(2) The Social Security number or tax identification number;

(3) The amount of the tax or nontax liability;

(4) A statement that the debt is past due and legally enforceable in the amount certified; and

(5) Any other information required by federal statute or regulation applicable to the collection of the debt by offset of federal payments.

8. Any other provisions of law to the contrary notwithstanding, the director of revenue and the commissioner of administration shall have the authority to enter into reciprocal agreements with any other state which extends a like comity to this state to set off offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies nontax debt for debts due the other state that extends a like comity to this state.

32.410. As used in sections 32.410 to 32.460, the following terms shall mean:

(1) "Debt", an amount owed to the state directly or through a state agency, on account of a fee, duty, lease, direct loan, loan insured or guaranteed by the state, rent, service, sale of real or personal property, overpayment, fine, assessment, penalty, restitution, damages, interest, tax, bail bond, forfeiture, reimbursement, liability owed, an assignment, recovery of costs incurred by the state, or any other source of indebtedness to the state;

(2) "Debtor", an individual, a corporation, a partnership, an unincorporated association, a limited liability company, a trust, an estate, or any other public or private entity, including a state, local, or federal government, or an Indian tribe, that is liable for a debt or against whom there is a claim for a debt;

(3) "Department", the department of revenue;

(4) "State agency", any division, board, commission, office, or other agency of the state of Missouri, including public community college districts and any state or municipal court.

32.420. 1. Notwithstanding any other provision of law to the contrary, all state agencies may refer to the department for collection debts owed to them. The department may provide collection services on debts referred to the department by a state agency. This authority shall not supersede the authority granted to the attorney general under section 27.060 or any other statute.

2. A referring agency may refer the debt to the department for collection at any time after a debt becomes delinquent and uncontested and the debtor shall have no further administrative appeal of the amount of the debt. Methods and procedures for referral shall be governed by an agreement between the referring agency and the department.

3. The collection procedures and remedies under this chapter are in addition to any other procedure or remedy available by law. If the state agency's applicable state or federal law requires the use of a particular remedy or procedure for the collection of a debt, that particular remedy or procedure shall govern the collection of that debt to the extent the procedure or remedy is inconsistent with this chapter.

4. The state agency shall send notice to the debtor by United States mail at the debtor's last known address at least twenty days before the debt is referred to the department. The notice shall state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter or the state agency's own procedures.

32.430. 1. Except as otherwise provided in this section, the department shall have the authority to use all general remedies afforded creditors of this state in collection of debt as well as any remedies afforded the state agency referring the debt and to the state in general as a creditor. The department shall not have authority to prosecute or defend civil actions on behalf of any other state agency, except as necessary to defend any challenges made to actions under section 140.910 or 143.902 for a debt referred by a state agency or to prosecute an action under subsection 10 of section 140.910.

2. In addition to the remedies identified in sections 32.410 to 32.460, the department may use the collection remedies afforded under sections 140.910 and 143.902 in the collection of any state debt referred to the department.

3. The department may employ department staff and attorneys, and at the department's discretion, prosecuting attorneys and private collection agencies as authorized in sections 136.150 and 140.850 in seeking collection of debts referred to the department by a state agency.

32.440. 1. The department shall add to the amount of debt referred to the department by a state agency the cost of collection which shall be ten percent of the total debt referred by the state agency. The department shall have the same authority to collect the cost of collection as the department has in collecting the debt referred by the state agency.

2. The cost of collection shall only be waived when:

(1) Within thirty days after the initial notice to the debtor by the department, the debtor establishes to the department reasonable cause for the failure to pay the debt prior to referral of the debt to the department, enters into an agreement satisfactory to the department to pay the debt in full, and fully abides by the terms of that agreement;

(2) A good faith dispute as to the legitimacy or the amount of the debt exists, and payment is remitted or an agreement satisfactory to the department to pay the debt in full is entered into within thirty days after resolution of the dispute, and the debtor fully abides by the terms of that agreement; or

(3) Collection costs have been added by the state agency and are included in the amount of the referred debt.

3. If the department collects an amount less than the total due, the payment shall be applied proportionally to collection costs and the underlying debt unless the department has waived this requirement for certain categories of debt. Collection costs collected by the department under this section shall be deposited in the general revenue fund.

32.450. The department may compromise state debt referred to the department in accordance with section 32.378 and any agreement with the referring agency.

32.460. The department and state agencies, including the judiciary, may exchange such information, including the debtor's Social Security number, as is necessary for the successful collection of the state debt referred. The referring agency shall follow all applicable federal and state laws regarding the confidentiality of information and records regarding the debtor. The confidentiality laws applicable to the particular information received and retained by each agency shall apply to the employees of such state agency and to the department when such information has been forwarded to the department."; and

Further amend said bill, Page 28, Section 94.902, Line 100, by inserting after all of said line the following:

"105.716. 1. Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made.

In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorney's fees and expenses associated with liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment."; and

Further amend said bill, Page 31, Section 137.016, Line 94, by inserting after said line the following:

"**140.910. 1. In addition to any other remedy provided by law for the collection of delinquent taxes due the state of Missouri, if the director has filed a certificate of lien in the circuit court as provided by section 143.902, 144.380, or 144.690, the director or the director's designee may issue an order directing any person, after the payment of attorney fees and expenses associated with creating the proceeds belonging to, due, or to become due to the taxpayer, to withhold and pay over to the department assets belonging to, due, or to become due the taxpayer. The director or the director's designee shall not issue the administrative garnishment if the taxpayer has entered into a written agreement with the department for an alternative payment arrangement and the taxpayer is in compliance with the agreement.**

2. An order entered under this section shall be served on the person or other legal entity either by regular mail or by certified mail, return receipt requested, or may be issued through electronic means, and shall be binding on the employer or other payor two weeks after mailing or electronic issuance of such service. The person

or other entity in possession of assets belonging to, due, or to become due the taxpayer may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. Section 1673, as amended.

3. A copy of the order shall be mailed to the taxpayer at the taxpayer's last known address. The notice shall advise the taxpayer that the administrative garnishment has commenced and the procedures to contest such garnishment on the grounds that such garnishment is improper due to a mistake of fact by requesting a hearing within thirty days from mailing or electronic issuance of the notice. At such a hearing the certified records of the department shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert as a defense mistake as to the identity of the taxpayer, mistake as to payments made, or existence of an alternative payment agreement for which no default has occurred. The taxpayer shall have the burden of proof on such issues. The taxpayer may obtain relief from the garnishment by paying the amount owed.

4. An employer or other payor shall withhold from the earnings or other income of each taxpayer the amount specified in the order. The employer or other payor shall transmit the payments as directed in the order within ten business days of the date the earnings, money due, or other income was payable to the taxpayer. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payor shall, along with the amounts transmitted, provide the date the amount was withheld from the taxpayer.

5. An order issued under subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payor upon whom it is directed until a further order of the director. The director shall notify an employer or other payor upon whom such an order has been directed whenever the deficiency is paid in full.

6. If the order is served on a person other than an employer or other payor, it shall be a lien against any money belonging to the taxpayer that is in the possession of the person on the date of service. The person other than an employer or other payor shall pay over any assets within ten business days of the service date of the order. A financial institution ordered to surrender an account shall be entitled to collect its normally scheduled account activity surcharges to maintain the account during the period of time the account is garnished. For purposes of this section, the interest of the taxpayer in any joint financial accounts shall be presumed to be equal to all other joint owners.

7. An order issued under subsection 1 of this section shall have priority over any other legal process under state law against the same income or other asset, except that where the other legal process is an order issued under section 452.350, 454.505, or 454.507, the withholding for child support shall have priority.

8. No person who complies with an order entered under this section shall be liable to the taxpayer, or to any other person claiming rights derived from the taxpayer, for wrongful withholding. A person who fails or refuses to withhold or pay the amounts as ordered under this section shall be liable to the state in a sum equal to the value of the wages or property not surrendered, but not to exceed the amount of tax deficiency. The director is hereby authorized to bring an action in circuit court to determine the liability of a person for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the person in an amount not to exceed five hundred dollars. The court may also enter a judgment against the person or other legal entity for the amounts to be withheld or paid, court costs, and reasonable attorney's surcharges.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payor of the taxpayer in the same manner and to the same extent as where the employer or other payor is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent, and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director or the director's designee is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed five hundred dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's surcharges, and for the amount of taxes that should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If a taxpayer for whom an order to withhold has been issued under subsection 1 of this section terminates the taxpayer's employment, the employer shall, within ten days of the termination, notify the department of the termination, shall provide to the department the last known address of the taxpayer, if known to the employer, and shall provide to the department the name and address of the taxpayer's new employer, if known. The director or the director's designee may issue an order to the new employer as provided in subsection 1 of this section.

12. For purposes of this section, "assets" include, but are not limited to, currency, any financial account or other liquid asset, and any income or other periodic form of payment due to a taxpayer regardless of source, including, but not limited to, wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest."; and

Further amend said bill, Page 67, Section 141.1015, Line 2, by inserting after said line the following:

"144.190. 1. If a tax has been incorrectly computed by reason of a clerical error or mistake on the part of the director of revenue, such fact shall be set forth in the records of the director of revenue, and the amount of the overpayment shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance shall be refunded to the person legally obligated to remit the tax, such person's administrators or executors, as provided for in section 144.200.

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within three years from date of overpayment. **If a taxpayer applying for a refund under the provisions of this section submits a written request for the director to hold a refund claim unprocessed pending the outcome of legal proceedings on the same or similar grounds or transactions, and agrees that the taxpayer's claim will be bound by the outcome of such legal proceeding should the outcome of such proceeding be adverse to the taxpayer's position, the director shall hold such refund claim unprocessed pending the outcome of such legal proceedings on the same or similar grounds or transactions. Notwithstanding any provision of section 32.069 to the contrary, interest shall not accrue on any refund for the time period such refund claim is held at the request of the taxpayer applying for a refund under the provisions of this subsection. If the seller did not file a return with the director for the period for which the refund is claimed and remit payment as shown on the return, the director shall not issue the refund to the purchaser.**

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. **Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:**

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized pursuant to chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

[5.**]** **7.** Special rules applicable to error corrections requested by customers of mobile telecommunications service are as follows:

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

[6.**]** **8.** For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied pursuant to sections 144.010 to 144.525 has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if an additional refund claim is filed due to any of the following:

(1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;

(2) A decision of a court of competent jurisdiction or the administrative hearing commission; or

(3) Changes in regulations or policy by the department of revenue.

[7.**]** **9.** Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director

of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

[8.**]** **10.** If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.510, against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied."; and

Further amend said bill, Page 2, Section 43.265, Line 19, by inserting immediately after said line the following:

"306.111. 1. A person commits the crime of negligent operation of a vessel if when operating a vessel he or she acts with criminal negligence, as defined in subsection 5 of section 562.016, to cause physical injury to any other person or damage to the property of any other person. A person convicted of negligent operation of a vessel is guilty of a class B misdemeanor upon conviction for the first violation, guilty of a class A misdemeanor upon conviction for the second violation, and guilty of a class D felony for conviction for the third and subsequent violations.

2. A person commits the crime of operating a vessel while intoxicated if he or she operates a vessel on the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state while in an intoxicated condition. Operating a vessel while intoxicated is a class B misdemeanor.

3. A person commits the crime of involuntary manslaughter with a vessel if, while in an intoxicated condition, he or she operates any vessel and, when so operating, acts with criminal negligence to cause the death of any person. Involuntary manslaughter with a vessel is a class C felony.

4. A person commits the crime of assault with a vessel in the second degree if, while in an intoxicated condition, he or she operates any vessel and, when so operating, acts with criminal negligence to cause physical injury to any other person. Assault with a vessel in the second degree is a class D felony.

5. For purposes of this section, a person is in an intoxicated condition when he or she is under the influence of alcohol, a controlled substance or drug, or any combination thereof.

306.112. 1. A person commits the crime of operating a vessel with excessive blood alcohol content if such person operates a vessel on the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state with eight-hundredths of one percent or more by weight of alcohol in such person's blood.

2. As used in this section, percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood and may be shown by chemical analysis of the person's blood, breath, urine, or saliva.

3. Operating a vessel with excessive blood alcohol content is a class B misdemeanor.

306.113. 1. For purposes of sections **[**306.111**]** **306.110** to 306.119, the term "operate" means to physically control the movement of a vessel in motion under mechanical or sail power in water.

2. No arrest shall be made under sections **[**306.111**]** **306.110** to 306.119 unless probable cause exists for that arrest.

306.114. 1. No person convicted of or pleading guilty to a violation of section **306.110,** 306.111 or 306.112 shall be granted a suspended imposition of sentence, unless such person is placed on probation for a minimum of two years and a record of the conviction or plea of guilty is entered into the records of the Missouri uniform law enforcement system maintained by the Missouri state highway patrol.

2. Chemical tests of a person's blood, breath, urine, or saliva to be considered valid under the provisions of sections **[**306.111**]** **306.110** to 306.119 shall be performed according to methods and devices approved by the department of health and senior services by licensed medical personnel or by a person possessing a valid permit issued by the department of health and senior services for this purpose. In addition, any state, county, or municipal law enforcement officer who is certified pursuant to chapter 590 may, prior to arrest, administer a portable chemical test to any person suspected of operating any vessel in violation of section **306.110,** 306.111**,** or 306.112. A portable chemical test shall be admissible as evidence of probable cause to arrest and as exculpatory evidence, but shall not be admissible as

evidence of blood alcohol content. The provisions of section 306.116 shall not apply to a test administered prior to arrest pursuant to this section.

3. The department of health and senior services shall approve satisfactory techniques, devices, equipment, or methods to conduct tests required by sections **[**306.111**]** **306.110** to 306.119, and shall establish standards as to the qualifications and competence of individuals to conduct analyses and to issue permits which shall be subject to termination, suspension or revocation by the department of health and senior services.

4. A licensed physician, registered nurse, or trained medical technician, acting at the request and direction of a law enforcement officer, shall withdraw blood for the purpose of determining the alcohol content of the blood, unless the medical personnel, in the exercise of good faith medical judgment, believes such procedure would endanger the life or health of the person in custody. Blood may be withdrawn only by such medical personnel, but such restriction shall not apply to the taking of a breath test or a urine or saliva specimen. In withdrawing blood for the purpose of determining the alcohol content in the blood, only a previously unused and sterile needle and sterile vessel shall be used and the withdrawal shall otherwise be in strict accord with accepted medical practices. Upon the request of the person who is tested, full information concerning the test taken at the direction of the law enforcement officer shall be made available to such person.

5. No person who administers any test pursuant to the provisions of sections **[**306.111**]** **306.110** to 306.119 upon the request of a law enforcement officer, no hospital in or with which such person is employed or is otherwise associated or in which such test is administered, and no other person, firm, or corporation by whom or with which such person is employed or is in any way associated shall be civilly liable for damages to the person tested, except for negligence in administering of the test or for willful and wanton acts or omissions.

6. Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusing to take a test as provided in sections **[**306.111**]** **306.110** to 306.119 shall be deemed not to have withdrawn the consent provided by section 306.116 and the test or tests may be administered.

306.116. 1. Any person who operates a vessel upon the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state shall be deemed to have given consent to, subject to the provisions of sections **[**306.111**]** **306.110** to 306.119, a chemical test or tests of such person's breath, blood, urine, or saliva for the purpose of determining the alcohol or drug content of such person's blood if arrested for any offense arising out of acts which the arresting law enforcement officer had reasonable grounds to believe were committed while the person was operating a vessel upon the **[**Mississippi River, Missouri River or lakes**]** **waters** of this state in violation of section **306.110,** 306.111**,** or 306.112. The test shall be administered at the direction of the arresting law enforcement officer whenever the person has been arrested for the offense.

2. The implied consent to submit to the chemical tests listed in subsection 1 of this section shall be limited to not more than two such tests arising from the same arrest, incident, or charge.

3. The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of such person's choosing and at such person's expense administer a test in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test taken at the direction of a law enforcement officer.

4. Upon the request of the person who is tested, full information concerning the test shall be made available to such person.

306.117. 1. Upon the trial of any person for violation of any of the provisions of section **306.110,** 306.111**,** or 306.112 the amount of alcohol or drugs in the person's blood at the time of the act alleged as shown by any chemical analysis of the person's blood, breath, urine, or saliva is admissible in evidence and the provisions of subdivision (5) of section 491.060 shall not prevent the admissibility or introduction of such evidence if otherwise admissible. Evidence of alcohol in a person's blood shall be given the following effect:

(1) If there was five-hundredths of one percent or less by weight of alcohol in such person's blood, it shall be presumed that the person was not intoxicated at the time the specimen was obtained;

(2) If there was in excess of five-hundredths of one percent but less than eight-hundredths of one percent by weight of alcohol in such person's blood, the fact shall not give rise to any presumption that the person was or was not intoxicated, but the fact may be considered with other competent evidence in determining whether the person was intoxicated;

(3) If there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.

2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood.

3. A chemical analysis of a person's breath, blood, urine, or saliva, in order to give rise to the presumption or to have the effect provided for in subsection 1 of this section, shall have been performed as provided in sections **[**306.111**]** **306.110** to 306.119 and in accordance with methods and standards approved by the department of health and senior services.

4. The provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was intoxicated or under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol.

306.118. 1. For purposes of this section, unless the context clearly indicates otherwise, the following terms mean:

Further amend said bill, Page 8, Section 302.060, Line 119, by inserting after all of said section and line, the following:

"302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated**. If a person, otherwise subject to the provisions of this subsection, files proof of installation with the department of revenue that any vehicle operated by such person is equipped with a functioning, certified ignition interlock device, then the period of suspension shall be fifteen days, followed by a seventy-five day period of restricted driving privilege. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated. Upon completion of such seventy-five-day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such seventy-five day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional seventy-five day period of restricted driving privilege without any such violations**.

6. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, **or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section,** the person's driving privilege and license shall be resuspended.

7. The director shall revoke the license and driving privilege of any person when the person's driving record shows such person has accumulated twelve points in twelve months or eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation period of any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, the person's license and driving privilege shall be rerevoked. Any person whose license and driving privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the revocation from the director, pass the complete driver examination and apply for a new license before again operating a motor vehicle upon the highways of this state.

9. If any person shall neglect or refuse to surrender the person's license, as provided herein, the director shall direct the state highway patrol or any peace or police officer to secure possession thereof and return it to the director.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023 or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001 or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject

to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor."; and

Further amend said bill, Pages 8-13, Section 302.309, Lines 1-199, by deleting all of said section and lines from the bill and inserting in lieu thereof, the following:

"302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts, the director of revenue, or a commissioner operating under section 478.007 shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) A business, occupation, or employment;

(b) Seeking medical treatment for such operator;

(c) Attending school or other institution of higher education;

(d) Attending alcohol or drug treatment programs;

(e) Seeking the required services of a certified ignition interlock device provider; or

(f) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303 for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303 for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of this subsection on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302, or a license denial under paragraph (a) or (b) of subdivision (8) of this subsection,

or a license revocation under paragraph (h) of subdivision (6) of this subsection, until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege. **The ignition interlock device required for obtaining a limited driving privilege under paragraph (a) or (b) of subdivision (8) of this subsection shall have photo identification technology and global positioning system features.**

(5) The court order or the director's grant of the limited or restricted driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. **The court order or the director's grant of the limited or restricted driving privilege shall also indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle with the limited driving privilege.** A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. Failure of the driver to maintain proof of financial responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(6) Except as provided in subdivision (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, or having left the scene of an accident as provided in section 577.060;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041 or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041 or a similar implied consent law of any other state; **[**or**]**

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or

(h) Due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed **the first forty-five days of** such revocation**, provided the person is not otherwise ineligible for a limited driving privilege**.

(7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

(8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**three years**]** **forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**three years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition,

a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least **[**two years**]** **forty-five days** of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding **[**two years**]** **forty-five days** and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

(9) A DWI docket or court established under section 478.007 may grant a limited driving privilege to a participant in or graduate of the program who would otherwise be ineligible for such privilege under another provision of law. The DWI docket or court shall not grant a limited driving privilege to a participant during his or her initial forty-five days of participation.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void."; and

Further amend said bill, Page 13, Section 302.309, Line 199, by inserting after all of said section and line, the following:

"302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515.

If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible. **The restricted driving privilege shall indicate whether a functioning, certified ignition interlock device is required as a condition of operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and such person shall carry a copy of the restricted driving privilege while operating a motor vehicle.** In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section**. If a person, otherwise subject to the provisions of this subdivision files proof of installation with the department of revenue that any vehicle operated is equipped with a functioning, certified ignition interlock device, then the period of suspension shall be fifteen days, followed by a seventy-five day period of restricted driving privilege. Upon completion of such seventy-five day period of restricted driving privilege, upon compliance with other requirements of law, and upon filing of proof of financial responsibility with the department of revenue, in accordance with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring reports during such seventy-five day period indicate that the ignition interlock device has registered a blood alcohol concentration level above the alcohol setpoint established by the**

department of transportation or such reports indicate that the ignition interlock device has been tampered with or circumvented, then the license and driving privilege of such person shall not be reinstated until the person completes an additional seventy-five day period of restricted driving privilege without any such violations. If the person fails to maintain such proof of the device with the director of revenue as required, the restricted driving privilege shall be terminated;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving while intoxicated, driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012 or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. **If the monthly monitoring reports show that the ignition interlock device has registered any confirmed blood alcohol concentration readings above the alcohol setpoint established by the department of transportation or that the person has tampered with or circumvented the ignition interlock device, then the period for which the person must maintain the ignition interlock device following the date of reinstatement shall be extended for an additional six months.** If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable."; and

Further amend said bill, Page 13, Section 302.309, Line 199, by inserting after all of said section and line, the following:

"Section B. The repeal and reenactment of sections 302.304, 302.309, and 302.525 shall become effective October 1, 2013."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Jones (117), **House Amendment No. 1** was adopted.

On motion of Representative Richardson, **SB 893, as amended**, was read the third time and passed by the following vote:

Senate Amendment No. 1

AMEND Senate Substitute for House Bill No. 1318, Page 1, Section A, Line 3, by inserting immediately after said line the following:

"630.170. 1. A person who is listed on the department of mental health disqualification registry pursuant to this section, who is listed on the department of social services or the department of health and senior services employee disqualification list pursuant to section 660.315, or who has been convicted of or pled guilty or nolo contendere to any crime pursuant to section 565.210, 565.212, or 565.214, or section 630.155 or 630.160 shall be disqualified from holding any position in any public or private facility **[**or**],** day program**, residential facility, or specialized service** operated, **licensed, certified, accredited, in possession of deemed status, or** funded **[**or licensed**]** by the department or in any mental health facility or mental health program in which people are admitted on a voluntary or involuntary basis or are civilly detained pursuant to chapter 632.

2. A person who has been convicted of or pled guilty or nolo contendere to any felony offense against persons as defined in chapter 565; any felony sexual offense as defined in chapter 566; any felony offense defined in section 568.020, 568.045, 568.050, 568.060, 569.020, 569.025, 569.030, 569.035, 569.040, 569.050, 569.070, or 569.160, or of an equivalent felony offense, or who has been convicted of or pled guilty or nolo contendere to any violation of subsection 3 of section 198.070, or has been convicted of or pled guilty or nolo contendere to any offense requiring registration under section 589.400, shall be disqualified from holding any direct-care position in any public or private facility, day program, residential facility or specialized service operated, **licensed, certified, accredited, in possession of deemed status, or** funded **[**or licensed**]** by the department or any mental health facility or mental health program in which people are admitted on a voluntary basis or are civilly detained pursuant to chapter 632.

The request may be granted by the director or designee if in the judgment of the director or designee a clear showing has been made by written submission only, that the person will not commit any additional acts for which the person had originally been disqualified for or any other acts that would be harmful to a patient, resident or client of a facility, program or service. The director or designee may grant an exception subject to any conditions deemed appropriate and failure to comply with such terms may result in the person again being disqualified. **Any person placed on the disqualification registry prior to August 28, 2012, may be removed from the registry by the director or designee if in the judgment of the director or designee a clear showing has been made, by written submission only, that the person will not commit any additional acts for which the person had originally been disqualified for or any other acts that would be harmful to a patient, resident, or client of a facility, program, or service.** Decisions by the director or designee pursuant to the provisions of this subsection shall not be subject to appeal. 5. An applicant for a **[**direct care**]** position in any public or private facility, day program, residential facility, or specialized service operated, **licensed, certified, accredited, in possession of deemed status, or** funded**[**, or licensed**]** by the department or any mental health facility or mental health program in which people are admitted on a voluntary basis or are civilly detained pursuant to chapter 632 shall:

House Amendment No. 1

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 755, Page 5, Section 304.823, Line 67, by inserting after all of said section and line the following:

"306.111. 1. A person commits the crime of negligent operation of a vessel if when operating a vessel he or she acts with criminal negligence, as defined in subsection 5 of section 562.016, to cause physical injury to any other person or damage to the property of any other person. A person convicted of negligent operation of a vessel is guilty of a class B misdemeanor upon conviction for the first violation, guilty of a class A misdemeanor upon conviction for the second violation, and guilty of a class D felony for conviction for the third and subsequent violations.

2. A person commits the crime of operating a vessel while intoxicated if he or she operates a vessel on the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state while in an intoxicated condition. Operating a vessel while intoxicated is a class B misdemeanor.

3. A person commits the crime of involuntary manslaughter with a vessel if, while in an intoxicated condition, he or she operates any vessel and, when so operating, acts with criminal negligence to cause the death of any person. Involuntary manslaughter with a vessel is a class C felony.

4. A person commits the crime of assault with a vessel in the second degree if, while in an intoxicated condition, he or she operates any vessel and, when so operating, acts with criminal negligence to cause physical injury to any other person. Assault with a vessel in the second degree is a class D felony.

5. For purposes of this section, a person is in an intoxicated condition when he or she is under the influence of alcohol, a controlled substance or drug, or any combination thereof.

306.112. 1. A person commits the crime of operating a vessel with excessive blood alcohol content if such person operates a vessel on the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state with eight-hundredths of one percent or more by weight of alcohol in such person's blood.

2. As used in this section, percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood and may be shown by chemical analysis of the person's blood, breath, urine, or saliva.

3. Operating a vessel with excessive blood alcohol content is a class B misdemeanor.

306.113. 1. For purposes of sections **[**306.111**]** **306.110** to 306.119, the term "operate" means to physically control the movement of a vessel in motion under mechanical or sail power in water.

2. No arrest shall be made under sections **[**306.111**]** **306.110** to 306.119 unless probable cause exists for that arrest.

306.114. 1. No person convicted of or pleading guilty to a violation of section **306.110,** 306.111 or 306.112 shall be granted a suspended imposition of sentence, unless such person is placed on probation for a minimum of two years and a record of the conviction or plea of guilty is entered into the records of the Missouri uniform law enforcement system maintained by the Missouri state highway patrol.

2. Chemical tests of a person's blood, breath, urine, or saliva to be considered valid under the provisions of sections **[**306.111**]** **306.110** to 306.119 shall be performed according to methods and devices approved by the department of health and senior services by licensed medical personnel or by a person possessing a valid permit issued by the department of health and senior services for this purpose. In addition, any state, county, or municipal law enforcement officer who is certified pursuant to chapter 590 may, prior to arrest, administer a portable chemical test to any person suspected of operating any vessel in violation of section **306.110,** 306.111**,** or 306.112. A portable chemical test shall be admissible as evidence of probable cause to arrest and as exculpatory evidence, but shall not be admissible as evidence of blood alcohol content. The provisions of section 306.116 shall not apply to a test administered prior to arrest pursuant to this section.

3. The department of health and senior services shall approve satisfactory techniques, devices, equipment, or methods to conduct tests required by sections **[**306.111**]** **306.110** to 306.119, and shall establish standards as to the qualifications and competence of individuals to conduct analyses and to issue permits which shall be subject to termination, suspension or revocation by the department of health and senior services.

4. A licensed physician, registered nurse, or trained medical technician, acting at the request and direction of a law enforcement officer, shall withdraw blood for the purpose of determining the alcohol content of the blood, unless the medical personnel, in the exercise of good faith medical judgment, believes such procedure would endanger the life or health of the person in custody. Blood may be withdrawn only by such medical personnel, but such restriction shall not apply to the taking of a breath test or a urine or saliva specimen. In withdrawing blood for the purpose of determining the alcohol content in the blood, only a previously unused and sterile needle and sterile vessel shall be used and the withdrawal shall otherwise be in strict accord with accepted medical practices. Upon the request of the person who is tested, full information concerning the test taken at the direction of the law enforcement officer shall be made available to such person.

5. No person who administers any test pursuant to the provisions of sections **[**306.111**]** **306.110** to 306.119 upon the request of a law enforcement officer, no hospital in or with which such person is employed or is otherwise associated or in which such test is administered, and no other person, firm, or corporation by whom or with which such person is employed or is in any way associated shall be civilly liable for damages to the person tested, except for negligence in administering of the test or for willful and wanton acts or omissions.

6. Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusing to take a test as provided in sections **[**306.111**]** **306.110** to 306.119 shall be deemed not to have withdrawn the consent provided by section 306.116 and the test or tests may be administered.

306.116. 1. Any person who operates a vessel upon the **[**Mississippi River, Missouri River or the lakes**]** **waters** of this state shall be deemed to have given consent to, subject to the provisions of sections **[**306.111**]** **306.110** to 306.119, a chemical test or tests of such person's breath, blood, urine, or saliva for the purpose of determining the alcohol or drug content of such person's blood if arrested for any offense arising out of acts which the arresting law enforcement officer had reasonable grounds to believe were committed while the person was operating a vessel upon the **[**Mississippi River, Missouri River or lakes**]** **waters** of this state in violation of section **306.110,** 306.111**,** or 306.112. The test shall be administered at the direction of the arresting law enforcement officer whenever the person has been arrested for the offense.

2. The implied consent to submit to the chemical tests listed in subsection 1 of this section shall be limited to not more than two such tests arising from the same arrest, incident, or charge.

3. The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of such person's choosing and at such person's expense administer a test in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test taken at the direction of a law enforcement officer.

4. Upon the request of the person who is tested, full information concerning the test shall be made available to such person.

306.117. 1. Upon the trial of any person for violation of any of the provisions of section **306.110,** 306.111**,** or 306.112 the amount of alcohol or drugs in the person's blood at the time of the act alleged as shown by any chemical analysis of the person's blood, breath, urine, or saliva is admissible in evidence and the provisions of subdivision (5) of section 491.060 shall not prevent the admissibility or introduction of such evidence if otherwise admissible. Evidence of alcohol in a person's blood shall be given the following effect:

(1) If there was five-hundredths of one percent or less by weight of alcohol in such person's blood, it shall be presumed that the person was not intoxicated at the time the specimen was obtained;

(2) If there was in excess of five-hundredths of one percent but less than eight-hundredths of one percent by weight of alcohol in such person's blood, the fact shall not give rise to any presumption that the person was or was not intoxicated, but the fact may be considered with other competent evidence in determining whether the person was intoxicated;

(3) If there was eight-hundredths of one percent or more by weight of alcohol in the person's blood, this shall be prima facie evidence that the person was intoxicated at the time the specimen was taken.

2. Percent by weight of alcohol in the blood shall be based upon grams of alcohol per one hundred milliliters of blood.

3. A chemical analysis of a person's breath, blood, urine, or saliva, in order to give rise to the presumption or to have the effect provided for in subsection 1 of this section, shall have been performed as provided in sections **[**306.111**]** **306.110** to 306.119 and in accordance with methods and standards approved by the department of health and senior services.

4. The provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether the person was intoxicated or under the influence of a controlled substance, or drug, or a combination of either or both with or without alcohol.

306.118. 1. For purposes of this section, unless the context clearly indicates otherwise, the following terms mean:

HCS SS SCS SB 755, as amended, was laid over.

SS SCS SB 633, relating to scrap metal operators, was taken up by Representative Largent.

Representative Flanigan offered **House Amendment No. 1**.

House Amendment No. 1

AMEND Senate Substitute for Senate Committee Substitute for Senate Bill No. 633, Page 1, Line 3 of the Title, by deleting the words "scrap metal operators" and inserting in lieu thereof the words "the department of revenue"; and

Further amend said bill, Page 1, Section A, Line 2, by inserting after said line the following:

"32.028. 1. There is hereby created a department of revenue in charge of a director appointed by the governor, by and with the advice and consent of the senate. The department shall collect all taxes and fees payable to the state as provided by law **and may collect, upon referral by a state agency, debts owed to any state agency subject to section 32.420**.

2. The powers, duties and functions of the department of revenue, chapter 32 and others, are transferred by type I transfer to the department of revenue. All powers, duties and function of the collector of revenue are transferred to the director of the department by type I transfer and the position of collector of revenue is abolished.

3. The powers, duties and functions of the state tax commission, chapter 138 and others, are transferred by type III transfer to the department of revenue.

4. All of the powers, duties and functions of the state tax commission relating to administration of the corporation franchise tax, chapter 152, and others, are transferred by type I transfer to the department of revenue; provided, however, that the provision of section 138.430 relating to appeals from decisions of the director of revenue shall apply to these taxes.

5. All the powers, duties and functions of the highway reciprocity commission, chapter 301, are transferred by type II transfer to the department of revenue.

32.058. For all years beginning after January 1, 2013, notwithstanding the certified mail provisions contained in chapters 32, 140, 142, 143, 144, 147, 148, 149, and 302, the director of revenue may choose to mail any document by first class mail only if at least one notice of deficiency or assessment is sent to the taxpayer via certified mail to the last known address.

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. The ordinance or order imposing a local sales tax under the local sales tax law shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. **The director shall retain one percent of the amount of any local sales or use tax collected for cost of collection.** All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of **[**his**]** **the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering **[**himself**]** **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on **[**his**]** **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. **[**He**]** **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales

tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by **[**him**] such person** under the local sales tax law or in the event a determination has been made against **[**him**] such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

32.088. 1. Beginning January 1, 2013, the possession of a statement from the department of revenue stating no tax, applicable to the business seeking to issue or renew its license, is due under chapters 142, 143, 144, 147, and 149, and that no fees are due under section 260.262 or 260.273, shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business unless the owner is by law subject at least biennially to a state tax check for purposes of retaining a professional license under sections 168.071, 324.010 and 484.053. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

2. Beginning January 1, 2013, in lieu of subsection 1 of this section, the director shall, as soon as practical thereafter, enter into an agreement with any state agency responsible for issuing any state license for conducting any business requiring the agency to provide the director of revenue with the name and Missouri tax identification number of each applicant for licensure within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any taxes under chapters 142, 143, 144, 147, and 149, or fees under section 260.262 or 260.273, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in this chapter and chapters 143, 144, and 147, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2012, to October 31, 2012, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2012. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2011, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations

or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

2. Upon written application by the taxpayer, on forms prescribed by the director of revenue, and upon compliance with the provisions of this section, the department of revenue shall not seek to collect any penalty, addition to tax, or interest that may be applicable. The department of revenue shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which the amnesty has been granted unless subsequent investigation or audit shows that the taxpayer engaged in fraudulent or criminal conduct in applying for amnesty.

3. Amnesty shall be granted only to those taxpayers who have applied for amnesty within the period stated in this section, who have filed a tax return for each taxable period for which amnesty is requested, who have paid the entire balance due by October 31, 2012, and who agree to comply with state tax laws for the next eight years from the date of the agreement. No taxpayer shall be entitled to a waiver of any penalty, addition to tax, or interest under this section unless full payment of the tax due is made in accordance with rules established by the director of revenue.

4. All taxpayers granted amnesty under this section shall comply with this state's tax laws for the eight years following the date of the amnesty agreement. If any such taxpayer fails to comply with all of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund. The department must track all payments received and submit a report, no later than December 31, 2012, to the speaker of the house of representatives and the president pro tem in the senate.

8. The department may promulgate rules or issue administrative guidelines as are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2012, shall be invalid and void.

9. This section shall become effective on July 1, 2012, and shall expire on December 31, 2015.

32.385. 1. The director of revenue and the commissioner of administration may jointly enter into a reciprocal collection and offset of indebtedness agreement with the federal government, under which the State will offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies non-tax debt owed to the federal government; and the federal government will offset from federal payments to vendors, contractors, and taxpayers debt owed to the state of Missouri.

2. When used in this section, the following words, terms, and phrases are defined as set forth herein:

(1) "Federal official", a unit or official of the federal government charged with the collection of nontax liabilities payable to the federal government under 31 U.S.C. Section 3716, as amended;

(2) "Nontax liability due the state", a liability certified to the director of revenue by a state agency and shall include, but shall not be limited to, fines, fees, penalties, and other nontax assessments imposed by or payable to any state agency that is finally determined to be due and owing;

(3) "Offset agreement", the agreement authorized by this section;

(4) "Person", an individual, partnership, society, association, joint stock company, corporation, public corporation, or any public authority, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary or representative capacity whether appointed by a court or otherwise, and any combination of the foregoing;

(5) "Refund", an amount described as a refund of tax under the provisions of the state tax law that authorized its payment;

(6) "State agency", any department, division, board, commission, office, or other agency of the state of Missouri;

(7) "Vendor payment", any payment, other than a refund, made by the state to any person or entity, and shall include but shall not be limited to any expense reimbursement to an employee of the state; but shall not include a person's salary, wages, or pension.

(1) Certify to the state of Missouri the existence of a person's delinquent nontax liability owed by the person to the federal government;

(2) Request that the state of Missouri withhold any refund and vendor payment to which the person is entitled;

(3) Certify and request the state of Missouri to withhold a refund or vendor payment only if the laws of the United States:

(b) Provide for the payment of the amount withheld to the state;

(4) Retain a portion of the proceeds of any collection setoff as provided under the setoff agreement.

4. Under the offset agreement, a certification by a federal official to the state of Missouri shall include:

(1) The full name of the person and any other names known to be used by the person;

(2) The Social Security number or federal tax identification number;

(3) The amount of the nontax liability; and

(4) A statement that the debt is past due and legally enforceable in the amount certified.

5. If a person for whom a certification is received from a federal official is due a refund of Missouri tax or a vendor payment, the agreement may provide that the state of Missouri shall:

(1) Withhold a refund or vendor payment that is due a person whose name has been certified by a federal official;

(2) In accordance with the provisions of the offset agreement, notify the person of the amount withheld in satisfaction of a liability certified by a federal official;

(3) Pay to the federal official the lesser of:

(a) The entire refund or vendor payment; or

(b) The amount certified; and

(4) Pay any refund or vendor payment in excess of the certified amount to the person.

6. Under the agreement, the director of revenue shall:

(2) Request that the federal official withhold any eligible vendor payment to which the person is entitled; and

(3) Provide for the payment of the amount withheld to the state.

7. A certification by a state agency to the director of revenue and by the director of revenue to the federal official under the offset agreement shall include:

(2) The Social Security number or tax identification number;

(3) The amount of the tax or nontax liability;

(4) A statement that the debt is past due and legally enforceable in the amount certified; and

(5) Any other information required by federal statute or regulation applicable to the collection of the debt by offset of federal payments.

8. Any other provisions of law to the contrary notwithstanding, the director of revenue and the commissioner of administration shall have the authority to enter into reciprocal agreements with any other state which extends a like comity to this state to set off offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies nontax debt for debts due the other state that extends a like comity to this state.

32.410. As used in sections 32.410 to 32.460, the following terms shall mean:

(1) "Debt", an amount owed to the state directly or through a state agency, on account of a fee, duty, lease, direct loan, loan insured or guaranteed by the state, rent, service, sale of real or personal property, overpayment, fine, assessment, penalty, restitution, damages, interest, tax, bail bond, forfeiture, reimbursement,

liability owed, an assignment, recovery of costs incurred by the state, or any other source of indebtedness to the state;

(2) "Debtor", an individual, a corporation, a partnership, an unincorporated association, a limited liability company, a trust, an estate, or any other public or private entity, including a state, local, or federal government, or an Indian tribe, that is liable for a debt or against whom there is a claim for a debt;

(3) "Department", the department of revenue;

(4) "State agency", any division, board, commission, office, or other agency of the state of Missouri, including public community college districts and any state or municipal court.

32.420. 1. Notwithstanding any other provision of law to the contrary, all state agencies may refer to the department for collection debts owed to them. The department may provide collection services on debts referred to the department by a state agency. This authority shall not supersede the authority granted to the attorney general under section 27.060 or any other statute.

2. A referring agency may refer the debt to the department for collection at any time after a debt becomes delinquent and uncontested and the debtor shall have no further administrative appeal of the amount of the debt. Methods and procedures for referral shall be governed by an agreement between the referring agency and the department.

3. The collection procedures and remedies under this chapter are in addition to any other procedure or remedy available by law. If the state agency's applicable state or federal law requires the use of a particular remedy or procedure for the collection of a debt, that particular remedy or procedure shall govern the collection of that debt to the extent the procedure or remedy is inconsistent with this chapter.

4. The state agency shall send notice to the debtor by United States mail at the debtor's last known address at least twenty days before the debt is referred to the department. The notice shall state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter or the state agency's own procedures.

32.430. 1. Except as otherwise provided in this section, the department shall have the authority to use all general remedies afforded creditors of this state in collection of debt as well as any remedies afforded the state agency referring the debt and to the state in general as a creditor. The department shall not have authority to prosecute or defend civil actions on behalf of any other state agency, except as necessary to defend any challenges made to actions under section 140.910 or 143.902 for a debt referred by a state agency or to prosecute an action under subsection 10 of section 140.910.

2. In addition to the remedies identified in sections 32.410 to 32.460, the department may use the collection remedies afforded under sections 140.910 and 143.902 in the collection of any state debt referred to the department.

3. The department may employ department staff and attorneys, and at the department's discretion, prosecuting attorneys and private collection agencies as authorized in sections 136.150 and 140.850 in seeking collection of debts referred to the department by a state agency.

32.440. 1. The department shall add to the amount of debt referred to the department by a state agency the cost of collection which shall be ten percent of the total debt referred by the state agency. The department shall have the same authority to collect the cost of collection as the department has in collecting the debt referred by the state agency.

2. The cost of collection shall only be waived when:

(1) Within thirty days after the initial notice to the debtor by the department, the debtor establishes to the department reasonable cause for the failure to pay the debt prior to referral of the debt to the department, enters into an agreement satisfactory to the department to pay the debt in full, and fully abides by the terms of that agreement;

(2) A good faith dispute as to the legitimacy or the amount of the debt exists, and payment is remitted or an agreement satisfactory to the department to pay the debt in full is entered into within thirty days after resolution of the dispute, and the debtor fully abides by the terms of that agreement; or

(3) Collection costs have been added by the state agency and are included in the amount of the referred debt.

3. If the department collects an amount less than the total due, the payment shall be applied proportionally to collection costs and the underlying debt unless the department has waived this requirement for

certain categories of debt. Collection costs collected by the department under this section shall be deposited in the general revenue fund.

32.450. The department may compromise state debt referred to the department in accordance with section 32.378 and any agreement with the referring agency.

32.460. The department and state agencies, including the judiciary, may exchange such information, including the debtor's Social Security number, as is necessary for the successful collection of the state debt referred. The referring agency shall follow all applicable federal and state laws regarding the confidentiality of information and records regarding the debtor. The confidentiality laws applicable to the particular information received and retained by each agency shall apply to the employees of such state agency and to the department when such information has been forwarded to the department.

105.716. 1. Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made.

In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorney's fees and expenses associated with liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment.

140.910. 1. In addition to any other remedy provided by law for the collection of delinquent taxes due the state of Missouri, if the director has filed a certificate of lien in the circuit court as provided by section 143.902, 144.380, or 144.690, the director or the director's designee may issue an order directing any person, after the payment of attorney fees and expenses associated with creating the proceeds belonging to, due, or to become due to the taxpayer, to withhold and pay over to the department assets belonging to, due, or to become due the taxpayer. The director or the director's designee shall not issue the administrative garnishment if the taxpayer has entered into a written agreement with the department for an alternative payment arrangement and the taxpayer is in compliance with the agreement.

2. An order entered under this section shall be served on the person or other legal entity either by regular mail or by certified mail, return receipt requested, or may be issued through electronic means, and shall be binding on the employer or other payor two weeks after mailing or electronic issuance of such service. The person or other entity in possession of assets belonging to, due, or to become due the taxpayer may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. Section 1673, as amended.

3. A copy of the order shall be mailed to the taxpayer at the taxpayer's last known address. The notice shall advise the taxpayer that the administrative garnishment has commenced and the procedures to contest such garnishment on the grounds that such garnishment is improper due to a mistake of fact by requesting a hearing within thirty days from mailing or electronic issuance of the notice. At such a hearing the certified records of the department shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert as a defense mistake as to the identity of the taxpayer, mistake as to payments made, or existence of an alternative payment agreement for which no default has occurred. The taxpayer shall have the burden of proof on such issues. The taxpayer may obtain relief from the garnishment by paying the amount owed.

4. An employer or other payor shall withhold from the earnings or other income of each taxpayer the amount specified in the order. The employer or other payor shall transmit the payments as directed in the order within ten business days of the date the earnings, money due, or other income was payable to the taxpayer. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payor shall, along with the amounts transmitted, provide the date the amount was withheld from the taxpayer.

5. An order issued under subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payor upon whom it is directed until a further order of the director. The director shall notify an employer or other payor upon whom such an order has been directed whenever the deficiency is paid in full.

6. If the order is served on a person other than an employer or other payor, it shall be a lien against any money belonging to the taxpayer that is in the possession of the person on the date of service. The person other than an employer or other payor shall pay over any assets within ten business days of the service date of the order. A financial institution ordered to surrender an account shall be entitled to collect its normally scheduled account activity surcharges to maintain the account during the period of time the account is garnished. For purposes of this section, the interest of the taxpayer in any joint financial accounts shall be presumed to be equal to all other joint owners.

7. An order issued under subsection 1 of this section shall have priority over any other legal process under state law against the same income or other asset, except that where the other legal process is an order issued under section 452.350, 454.505, or 454.507, the withholding for child support shall have priority.

8. No person who complies with an order entered under this section shall be liable to the taxpayer, or to any other person claiming rights derived from the taxpayer, for wrongful withholding. A person who fails or refuses to withhold or pay the amounts as ordered under this section shall be liable to the state in a sum equal to the value of the wages or property not surrendered, but not to exceed the amount of tax deficiency. The director is hereby authorized to bring an action in circuit court to determine the liability of a person for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the person in an amount not to exceed five hundred dollars. The court may also enter a judgment against the person or other legal entity for the amounts to be withheld or paid, court costs, and reasonable attorney's surcharges.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payor of the taxpayer in the same manner and to the same extent as where the employer or other payor is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent, and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director or the director's designee is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed five

hundred dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's surcharges, and for the amount of taxes that should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If a taxpayer for whom an order to withhold has been issued under subsection 1 of this section terminates the taxpayer's employment, the employer shall, within ten days of the termination, notify the department of the termination, shall provide to the department the last known address of the taxpayer, if known to the employer, and shall provide to the department the name and address of the taxpayer's new employer, if known. The director or the director's designee may issue an order to the new employer as provided in subsection 1 of this section.

12. For purposes of this section, "assets" include, but are not limited to, currency, any financial account or other liquid asset, and any income or other periodic form of payment due to a taxpayer regardless of source, including, but not limited to, wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

144.190. 1. If a tax has been incorrectly computed by reason of a clerical error or mistake on the part of the director of revenue, such fact shall be set forth in the records of the director of revenue, and the amount of the overpayment shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance shall be refunded to the person legally obligated to remit the tax, such person's administrators or executors, as provided for in section 144.200.

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within three years from date of overpayment. **If a taxpayer applying for a refund under the provisions of this section submits a written request for the director to hold a refund claim unprocessed pending the outcome of legal proceedings on the same or similar grounds or transactions, and agrees that the taxpayer's claim will be bound by the outcome of such legal proceeding should the outcome of such proceeding be adverse to the taxpayer's position, the director shall hold such refund claim unprocessed pending the outcome of such legal proceedings on the same or similar grounds or transactions. Notwithstanding any provision of section 32.069 to the contrary, interest shall not accrue on any refund for the time period such refund claim is held at the request of the taxpayer applying for a refund under the provisions of this subsection. If the seller did not file a return with the director for the period for which the refund is claimed and remit payment as shown on the return, the director shall not issue the refund to the purchaser.**

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. **Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:**

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized pursuant to chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

[5.**]** **7.** Special rules applicable to error corrections requested by customers of mobile telecommunications service are as follows:

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

[6.**]** **8.** For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied pursuant to sections 144.010 to 144.525 has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if an additional refund claim is filed due to any of the following:

(1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;

(2) A decision of a court of competent jurisdiction or the administrative hearing commission; or

(3) Changes in regulations or policy by the department of revenue.

[7.**]** **9.** Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director

of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

[8.**]** **10.** If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.510, against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied."; and

Further amend said bill, Page 4, Section 301.227, Line 112, by inserting after all of said section, the following:

"Section B. Because immediate action is necessary to secure adequate state revenue, the enactment of section 32.383 of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of section 32.383 of this act shall be in full force and effect upon its passage and approval."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(1) The individual no longer suffers from the condition that resulted in the individual's incapacity or involuntary commitment;

(2) The individual no longer poses a danger to self or others for purposes of the purchase, possession, or transfer of firearms under 18 U.S.C. Section 922; and

(3) Granting relief under this section is not contrary to the public interest. No individual who has been found guilty by reason of mental disease or defect may petition a court for restoration under this section.

2. The petition shall be filed in the circuit court that entered the letters of guardianship or the most recent order for involuntary commitment, whichever is later. Upon receipt of the petition, the clerk shall schedule a hearing and provide notice of the hearing to the petitioner.

3. The burden is on the petitioner to establish by clear and convincing evidence that:

(1) The petitioner no longer suffers from the condition that resulted in the incapacity or the involuntary commitment;

(3) Granting relief under this section is not contrary to the public interest.

4. Upon the filing of the petition the court shall review the petition and determine if the petition is based upon frivolous grounds and if so may deny the petition without a hearing. In order to determine whether petitioner has met the burden pursuant to this section, the court may request the local prosecuting attorney, circuit attorney, or attorney general to provide a written recommendation as to whether relief should be granted. In any order requiring such review the court may grant access to any and all mental health records, juvenile records, and criminal history of the petitioner wherever maintained. The court may allow presentation of evidence at the hearing if requested by the local prosecuting attorney, circuit attorney, or attorney general.

5. If the petitioner is filing the petition as a result of an involuntary commitment under chapter 632, the hearing and records shall be closed to the public, unless the court finds that public interest would be better served by conducting the hearing in public. If the court determines the hearing should be open to the public, upon motion by the petitioner, the court may allow for the in-camera inspection of mental health records. The court may allow the use of the record but shall restrict from public disclosure, unless it finds that the public interest would be better served by making the record public.

6. The court shall enter an order that:

Section 922; or

(3) Granting relief under this section would be contrary to the public interest, then the court shall deny the subsequent petition unless the petition contains the additional facts upon which the court could find the condition of the petitioner had so changed that a hearing was warranted.**]**"; and

(a) Any sentence of imprisonment; or

(b) Any period of probation or parole;

(2) The person has not been found guilty of a misdemeanor or felony, not including violations of the traffic regulations provided under chapters 304 and 307, during the time period specified for the underlying offense in subdivision (1) of this subsection;

(3) The person has paid any amount of restitution ordered by the court;

(4) The circumstances and behavior of the petitioner warrant the expungement; and

(5) The expungement is consistent with the public welfare.

6. If the court determines at the conclusion of the hearing that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses listed in the petition for expungement, the court may enter an order of expungement. A copy of the order shall be provided to each entity named in the petition, and, upon receipt of the order, each entity shall destroy any record in its possession relating to any offense listed in the petition. If destruction of the record is not feasible because of the permanent nature of the record books, such record entries shall be blacked out. Entries of a record ordered expunged shall be removed from all electronic files maintained with the state of Missouri, except for the files of the court. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any offense ordered expunged under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

7. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense to any court when asked or upon being charged with any subsequent offense. The expunged offense may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

8. Notwithstanding the provisions of subsection 7 of this section to the contrary, a person granted an expungement shall disclose any expunged offense when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313; or

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency.

Notwithstanding any provision of law to the contrary, an expunged offense shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit.

9. If the court determines that such person has not met the criteria for any of the offenses listed in the petition for expungement, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

10. A person may be granted more than one expungement under this section provided that no person shall be granted more than one order of expungement from the same court. Nothing contained in this section shall prevent the court from maintaining records to ensure that an individual has only one petition for expungement granted by such court under this section."; and

Further amend the title and enacting clause accordingly.

The Pony Express Museum will provide a logo to be affixed on specialty license plates within the plate area prescribed by the director of revenue and as provided in this section. Any contribution to the Pony Express Museum derived from this section, except reasonable administrative costs, shall be used solely for the purposes of the Pony Express Museum. Any person may annually apply for the use of the emblem.**

2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to the Pony Express Museum, the museum shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented by the vehicle owner to the director of revenue at the time of registration. Upon presentation of the annual emblem-use authorization statement and payment of a twenty-five dollar fee in addition to the regular registration fees, and presentation of any documents which may be required by law, the director of revenue shall issue to the vehicle owner a specialty personalized license plate which shall bear the rider on horseback emblem, and the words "Pony Express" at the bottom of the plate, in a manner prescribed by the director of revenue. Such license plates shall be made with fully reflective material with a common color scheme and design of the standard license plate, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates issued under this section.

3. A vehicle owner who was previously issued a plate with the Pony Express Museum's emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the Pony Express Museum's emblem, as otherwise

provided by law. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms required by this section.

4. Prior to the issuance of a Pony Express specialty personalized plate authorized under this section, the department of revenue must be in receipt of an application, as prescribed by the director, which shall be accompanied by a list of at least two hundred potential applicants who plan to purchase the specialty personalized plate, the proposed art design for the specialty license plate, and an application fee, not to exceed five thousand dollars, to defray the department's cost for issuing, developing, and programming the implementation of the specialty plate. Once the plate design is approved, the director of revenue shall not authorize the manufacture of the material to produce such specialized license plates with the individual seal, logo, or emblem until such time as the director has received two hundred applications, the fifteen dollar specialty plate fee per application, and emblem-use statements, if applicable, and other required documents or fees for such plates.

5. The specialty personalized plate shall not be redesigned unless the organization pays the director in advance for all redesigned plate fees for the plate established in this section. If a member chooses to replace the specialty personalized plate for the new design the member must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty personalized plate. All other applicable license plate fees in accordance with this chapter shall be required."; and

House Amendment No. 4

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 755, Page 3, Section 210.1014, Line 36, by inserting after all of said line the following:

"211.069. The amendments to sections 211.071 and 211.073 enacted by the ninety-sixth general assembly, second regular session, shall be known and may be cited as "Jonathan's Law".

211.071. 1. If a petition alleges that a child between the ages of twelve and seventeen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030, forcible sodomy under section 566.060, first degree robbery under section 569.020, or distribution of drugs under section 195.211, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between seventeen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law **and the prosecution of the child results in a conviction**, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.073. 1. The court **[**may**]** **shall**, in a case when the offender is under seventeen years **and six months** of age and has been transferred to a court of general jurisdiction pursuant to section 211.071, and whose prosecution results in a conviction or a plea of guilty, **[**invoke**]** **consider** dual jurisdiction of both the criminal and juvenile codes, as set forth in this section. The court is authorized to impose a juvenile disposition under this chapter and simultaneously impose an adult criminal sentence, the execution of which shall be suspended pursuant to the provisions of this section. Successful completion of the juvenile disposition ordered shall be a condition of the suspended adult criminal sentence. The court may order an offender into the custody of the division of youth services pursuant to this section **[**if:

(1) A facility is designed and built by the division of youth services specifically for offenders sentenced pursuant to this section and if the division determines that there is space available, based on design capacity, in the facility; and

(2)**]:**

(1) Upon agreement of the division **of youth services; and**

(2) If the division of youth services determines that there is space available in a facility designed to serve offenders sentenced under this section.

If the division of youth services agrees to accept a youth and the court does not impose a juvenile disposition, the court shall make findings on the record as to why the division of youth services was not appropriate for the offender prior to imposing the adult criminal sentence.

2. If there is probable cause to believe that the offender has violated a condition of the suspended sentence or committed a new offense, the court shall conduct a hearing on the violation charged, unless the offender waives such hearing. If the violation is established and found the court may continue or revoke the juvenile disposition, impose the adult criminal sentence, or enter such other order as it may see fit.

3. When an offender has received a suspended sentence pursuant to this section and the division determines the child is beyond the scope of its treatment programs, the division of youth services may petition the court for a transfer of custody of the offender. The court shall hold a hearing and shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections; or

(2) Direct that the offender be placed on probation.

4. When an offender who has received a suspended sentence reaches the age of seventeen, the court shall hold a hearing. The court shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections;

(2) Direct that the offender be placed on probation; or

(3) Direct that the offender remain in the custody of the division of youth services if the division agrees to such placement.

5. The division of youth services shall petition the court for a hearing before it releases an offender who comes within subsection 1 of this section at any time before the offender reaches the age of twenty-one years. The court shall:

(1) Revoke the suspension and direct that the offender be taken into immediate custody of the department of corrections; or

(2) Direct that the offender be placed on probation.

6. If the suspension of the adult criminal sentence is revoked, all time served by the offender under the juvenile disposition shall be credited toward the adult criminal sentence imposed."; and

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 755, Pages 22 and 23, Section 610.205, Lines 1 to 39, by deleting all of said lines and inserting in lieu thereof the following:

"**610.205. 1. After an investigation is inactive, as defined in section 610.100, crime scene or death scene photographs and video recordings, including photographs and video recordings created or produced by a state or local agency or by a perpetrator or suspect at a crime scene, which depict or describe a deceased person in a state of dismemberment, decapitation, or similar mutilation including, without limitation, where the deceased person's genitalia are exposed, shall be considered open records for inspection, but closed records for purposes of copying under the provisions of this chapter. Unless dissemination is prohibited under 18 U.S.C. Section 2252, this section shall not prohibit disclosure of such material to:**

(1) State and local law enforcement agencies, prosecuting attorneys, juvenile officers, courts and court personnel, coroners, the state technical assistance team, child fatality review panels, the department of social services, or other state or local officials who need access to the photograph and video recordings in order to perform their duties; and

(2) The deceased's nonoffending next of kin or to an individual who has secured a written release from the nonoffending next of kin. It shall be the responsibility of the nonoffending next of kin to show proof of the familial relationship. For purposes of such access, the deceased's nonoffending next of kin shall be:

2. Subject to the provisions of subsection 3 of this section, in the case of closed criminal investigations a circuit court judge may order the disclosure of such photographs or video recordings not otherwise prohibited under 18 U.S.C. Section 2252 upon findings in writing that disclosure is in the public interest and outweighs any privacy interest that may be asserted by the deceased person's next of kin. In making such determination, the court shall consider whether such disclosure is necessary for public evaluation of governmental performance, the seriousness of the intrusion into the family's right to privacy, and whether such disclosure is the least intrusive means available considering the availability of similar information in other public records. In any such action, the court shall review the photographs or video recordings in question in camera with the custodian of the crime scene materials present and may condition any disclosure on such condition as the court may deem necessary to accommodate the interests of the parties.

3. Prior to releasing any crime scene material described in subsection 1 of this section, the custodian of such material shall give the deceased person's nonoffending next of kin at least two weeks' notice. No court shall

order a disclosure under subsection 2 of this section which would disregard or shorten the duration of such notice requirement. No court order or notification to the next of kin shall be required for the release or disclosure of information to state and local law enforcement agencies, prosecuting attorneys, juvenile officers, courts and court personnel, coroners, the state technical assistance team, child fatality review panels, the department of social services or other state or local officials who need access to the photograph and video recordings in order to perform their duties.

4. The provisions of this section shall apply to all undisclosed material which is in the custody of a state or local agency on the effective date of this section and to any such material which comes into the custody of a state or local agency after such date.

The director, having good cause to believe that an operator is incompetent or unqualified to retain his or her license, after giving ten days' notice in writing by certified mail directed to such person's present known address, may require the person to submit to an examination as prescribed by the director. Upon conclusion of the examination, the director may allow the person to retain his or her license, may suspend, deny or revoke the person's license, or may issue the person a license subject to restrictions as provided in section 302.301. If an examination indicates a condition that potentially impairs safe driving, the director, in addition to action with respect to the license, may require the person to submit to further periodic examinations. The refusal or neglect of the person to submit to an examination within thirty days after the date of such notice shall be grounds for suspension, denial or revocation of the person's license by the director, an associate circuit or circuit court. Notice of any suspension, denial, revocation or other restriction shall be provided by certified mail. As used in this section, the term "denial" means the act of not licensing a person who is currently suspended, revoked or otherwise not licensed to operate a motor vehicle. Denial may also include the act of withdrawing a previously issued license.

(3) Any member of the operator's family within three degrees of consanguinity, or the operator's spouse, who has reached the age of eighteen, except that no person may report the same family member pursuant to this section more than one time during a twelve-month period. The report must state that the person reasonably and in good faith believes the driver cannot safely operate a motor vehicle and must be based upon personal observation or physical evidence which shall be described in the report, or the report shall be based upon an investigation by a law enforcement officer. The report shall be a written declaration in the form prescribed by the department of revenue and shall contain the name, address, telephone number, and signature of the person making the report.

4. Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334, any chiropractor licensed pursuant to chapter 331, any registered nurse licensed pursuant to chapter 335, any psychologist, social worker or professional counselor licensed pursuant to chapter 337, or any optometrist licensed pursuant to chapter 336**, or any emergency medical technician licensed under chapter 190** may report to the department any patient diagnosed or assessed as having a disorder or condition that may prevent such person from safely operating a motor vehicle. Such report shall state the diagnosis or assessment and whether the condition is permanent or temporary. The existence of a physician-patient relationship shall not prevent the making of a report by such medical professionals.

5. Any person who makes a report in good faith pursuant to this section shall be immune from any civil liability that otherwise might result from making the report. Notwithstanding the provisions of chapter 610 to the contrary, all reports made and all medical records reviewed and maintained by the department of revenue pursuant to this section shall be kept confidential except upon order of a court of competent jurisdiction or in a review of the director's action pursuant to section 302.311.

The guidelines shall be published and adopted as required for rules and regulations pursuant to chapter 536. The department of revenue shall also adopt rules and regulations as necessary to carry out the other provisions of this section. The director of revenue shall provide health care professionals and law enforcement officers with information about the procedures authorized in this section. The guidelines and regulations implementing this section shall be in compliance with the federal Americans with Disabilities Act of 1990.

8. Any person who knowingly violates a confidentiality provision of this section or who knowingly permits or encourages the unauthorized use of a report or reporting person's name in violation of this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

9. Any person who intentionally files a false report pursuant to this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

10. All appeals of license revocations, suspensions, denials and restrictions shall be made as required pursuant to section 302.311 within thirty days after the receipt of the notice of revocation, suspension, denial or restriction.

11. Such request shall be made on a form prescribed by the department of revenue and accompanied by a statement from a health care provider with the same or similar license as the health care provider who made the initial report resulting in the limitation or loss of the driver's license. Such petition shall be decided by the director of the department of revenue within thirty days of receipt of the petition. Such decision by the director is appealable pursuant to subsection 10 of this section.”; and

In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on **[**his**]** **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. **[**He**]** **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Where the director of revenue has determined that suit must be filed against

any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

32.088. 1. Beginning January 1, 2013, the possession of a statement from the department of revenue stating no tax, applicable to the business seeking to issue or renew its license, is due under chapters 142, 143, 144, 147, and 149, and that no fees are due under section 260.262 or 260.273, shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business unless the owner is by law subject at least biennially to a state tax check for purposes of retaining a professional license under sections 168.071, 324.010 and 484.053. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

2. Beginning January 1, 2013, in lieu of subsection 1 of this section, the director shall, as soon as practical thereafter, enter into an agreement with any state agency responsible for issuing any state license for conducting any business requiring the agency to provide the director of revenue with the name and Missouri tax identification number of each applicant for licensure within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any taxes under chapters 142, 143, 144, 147, and 149, or fees under section 260.262 or 260.273, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

32.383. 1. Notwithstanding the provisions of any other law to the contrary, with respect to taxes administered by the department of revenue and imposed in this chapter and chapters 143, 144, and 147, an amnesty from the assessment or payment of all penalties, additions to tax, and interest shall apply with respect to unpaid taxes or taxes due and owing reported and paid in full from August 1, 2012, to October 31, 2012, regardless of whether previously assessed, except for penalties, additions to tax, and interest paid before August 1, 2012. The amnesty shall apply only to state tax liabilities due or due but unpaid on or before December 31, 2011, and shall not extend to any taxpayer who at the time of payment is a party to any criminal investigations or to any civil or criminal litigation that is pending in any court of the United States or this state for nonpayment, delinquency, or fraud in relation to any state tax imposed by this state.

2. Upon written application by the taxpayer, on forms prescribed by the director of revenue, and upon compliance with the provisions of this section, the department of revenue shall not seek to collect any penalty, addition to tax, or interest that may be applicable. The department of revenue shall not seek civil or criminal prosecution for any taxpayer for the taxable period for which the amnesty has been granted unless subsequent investigation or audit shows that the taxpayer engaged in fraudulent or criminal conduct in applying for amnesty.

3. Amnesty shall be granted only to those taxpayers who have applied for amnesty within the period stated in this section, who have filed a tax return for each taxable period for which amnesty is requested, who

have paid the entire balance due by October 31, 2012, and who agree to comply with state tax laws for the next eight years from the date of the agreement. No taxpayer shall be entitled to a waiver of any penalty, addition to tax, or interest under this section unless full payment of the tax due is made in accordance with rules established by the director of revenue.

4. All taxpayers granted amnesty under this section shall comply with this state's tax laws for the eight years following the date of the amnesty agreement. If any such taxpayer fails to comply with all of this state's tax laws at any time during the eight years following the date of the agreement, all penalties, additions to tax, and interest that were waived under the amnesty agreement shall become due and owing immediately.

5. If a taxpayer elects to participate in the amnesty program established in this section as evidenced by full payment of the tax due as established by the director of revenue, that election shall constitute an express and absolute relinquishment of all administrative and judicial rights of appeal. No tax payment received under this section shall be eligible for refund or credit.

6. Nothing in this section shall be interpreted to disallow the department of revenue to adjust a taxpayer's tax return as a result of any state or federal audit.

7. All tax payments received as a result of the amnesty program established in this section, other than revenues earmarked by the Constitution of Missouri or this state's statutes, shall be deposited in the state general revenue fund. The department must track all payments received and submit a report, no later than December 31, 2012, to the speaker of the house of representatives and the president pro tem in the senate.

8. The department may promulgate rules or issue administrative guidelines as are necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2012, shall be invalid and void.

9. This section shall become effective on July 1, 2012, and shall expire on December 31, 2015.

32.385. 1. The director of revenue and the commissioner of administration may jointly enter into a reciprocal collection and offset of indebtedness agreement with the federal government, under which the State will offset from state tax refunds and from payments otherwise due to vendors and contractors providing goods or services to state departments, agencies, or other state agencies non-tax debt owed to the federal government; and the federal government will offset from federal payments to vendors, contractors, and taxpayers debt owed to the state of Missouri.

2. When used in this section, the following words, terms, and phrases are defined as set forth herein:

(1) "Federal official", a unit or official of the federal government charged with the collection of nontax liabilities payable to the federal government under 31 U.S.C. Section 3716, as amended;

32.410. As used in sections 32.410 to 32.460, the following terms shall mean:

(1) "Debt", an amount owed to the state directly or through a state agency, on account of a fee, duty, lease, direct loan, loan insured or guaranteed by the state, rent, service, sale of real or personal property, overpayment, fine, assessment, penalty, restitution, damages, interest, tax, bail bond, forfeiture, reimbursement, liability owed, an assignment, recovery of costs incurred by the state, or any other source of indebtedness to the state;

(3) "Department", the department of revenue;

(4) "State agency", any division, board, commission, office, or other agency of the state of Missouri, including public community college districts and any state or municipal court.

32.420. 1. Notwithstanding any other provision of law to the contrary, all state agencies may refer to the department for collection debts owed to them. The department may provide collection services on debts referred to the department by a state agency. This authority shall not supersede the authority granted to the attorney general under section 27.060 or any other statute.

2. A referring agency may refer the debt to the department for collection at any time after a debt becomes delinquent and uncontested and the debtor shall have no further administrative appeal of the amount of the debt. Methods and procedures for referral shall be governed by an agreement between the referring agency and the department.

3. The collection procedures and remedies under this chapter are in addition to any other procedure or remedy available by law. If the state agency's applicable state or federal law requires the use of a particular remedy or procedure for the collection of a debt, that particular remedy or procedure shall govern the collection of that debt to the extent the procedure or remedy is inconsistent with this chapter.

4. The state agency shall send notice to the debtor by United States mail at the debtor's last known address at least twenty days before the debt is referred to the department. The notice shall state the nature and amount of the debt, identify to whom the debt is owed, and inform the debtor of the remedies available under this chapter or the state agency's own procedures.

32.430. 1. Except as otherwise provided in this section, the department shall have the authority to use all general remedies afforded creditors of this state in collection of debt as well as any remedies afforded the state agency referring the debt and to the state in general as a creditor. The department shall not have authority to prosecute or defend civil actions on behalf of any other state agency, except as necessary to defend any challenges made to actions under section 140.910 or 143.902 for a debt referred by a state agency or to prosecute an action under subsection 10 of section 140.910.

2. In addition to the remedies identified in sections 32.410 to 32.460, the department may use the collection remedies afforded under sections 140.910 and 143.902 in the collection of any state debt referred to the department.

3. The department may employ department staff and attorneys, and at the department's discretion, prosecuting attorneys and private collection agencies as authorized in sections 136.150 and 140.850 in seeking collection of debts referred to the department by a state agency.

32.440. 1. The department shall add to the amount of debt referred to the department by a state agency the cost of collection which shall be ten percent of the total debt referred by the state agency. The department shall have the same authority to collect the cost of collection as the department has in collecting the debt referred by the state agency.

2. The cost of collection shall only be waived when:

(1) Within thirty days after the initial notice to the debtor by the department, the debtor establishes to the department reasonable cause for the failure to pay the debt prior to referral of the debt to the department, enters into an agreement satisfactory to the department to pay the debt in full, and fully abides by the terms of that agreement;

(2) A good faith dispute as to the legitimacy or the amount of the debt exists, and payment is remitted or an agreement satisfactory to the department to pay the debt in full is entered into within thirty days after resolution of the dispute, and the debtor fully abides by the terms of that agreement; or

(3) Collection costs have been added by the state agency and are included in the amount of the referred debt.

3. If the department collects an amount less than the total due, the payment shall be applied proportionally to collection costs and the underlying debt unless the department has waived this requirement for certain categories of debt. Collection costs collected by the department under this section shall be deposited in the general revenue fund.

32.450. The department may compromise state debt referred to the department in accordance with section 32.378 and any agreement with the referring agency.

32.460. The department and state agencies, including the judiciary, may exchange such information, including the debtor's Social Security number, as is necessary for the successful collection of the state debt referred. The referring agency shall follow all applicable federal and state laws regarding the confidentiality of information and records regarding the debtor. The confidentiality laws applicable to the particular information

received and retained by each agency shall apply to the employees of such state agency and to the department when such information has been forwarded to the department."; and

Further amend said bill, Page 2, Section 43.265, Line 19, by inserting after all of said section, the following:

"105.716. 1. Any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by the attorney general; provided, that in the case of any claim against the department of conservation, the department of transportation or a public institution which awards baccalaureate degrees, or any officer or employee of such department or such institution, any investigation, defense, negotiation, or compromise of any claim covered by sections 105.711 to 105.726 shall be conducted by legal counsel provided by the respective entity against which the claim is made or which employs the person against whom the claim is made.

In the case of any payment from the state legal expense fund based upon a claim or judgment against the department of conservation, the department of transportation or any officer or employee thereof, the department so affected shall immediately transfer to the state legal expense fund from the department funds a sum equal to the amount expended from the state legal expense fund on its behalf.

2. All persons and entities protected by the state legal expense fund shall cooperate with the attorneys conducting any investigation and preparing any defense under the provisions of sections 105.711 to 105.726 by assisting such attorneys in all respects, including the making of settlements, the securing and giving of evidence, and the attending and obtaining witness to attend hearings and trials. Funds in the state legal expense fund shall not be used to pay claims and judgments against those persons and entities who do not cooperate as required by this subsection.

3. The provisions of sections 105.711 to 105.726 notwithstanding, the attorney general may investigate, defend, negotiate, or compromise any claim covered by sections 105.711 to 105.726 against any public institution which awards baccalaureate degrees whose governing body has declared a state of financial exigency.

4. Notwithstanding the provisions of subsection 2 of section 105.711, funds in the state legal expense fund may be expended prior to the payment of any claim or any final judgment to pay costs of defense, including reasonable attorney's fees for retention of legal counsel, when the attorney general determines that a conflict exists or particular expertise is required, and also to pay for related legal expenses including medical examination fees, expert witness fees, court reporter expenses, travel costs and ancillary legal expenses incurred prior to the payment of a claim or any final judgment.

5. Notwithstanding any other provision of law to the contrary, except for payments of less than ten thousand dollars for property damage, no funds shall be expended from the state legal expense fund for settlement of any liability claim except upon the production of a no tax due statement from the department of revenue by the party making claim or having judgment under section 105.711, which shall be satisfied from such fund. If the party is found by the director of revenue to owe a delinquent tax debt to the state of Missouri under the revenue laws of this state, after the payment of attorney's fees and expenses associated with liability of the fund to the party, any remaining funds to be paid to the party from the state legal expense fund shall be offset to satisfy such tax debt before payment is made to the party making claim or having judgment.

140.910. 1. In addition to any other remedy provided by law for the collection of delinquent taxes due the state of Missouri, if the director has filed a certificate of lien in the circuit court as provided by section 143.902, 144.380, or 144.690, the director or the director's designee may issue an order directing any person, after the payment of attorney fees and expenses associated with creating the proceeds belonging to, due, or to become due to the taxpayer, to withhold and pay over to the department assets belonging to, due, or to become due the taxpayer. The director or the director's designee shall not issue the administrative garnishment if the taxpayer has entered into a written agreement with the department for an alternative payment arrangement and the taxpayer is in compliance with the agreement.

2. An order entered under this section shall be served on the person or other legal entity either by regular mail or by certified mail, return receipt requested, or may be issued through electronic means, and shall be binding on the employer or other payor two weeks after mailing or electronic issuance of such service. The person or other entity in possession of assets belonging to, due, or to become due the taxpayer may deduct an additional sum not to exceed six dollars per month as reimbursement for costs, except that the total amount withheld shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15 U.S.C. Section 1673, as amended.

3. A copy of the order shall be mailed to the taxpayer at the taxpayer's last known address. The notice shall advise the taxpayer that the administrative garnishment has commenced and the procedures to contest such

garnishment on the grounds that such garnishment is improper due to a mistake of fact by requesting a hearing within thirty days from mailing or electronic issuance of the notice. At such a hearing the certified records of the department shall constitute prima facie evidence that the director's order is valid and enforceable. If a prima facie case is established, the obligor may only assert as a defense mistake as to the identity of the taxpayer, mistake as to payments made, or existence of an alternative payment agreement for which no default has occurred. The taxpayer shall have the burden of proof on such issues. The taxpayer may obtain relief from the garnishment by paying the amount owed.

4. An employer or other payor shall withhold from the earnings or other income of each taxpayer the amount specified in the order. The employer or other payor shall transmit the payments as directed in the order within ten business days of the date the earnings, money due, or other income was payable to the taxpayer. For purposes of this section, "business day" means a day that state offices are open for regular business. The employer or other payor shall, along with the amounts transmitted, provide the date the amount was withheld from the taxpayer.

5. An order issued under subsection 1 of this section shall be a continuing order and shall remain in effect and be binding upon any employer or other payor upon whom it is directed until a further order of the director. The director shall notify an employer or other payor upon whom such an order has been directed whenever the deficiency is paid in full.

6. If the order is served on a person other than an employer or other payor, it shall be a lien against any money belonging to the taxpayer that is in the possession of the person on the date of service. The person other than an employer or other payor shall pay over any assets within ten business days of the service date of the order. A financial institution ordered to surrender an account shall be entitled to collect its normally scheduled account activity surcharges to maintain the account during the period of time the account is garnished. For purposes of this section, the interest of the taxpayer in any joint financial accounts shall be presumed to be equal to all other joint owners.

7. An order issued under subsection 1 of this section shall have priority over any other legal process under state law against the same income or other asset, except that where the other legal process is an order issued under section 452.350, 454.505, or 454.507, the withholding for child support shall have priority.

8. No person who complies with an order entered under this section shall be liable to the taxpayer, or to any other person claiming rights derived from the taxpayer, for wrongful withholding. A person who fails or refuses to withhold or pay the amounts as ordered under this section shall be liable to the state in a sum equal to the value of the wages or property not surrendered, but not to exceed the amount of tax deficiency. The director is hereby authorized to bring an action in circuit court to determine the liability of a person for failure to withhold or pay the amounts as ordered. If a court finds that a violation has occurred, the court may fine the person in an amount not to exceed five hundred dollars. The court may also enter a judgment against the person or other legal entity for the amounts to be withheld or paid, court costs, and reasonable attorney's surcharges.

9. The remedy provided by this section shall be available where the state or any of its political subdivisions is the employer or other payor of the taxpayer in the same manner and to the same extent as where the employer or other payor is a private party.

10. An employer shall not discharge, or refuse to hire or otherwise discipline, an employee as a result of an order to withhold and pay over certain money authorized by this section. If any such employee is discharged within thirty days of the date upon which an order to withhold and pay over certain money is to take effect, there shall arise a rebuttable presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent, and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director or the director's designee is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed five hundred dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's surcharges, and for the amount of taxes that should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If a taxpayer for whom an order to withhold has been issued under subsection 1 of this section terminates the taxpayer's employment, the employer shall, within ten days of the termination, notify the department of the termination, shall provide to the department the last known address of the taxpayer, if known to the employer, and shall provide to the department the name and address of the taxpayer's new employer, if known. The director or the director's designee may issue an order to the new employer as provided in subsection 1 of this section.

12. For purposes of this section, "assets" include, but are not limited to, currency, any financial account or other liquid asset, and any income or other periodic form of payment due to a taxpayer regardless of source, including, but not limited to, wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

144.190. 1. If a tax has been incorrectly computed by reason of a clerical error or mistake on the part of the director of revenue, such fact shall be set forth in the records of the director of revenue, and the amount of the overpayment shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance shall be refunded to the person legally obligated to remit the tax, such person's administrators or executors, as provided for in section 144.200.

2. If any tax, penalty or interest has been paid more than once, or has been erroneously or illegally collected, or has been erroneously or illegally computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.525, and the balance, with interest as determined by section 32.065, shall be refunded to the person legally obligated to remit the tax, but no such credit or refund shall be allowed unless duplicate copies of a claim for refund are filed within three years from date of overpayment. **If a taxpayer applying for a refund under the provisions of this section submits a written request for the director to hold a refund claim unprocessed pending the outcome of legal proceedings on the same or similar grounds or transactions, and agrees that the taxpayer's claim will be bound by the outcome of such legal proceeding should the outcome of such proceeding be adverse to the taxpayer's position, the director shall hold such refund claim unprocessed pending the outcome of such legal proceedings on the same or similar grounds or transactions. Notwithstanding any provision of section 32.069 to the contrary, interest shall not accrue on any refund for the time period such refund claim is held at the request of the taxpayer applying for a refund under the provisions of this subsection. If the seller did not file a return with the director for the period for which the refund is claimed and remit payment as shown on the return, the director shall not issue the refund to the purchaser.**

3. Every claim for refund must be in writing and signed by the applicant, and must state the specific grounds upon which the claim is founded. Any refund or any portion thereof which is erroneously made, and any credit or any portion thereof which is erroneously allowed, may be recovered in any action brought by the director of revenue against the person legally obligated to remit the tax. In the event that a tax has been illegally imposed against a person legally obligated to remit the tax, the director of revenue shall authorize the cancellation of the tax upon the director's record.

4. **Notwithstanding the provisions of section 32.057, a purchaser that originally paid sales or use tax to a vendor or seller may submit a refund claim directly to the director of revenue for such sales or use taxes paid to such vendor or seller and remitted to the director, provided no sum shall be refunded more than once, any such claim shall be subject to any offset, defense, or other claim the director otherwise would have against either the purchaser or vendor or seller, and such claim for refund is accompanied by either:**

(1) A notarized assignment of rights statement by the vendor or seller to the purchaser allowing the purchaser to seek the refund on behalf of the vendor or seller. An assignment of rights statement shall contain the Missouri sales or use tax registration number of the vendor or seller, a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller, and a notarized statement signed by the vendor or seller affirming that the vendor or seller has not received a refund or credit, will not apply for a refund or credit of the tax collected on any transactions covered by the assignment, and authorizes the director to amend the seller's return to reflect the refund; or

(2) In the event the vendor or seller fails or refuses to provide an assignment of rights statement within sixty days from the date of such purchaser's written request to the vendor or seller, or the purchaser is not able to locate the vendor or seller or the vendor or seller is no longer in business, the purchaser may provide the director a notarized statement confirming the efforts that have been made to obtain an assignment of rights from the vendor or seller. Such statement shall contain a list of the transactions covered by the assignment, the tax periods and location for which the original sale was reported to the director of revenue by the vendor or seller.

The director shall not require such vendor, seller, or purchaser to submit amended returns for refund claims submitted under the provisions of this subsection. Notwithstanding the provisions of section 32.057, if the seller is registered with the director for collection and remittance of sales tax, the director shall notify the seller at the seller's last known address of the claim for refund. If the seller objects to the refund within thirty days of the date of the notice, the director shall not pay the refund. If the seller agrees that the refund is warranted or fails to respond within thirty days, the director may issue the refund and amend the seller's return to reflect the refund. For purposes of section 32.069, the refund claim shall not be considered to have been filed until the seller agrees

that the refund is warranted or thirty days after the date the director notified the seller and the seller failed to respond.

5. Notwithstanding the provisions of section 32.057, when a vendor files a refund claim on behalf of a purchaser and such refund claim is denied by the director, notice of such denial and the reason for the denial shall be sent by the director to the vendor and each purchaser whose name and address is submitted with the refund claim form filed by the vendor. A purchaser shall be entitled to appeal the denial of the refund claim within sixty days of the date such notice of denial is mailed by the director as provided in section 144.261. The provisions of this subsection shall apply to all refund claims filed after August 28, 2012. The provisions of this subsection allowing a purchaser to appeal the director's decision to deny a refund claim shall also apply to any refund claim denied by the director on or after January 1, 2007, if an appeal of the denial of the refund claim is filed by the purchaser no later than September 28, 2012, and if such claim is based solely on the issue of the exemption of the electronic transmission or delivery of computer software.

6. Notwithstanding the provisions of this section, the director of revenue shall authorize direct-pay agreements to purchasers which have annual purchases in excess of seven hundred fifty thousand dollars pursuant to rules and regulations adopted by the director of revenue. For the purposes of such direct-pay agreements, the taxes authorized pursuant to chapters 66, 67, 70, 92, 94, 162, 190, 238, 321, and 644 shall be remitted based upon the location of the place of business of the purchaser.

[5.**]** **7.** Special rules applicable to error corrections requested by customers of mobile telecommunications service are as follows:

(1) For purposes of this subsection, the terms "customer", "home service provider", "place of primary use", "electronic database", and "enhanced zip code" shall have the same meanings as defined in the Mobile Telecommunications Sourcing Act incorporated by reference in section 144.013;

(2) Notwithstanding the provisions of this section, if a customer of mobile telecommunications services believes that the amount of tax, the assignment of place of primary use or the taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider, in writing, within three years from the date of the billing statement. The customer shall include in such written notification the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction of the tax assignment, a description of the error asserted by the customer and any other information the home service provider reasonably requires to process the request;

(3) Within sixty days of receiving the customer's notice, the home service provider shall review its records and the electronic database or enhanced zip code to determine the customer's correct taxing jurisdiction. If the home service provider determines that the review shows that the amount of tax, assignment of place of primary use or taxing jurisdiction is in error, the home service provider shall correct the error and, at its election, either refund or credit the amount of tax erroneously collected to the customer for a period of up to three years from the last day of the home service provider's sixty-day review period. If the home service provider determines that the review shows that the amount of tax, the assignment of place of primary use or the taxing jurisdiction is correct, the home service provider shall provide a written explanation of its determination to the customer.

[6.**]** **8.** For all refund claims submitted to the department of revenue on or after September 1, 2003, notwithstanding any provision of this section to the contrary, if a person legally obligated to remit the tax levied pursuant to sections 144.010 to 144.525 has received a refund of such taxes for a specific issue and submits a subsequent claim for refund of such taxes on the same issue for a tax period beginning on or after the date the original refund check issued to such person, no refund shall be allowed. This subsection shall not apply and a refund shall be allowed if an additional refund claim is filed due to any of the following:

(1) Receipt of additional information or an exemption certificate from the purchaser of the item at issue;

(2) A decision of a court of competent jurisdiction or the administrative hearing commission; or

(3) Changes in regulations or policy by the department of revenue.

[7.**]** **9.** Notwithstanding any provision of law to the contrary, the director of revenue shall respond to a request for a binding letter ruling filed in accordance with section 536.021 within sixty days of receipt of such request. If the director of revenue fails to respond to such letter ruling request within sixty days of receipt by the director, the director of revenue shall be barred from pursuing collection of any assessment of sales or use tax with respect to the issue which is the subject of the letter ruling request. For purposes of this subsection, the term "letter ruling" means a written interpretation of law by the director to a specific set of facts provided by a specific taxpayer or his or her agent.

[8.**]** **10.** If any tax was paid more than once, was incorrectly collected, or was incorrectly computed, such sum shall be credited on any taxes then due from the person legally obligated to remit the tax pursuant to sections 144.010 to 144.510, against any deficiency or tax due discovered through an audit of the person by the department of revenue through adjustment during the same tax filing period for which the audit applied."; and

House Amendment No. 2

AMEND House Amendment No. 2 to House Committee Substitute for Senate Committee Substitute for Senate Bill No. 722, Page 2, Line 13, by inserting after all of said line the following:

'Further amend said bill, Section 67.2010, Page 13, Line 8, by inserting after all of said section and line the following:

"71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term "contiguous and compact" does not include a situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term "contiguous and compact" does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and **the** Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a **[**verified**] notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term "common-interest community" shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A "common-interest community" shall be defined as real property with respect to which a person, by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.014. **1.** Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon **[**verified**]** **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed.

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection**[**, etc.**]**;

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to

annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012 **or 71.014**. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision (2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.**"; and'; and

(c) Both paragraphs (a) and (b).

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) "Child" means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)**] (3)** "Good cause" means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)**] (4)** "Support" means food, clothing, lodging, and medical or surgical attention;

[(4)**] (5)** It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of **[**twelve**] eighteen** monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. **(1)** If at any time a defendant convicted of criminal nonsupport **or pleads guilty to a charge of criminal nonsupport** is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant's financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due **[**may**] shall** be in such aggregate sums as is not greater than fifty percent of the defendant's adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.

(2) If the defendant fails to pay the **[**current**]** support and arrearages **[**as ordered**] under the terms of his or her probation**, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

(3) After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully completed a criminal nonsupport courts program under section 478.1000, the court shall enter an order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the **[**child support enforcement service of the**]** family support division **[**of**] within** the department of social services **regarding child support enforcement services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is charged."; and

SENATE BILLS VETOED FROM SECOND REGULAR SESSION

SS SCS SB 572 - Richardson

JOURNAL OF THE HOUSE

Second Regular Session, 96th GENERAL ASSEMBLY

SEVENTY-SIXTH DAY, FRIDAY, MAY 18, 2012

The House met pursuant to adjournment.

Speaker Tilley in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

In all these things we are more than conquerors through Him who loves us. (Romans 8:37)

Almighty and Everlasting God, Who is always more ready to hear than we are to pray, and gives more than we desire or deserve, we humbly beseech You to take our lives into Your loving hands and to hold us steady that we may feel Your power underneath us, Your love about us, Your truth above us, and Your spirit within us on this last day of session.

Help us to cast out every fear, strengthen us to walk in all good ways, set our affections upon things above, and give the joy that humble service bestows and the peace of heart that comes to those committed to You and to the coming of Your kingdom.

Bless all assembled here representing our people, especially those whose terms are concluding. Grant unto them the spirit of wisdom, goodness, and truth; and so rule their hearts and bless their endeavors, that law and order, justice, and peace may everywhere prevail to the honor of our state and glory of Your name.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Corbin Schaffter, Madison Haldiman and Mikayla Haldiman.

The Journal of the seventy-fifth day was approved as printed.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted the Conference Committee Report on **HCS SS SB 769, as amended**, and has taken up and passed **CCS HCS SS SB 769**.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SS SCS HB 1051**, entitled:

With Senate Amendment No. 2, Senate Amendment No. 3 and Senate Amendment No. 4.

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1051, Page 1, Section A, Line 4, by inserting immediately after said line the following:

"23.140. 1. Legislation, with the exception of appropriation bills, introduced into either house of the general assembly shall, before being acted upon, be submitted to the oversight division of the committee on legislative research for the preparation of a fiscal note. The staff of the oversight division shall prepare a fiscal note, examining the items contained in subsection 2 and such additional items as may be provided either by joint rule of the house and senate or by resolution adopted by the committee or the oversight subcommittee.

2. The fiscal note shall state:

(1) The cost of the proposed legislation to the state for the next two fiscal years;

(2) Whether or not the proposed legislation will establish a program or agency that will duplicate an existing program or agency;

(3) Whether or not there is a federal mandate for the program or agency;

(4) Whether or not the proposed program or agency will have significant direct fiscal impact upon any political subdivision of the state;

(5) Whether or not any new physical facilities will be required; and

(6) Whether or not the proposed legislation will have an economic impact on small businesses. For the purpose of this subdivision "small business" means a corporation, partnership, sole proprietorship or other business entity, including its affiliates, that:

(a) Is independently owned and operated; and

(b) Employs fifty or fewer full-time employees.

3. The fiscal note for a bill shall accompany the bill throughout its course of passage. No member of the general assembly, lobbyist or persons other than oversight division staff members shall participate in the preparation of any fiscal note unless the communication is in writing, with a duplicate to be filed with the fiscal note or unless requested for information by the fiscal analyst preparing the note. Violations of this provision shall be reported to the chairman of the legislative research committee and subject the fiscal note and proposed bill to subcommittee review. Once a fiscal note has been signed and approved by the director of the oversight division, the note shall not be changed or revised without prior approval of the chairman of the legislative research committee, except to reflect changes made in the bill it accompanies, or to correct patent typographical, clerical or drafting errors that do not involve changes of substance, nor shall substitution be made therefor. Appeals to revise, change or to substitute a fiscal note shall be made in writing by a member of the general assembly to the chairman of the legislative research committee and a hearing before the committee or subcommittee shall be granted as soon as possible. Any member of the general assembly, upon presentation of new or additional material, may, within three legislative days after the hearing on the request to revise, change or substitute a fiscal note, request one rehearing before the full committee to further consider the requested change.

The subcommittee, if satisfied that new or additional material has been presented, may recommend such rehearing to the full committee, and the rehearing shall be held as soon as possible thereafter.

4. The director of the division, hereinafter provided for, or the director's designees, shall seek information and advice from the affected department, division or agency of state government and shall call upon the research staffs of the house of representatives and of the senate, and upon the staffs of the house and senate appropriations committees for assistance in carrying out fiscal notes and **[**auditing functions and duties**]** **evaluations of programs selected by the committee**, during the interim, and each staff shall supply such information or advice as it **[**may possess**]** **deems appropriate** in response to the inquiry. The state auditor shall, upon request, cooperate and provide assistance in the conduct of audits and the preparation of reports made in connection therewith.

23.150. 1. The committee on legislative research shall organize an oversight division to prepare fiscal notes and to conduct **[**management audits and**]** program **[**audits**]** **evaluations** of state agencies**, including program evaluations involving budget transparency and accountability**. The committee may form a subcommittee of not less than six members to provide direct supervision of the personnel and practices of the division. 2. Within the limits of the appropriations made for this division, the committee shall employ a director of the oversight division and other personnel as it deems necessary. The director shall be qualified by training and experience to conduct such **[**audits**]** **evaluations**, and he **or she** shall be directly responsible for those activities. The director of the oversight division, with the consent of the joint committee, may employ personnel necessary to carry out the duties prescribed in this chapter. 3. All **[**audits**]** **evaluations** shall be completed within one year unless an extension is authorized by the committee, but progress reports shall be made to the committee at least **[**monthly**]** **quarterly**. **[**The subcommittee supervising the oversight division shall meet monthly to review progress reports, hear requests for changes in fiscal notes, and provide supervision for the oversight division staff.**]**

4. Each report shall be a public record and shall be signed by the committee **[**chairman**]** **chair**. Each report shall be presented to the governor and the agency involved. Copies may be made available to members of the general assembly and to the general public. In each instance a further report shall be made and distributed in the same manner as an initial report is made and distributed.

Subject to the provisions of this section, all existing assignments shall be reviewed prior to July 1, 1984, and from time to time thereafter, and may be continued or rescinded. **Any assignment granted to a pupil under this section prior to August 28, 2012, shall remain in effect until the pupil completes his or her course of study in the receiving district or until the parent or guardian withdraws the pupil from the assignment. Any assignment granted to a pupil under this section prior to August 28, 2012, shall also be applicable to any sibling of the pupil and shall remain in effect until the pupil completes his or her course of study in the receiving district or until the parent or guardian withdraws the pupil from the assignment.** The board of education of the district in which the pupil lives shall pay the tuition of the pupil assigned. (4) Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

2. For pupils applying to the commissioner of education under this section, the commissioner, or his or her designee, shall assign pupils in the order in which applications are received, provided the applications are properly completed and the conditions of subsection 1 of this section are met. Once granted, the hardship assignment shall continue until the pupil, and any sibling of the pupil who attends the same attendance center, completes his or her course of study in the receiving district or the parent or guardian withdraws the pupil. If a parent or guardian withdraws a pupil from a hardship assignment, the granting of a subsequent application is discretionary. A pupil shall be eligible to apply to the commissioner of education to be assigned to another district under this section if the pupil has been enrolled in and attending a public school in his or her district of residence during the school year prior to the application. 3. The board of education of the district in which the pupil lives shall pay the tuition of the pupil assigned. The tuition amount shall not exceed the pro rata cost of instruction."; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

With Senate Amendment No. 1 and Senate Amendment No. 2.

Senate Amendment No. 1

"**However, in the event an employment relationship exists between the provider and any worker as determined under this chapter, the services performed by such worker shall be deemed to be employment if the provider is an organization described in Section 501(c)(3) of the Internal Revenue Code, any governmental entity, or a federally recognized Indian tribe.**".

Senate Amendment No. 2

AMEND Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1854, Page 32, Section 304.028, Line 19 of said page, by inserting after all of said line the following:

"660.315. 1. After an investigation and a determination has been made to place a person's name on the employee disqualification list, that person shall be notified in writing mailed to his or her last known address that:

(1) An allegation has been made against the person, the substance of the allegation and that an investigation has been conducted which tends to substantiate the allegation;

(2) The person's name will be included in the employee disqualification list of the department;

(3) The consequences of being so listed including the length of time to be listed; and

(4) The person's rights and the procedure to challenge the allegation.

2. If no reply has been received within thirty days of mailing the notice, the department may include the name of such person on its list. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director or the director's designee, based upon the criteria contained in subsection 9 of this section.

3. If the person so notified wishes to challenge the allegation, such person may file an application for a hearing with the department. The department shall grant the application within thirty days after receipt by the department and set the matter for hearing, or the department shall notify the applicant that, after review, the allegation has been held to be unfounded and the applicant's name will not be listed.

4. If a person's name is included on the employee disqualification list without the department providing notice as required under subsection 1 of this section, such person may file a request with the department for removal of the name or for a hearing. Within thirty days after receipt of the request, the department shall either remove the name from the list or grant a hearing and set a date therefor.

5. Any hearing shall be conducted in the county of the person's residence by the director of the department or the director's designee. The provisions of chapter 536 for a contested case except those provisions or amendments which are in conflict with this section shall apply to and govern the proceedings contained in this section and the rights and duties of the parties involved. The person appealing such an action shall be entitled to present evidence, pursuant to the provisions of chapter 536, relevant to the allegations.

6. Upon the record made at the hearing, the director of the department or the director's designee shall determine all questions presented and shall determine whether the person shall be listed on the employee disqualification list. The director of the department or the director's designee shall clearly state the reasons for his or her decision and shall include a statement of findings of fact and conclusions of law pertinent to the questions in issue.

7. A person aggrieved by the decision following the hearing shall be informed of his or her right to seek judicial review as provided under chapter 536. If the person fails to appeal the director's findings, those findings shall constitute a final determination that the person shall be placed on the employee disqualification list.

8. A decision by the director shall be inadmissible in any civil action brought against a facility or the in-home services provider agency and arising out of the facts and circumstances which brought about the employment disqualification proceeding, unless the civil action is brought against the facility or the in-home services provider agency by the department of health and senior services or one of its divisions.

9. The length of time the person's name shall appear on the employee disqualification list shall be determined by the director of the department of health and senior services or the director's designee, based upon the following:

(1) Whether the person acted recklessly or knowingly, as defined in chapter 562;

(2) The degree of the physical, sexual, or emotional injury or harm; or the degree of the imminent danger to the health, safety or welfare of a resident or in-home services client;

(3) The degree of misappropriation of the property or funds, or falsification of any documents for service delivery of an in-home services client;

(4) Whether the person has previously been listed on the employee disqualification list;

(5) Any mitigating circumstances;

(6) Any aggravating circumstances; and

(7) Whether alternative sanctions resulting in conditions of continued employment are appropriate in lieu of placing a person's name on the employee disqualification list. Such conditions of employment may include, but are not limited to, additional training and employee counseling. Conditional employment shall terminate upon the expiration of the designated length of time and the person's submitting documentation which fulfills the department of health and senior services' requirements.

10. The removal of any person's name from the list under this section shall not prevent the director from keeping records of all acts finally determined to have occurred under this section.

11. The department shall provide the list maintained pursuant to this section to other state departments upon request and to any person, corporation, organization, or association who:

(1) Is licensed as an operator under chapter 198;

(2) Provides in-home services under contract with the department;

(3) Employs nurses and nursing assistants for temporary or intermittent placement in health care facilities;

(4) Is approved by the department to issue certificates for nursing assistants training;

(5) Is an entity licensed under chapter 197; or

(6) Is a recognized school of nursing, medicine, or other health profession for the purpose of determining whether students scheduled to participate in clinical rotations with entities described in subdivision (1), (2), or (5) of this subsection are included in the employee disqualification list. The department shall inform any person listed above who inquires of the department whether or not a particular name is on the list. The department may require that the request be made in writing.

12. No person, corporation, organization, or association who received the employee disqualification list under subdivisions (1) to (5) of subsection 11 of this section shall knowingly employ any person who is on the employee disqualification list. Any person, corporation, organization, or association who received the employee disqualification list under subdivisions (1) to (5) of subsection 11 of this section, or any person responsible for providing health care service, who declines to employ or terminates a person whose name is listed in this section shall be immune from suit by that person or anyone else acting for or in behalf of that person for the failure to employ or for the termination of the person whose name is listed on the employee disqualification list.

13. **(1)** Any employer **[**who is**]** required to **[**discharge an employee because the employee was placed on a disqualification list maintained by the department of health and senior services after the date of hire**] deny employment to an applicant or discharge an employee, provisional or otherwise, as a result of information obtained through any portion of the background screening and employment eligibility determination process under section 210.903, or subsequent, periodic screenings, shall not be liable in any action brought by the applicant or employee relating to discharge where the employer is required by law to terminate the employee, provisional or otherwise, and** shall not be charged for unemployment insurance benefits based on wages paid to the employee for work prior to the date of discharge, pursuant to section 288.100.

(2) Notwithstanding subsections 3 and 5 of section 288.090, an employer shall not be charged for unemployment insurance benefits based on wages paid to the employee or an employer making payments in lieu of contributions for work prior to the date of discharge, pursuant to section 288.100, if the employer terminated the employee because the employee:

(a) Has been found guilty of, pled guilty or nolo contendere in this state or any other state of a crime as listed in subsection 6 of section 660.317;

(b) Was placed on the employee disqualification list under this section, after the date of hire;

(c) Was placed on the employee disqualification registry maintained by the department of mental health, after the date of hire;

(d) Has a disqualifying finding under this section, section 660.317, or is on any of the background check lists in the family care safety registry under sections 210.900 to 210.936; or

(e) Was denied a good cause waiver as provided for in subsection 10 of section 660.317.

The benefits paid to the employee shall not be attributable to service in the employ of the employer required to discharge an employee under the provisions of this subdivision and shall be deemed as such under the unemployment compensation laws of this state.

14. Any person who has been listed on the employee disqualification list may request that the director remove his or her name from the employee disqualification list. The request shall be written and may not be made more than once every twelve months. The request will be granted by the director upon a clear showing, by written submission only, that the person will not commit additional acts of abuse, neglect, misappropriation of the property or funds, or the falsification of any documents of service delivery to an in-home services client. The director may make conditional the removal of a person's name from the list on any terms that the director deems appropriate, and failure to comply with such terms may result in the person's name being relisted. The director's determination of whether to remove the person's name from the list is not subject to appeal."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

In which the concurrence of the House is respectfully requested.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 557, Page 1, In the Title, Lines 3 and 4, by deleting all of said lines and inserting in lieu thereof the words, "relating to motor vehicles"; and

Further amend said bill, Page 7, Section 301.193, Line 68, by inserting after all of said line the following:

"**301.4040. 1. Notwithstanding any other provision of law to the contrary, any person after an annual payment of an emblem-use fee to the American Red Cross Trust Fund, may receive specialty personalized license plates for any vehicle the member owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight. The Missouri Chapter of the American Red Cross hereby authorizes the use of its official emblem to be affixed on specialty license plates within the plate area prescribed by the director of revenue and as provided in this section. Any contribution to the American Red Cross derived from this section, except reasonable administrative costs, shall be used solely for the purposes of the American Red Cross. Any person may annually apply for the use of the emblem.**

2. Upon annual application and payment of a twenty-five dollar emblem-use contribution to the American Red Cross Trust Fund, the Missouri Chapter of the American Red Cross shall issue to the vehicle owner, without further charge, an emblem-use authorization statement, which shall be presented by the vehicle owner to the director of revenue at the time of registration. Upon presentation of the annual emblem-use authorization statement and payment of a twenty-five dollar fee in addition to the regular registration fees, and presentation of any documents which may be required by law, the director of revenue shall issue to the vehicle owner a specialty personalized license plate which shall bear the emblem of the Missouri Chapter of the American Red Cross, and the words "PROUD SUPPORTER" at the bottom of the plate, in a manner prescribed by the director of revenue. Such license plates shall be made with fully reflective material with a common color scheme and design of the standard license plate, shall be clearly visible at night, shall have a reflective white background in the area of the plate configuration, and shall be aesthetically attractive, as prescribed by section 301.130. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates issued under this section.

3. A vehicle owner who was previously issued a plate with the Missouri Chapter of the American Red Cross' emblem authorized by this section, but who does not provide an emblem-use authorization statement at a subsequent time of registration, shall be issued a new plate which does not bear the Missouri Chapter of the American Red Cross' emblem, as otherwise provided by law. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms required by this section.

4. Prior to the issuance of a Missouri Chapter of the American Red Cross specialty personalized plate authorized under this section, the department of revenue must be in receipt of an application, as prescribed by the director, which shall be accompanied by a list of at least two hundred potential applicants who plan to purchase the specialty personalized plate, the proposed art design for the specialty license plate, and an application fee, not to exceed five thousand dollars, to defray the department's cost for issuing, developing, and programming the implementation of the specialty plate. Once the plate design is approved, the director of revenue shall not authorize the manufacture of the material to produce such specialized license plates with the individual seal, logo, or emblem until such time as the director has received two hundred applications, the fifteen dollar specialty plate fee per application, and emblem-use statements, if applicable, and other required documents or fees for such plates.

5. The specialty personalized plate shall not be redesigned unless the organization pays the director in advance for all redesigned plate fees for the plate established in this section. If a member chooses to replace the specialty personalized plate for the new design the member must pay the replacement fees prescribed in section 301.300 for the replacement of the existing specialty personalized plate. All other applicable license plate fees in accordance with this chapter shall be required.

Further amend said bill, Pages 39-40, Section 301.4040, by striking all of said section from the bill; and

Further amend said bill, Pages 43-44, Section 311.735, by striking all of said section from the bill; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 2

AMEND House Committee Substitute for House Bill No. 1900, Page 20, Section 37.110, Line 5, by inserting immediately after said line the following:

"71.012. 1. Notwithstanding the provisions of sections 71.015 and 71.860 to 71.920, the governing body of any city, town or village may annex unincorporated areas which are contiguous and compact to the existing corporate limits of the city, town or village pursuant to this section. The term "contiguous and compact" does not include a

situation whereby the unincorporated area proposed to be annexed is contiguous to the annexing city, town or village only by a railroad line, trail, pipeline or other strip of real property less than one-quarter mile in width within the city, town or village so that the boundaries of the city, town or village after annexation would leave unincorporated areas between the annexed area and the prior boundaries of the city, town or village connected only by such railroad line, trail, pipeline or other such strip of real property. The term "contiguous and compact" does not prohibit voluntary annexations pursuant to this section merely because such voluntary annexation would create an island of unincorporated area within the city, town or village, so long as the owners of the unincorporated island were also given the opportunity to voluntarily annex into the city, town or village. Notwithstanding the provisions of this section, the governing body of any city, town or village in any county of the third classification which borders a county of the fourth classification, a county of the second classification and **the** Mississippi River may annex areas along a road or highway up to two miles from existing boundaries of the city, town or village or the governing body in any city, town or village in any county of the third classification without a township form of government with a population of at least twenty-four thousand inhabitants but not more than thirty thousand inhabitants and such county contains a state correctional center may voluntarily annex such correctional center pursuant to the provisions of this section if the correctional center is along a road or highway within two miles from the existing boundaries of the city, town or village.

2. (1) When a **[**verified**] notarized** petition, requesting annexation and signed by the owners of all fee interests of record in all tracts of real property located within the area proposed to be annexed, or a request for annexation signed under the authority of the governing body of any common interest community and approved by a majority vote of unit owners located within the area proposed to be annexed is presented to the governing body of the city, town or village, the governing body shall hold a public hearing concerning the matter not less than fourteen nor more than sixty days after the petition is received, and the hearing shall be held not less than seven days after notice of the hearing is published in a newspaper of general circulation qualified to publish legal matters and located within the boundary of the petitioned city, town or village. If no such newspaper exists within the boundary of such city, town or village, then the notice shall be published in the qualified newspaper nearest the petitioned city, town or village. For the purposes of this subdivision, the term "common-interest community" shall mean a condominium as said term is used in chapter 448, or a common-interest community, a cooperative, or a planned community.

(a) A "common-interest community" shall be defined as real property with respect to which a person, by virtue of such person's ownership of a unit, is obliged to pay for real property taxes, insurance premiums, maintenance or improvement of other real property described in a declaration. "Ownership of a unit" does not include a leasehold interest of less than twenty years in a unit, including renewal options;

(b) A "cooperative" shall be defined as a common-interest community in which the real property is owned by an association, each of whose members is entitled by virtue of such member's ownership interest in the association to exclusive possession of a unit;

(c) A "planned community" shall be defined as a common-interest community that is not a condominium or a cooperative. A condominium or cooperative may be part of a planned community.

(2) At the public hearing any interested person, corporation or political subdivision may present evidence regarding the proposed annexation.

If, after holding the hearing, the governing body of the city, town or village determines that the annexation is reasonable and necessary to the proper development of the city, town or village, and the city, town or village has the ability to furnish normal municipal services to the area to be annexed within a reasonable time, it may, subject to the provisions of subdivision (3) of this subsection, annex the territory by ordinance without further action.

(3) If a written objection to the proposed annexation is filed with the governing body of the city, town or village not later than fourteen days after the public hearing by at least five percent of the qualified voters of the city, town or village, or two qualified voters of the area sought to be annexed if the same contains two qualified voters, the provisions of sections 71.015 and 71.860 to 71.920, shall be followed.

3. If no objection is filed, the city, town or village shall extend its limits by ordinance to include such territory, specifying with accuracy the new boundary lines to which the city's, town's or village's limits are extended. Upon duly enacting such annexation ordinance, the city, town or village shall cause three certified copies of the same to be filed with the county assessor and the clerk of the county wherein the city, town or village is located, and one certified copy to be filed with the election authority, if different from the clerk of the county which has jurisdiction over the area being annexed, whereupon the annexation shall be complete and final and thereafter all courts of this state shall take judicial notice of the limits of that city, town or village as so extended.

4. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust

such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.014. **1.** Notwithstanding the provisions of section 71.015, the governing body of any city, town, or village which is located within a county which borders a county of the first classification with a charter form of government with a population in excess of six hundred fifty thousand, proceeding as otherwise authorized by law or charter, may annex unincorporated areas which are contiguous and compact to the existing corporate limits upon **[**verified**]** **notarized** petition requesting such annexation signed by the owners of all fee interests of record in all tracts located within the area to be annexed.

2. Any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.

71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:

(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;

(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;

(d) That a public hearing shall be held prior to the adoption of the ordinance;

(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3), the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, **and** refuse collection**[**, etc.**]**;

(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;

(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;

(d) How the city, town, or village proposes to zone the area to be annexed;

(e) When the proposed annexation shall become effective.

(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective.

Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred twenty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation are obtained from a majority of the registered voters residing in the area to be annexed, the area may be annexed by an ordinance duly enacted by the governing body and no elections shall be required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified electors reside, if at least a majority of the qualified electors voting on the proposition are in favor of the annexation, the city, town or village may proceed to annex the territory and no subsequent election shall be required. If the proposal fails to receive the necessary separate majorities, no part of the area sought to be annexed may be the subject of any other proposal to annex for a period of two years from the date of such election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation

of the land owned by them pursuant to the procedures in section 71.012 **or 71.014**. The election shall, if authorized, be held, except as otherwise provided in this section, in accordance with the general state laws governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory. Failure of the city, town or village to comply in providing services to the area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court **not later than four years after the effective date of the annexation** by any resident of the area who was residing in such area at the time the annexation became effective or by any nonresident owner of real property in such area. **Except for a cause of action for deannexation under this subdivision (2) of this subsection, any action of any kind seeking to deannex from any city, town, or village any area annexed under this section or seeking, in any way, to reverse, invalidate, set aside, or otherwise challenge such annexation or oust such city, town, or village from jurisdiction over such annexed area shall be brought within three years of the date of adoption of the annexation ordinance.**"; and

Conditional employment shall terminate upon the expiration of the designated length of time and the person's submitting documentation which fulfills the department of health and senior services' requirements.

A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains

in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, **taxes imposed on sales pursuant to section 650.399 for the purpose of emergency communication systems,** licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of

economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to blighted areas located in enterprise zones, pursuant to sections 135.200 to 135.256, blighted areas located in federal empowerment zones, or to blighted areas located in central business districts or urban core areas of cities which districts or urban core areas at the time of approval of the project by ordinance, provided that the enterprise zones, federal empowerment zones or blighted areas contained one or more buildings at least fifty years old; and

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

(b) The base year of state sales tax revenues or the base year of state income tax withheld on behalf of existing employees, reported by existing businesses within the project area prior to approval of the redevelopment project;

(e) An affidavit that is signed by the developer or developers attesting that the provisions of subdivision (1) of **subsection 1 of** section 99.810 have been met and specifying that the redevelopment area would not be reasonably anticipated to be developed without the appropriation of the new state revenues;

(f) The cost-benefit analysis required by section 99.810 includes a study of the fiscal impact on the state of Missouri; and

(ff) A list of competing businesses in the county containing the development area and in each contiguous county;

(gg) A market study for the development area;

(hh) A certification by the chief officer of the applicant as to the accuracy of the development plan;

(2) The methodologies used in the application for determining the base year and determining the estimate of the incremental increase in the general revenue portion of the state sales tax revenues or the state income tax withheld by employers on behalf of new employees who fill new jobs created in the redevelopment area shall be approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the annual amount of the new state revenues approved for disbursements from the Missouri supplemental tax increment financing fund exceed thirty-two million dollars;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

11. In addition to the areas authorized in subsection 9 of this section, the funding authorized pursuant to subsection 4 of this section shall also be available in a federally approved levee district, where construction of a levee

begins after December 23, 1997, and which is contained within a county of the first classification without a charter form of government with a population between fifty thousand and one hundred thousand inhabitants which contains all or part of a city with a population in excess of four hundred thousand or more inhabitants.

12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsections 4 and 5 of this section if and only if the conditions of subsection 10 of this section are met. The fund shall also consist of any gifts, contributions, grants or bequests received from federal, private or other sources. Moneys in the Missouri supplemental tax increment financing fund shall be disbursed per project pursuant to state appropriations.

Such amounts shall be recovered from new state revenues deposited into the Missouri supplemental tax increment financing fund created under this section.

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues."; and

Further amend the title and enacting clause accordingly.

Emergency clause adopted.

MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HB 1172**.

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **HCS HB 1661**.

The Benediction was given by Msgr. Kurwicki.

The fear of the Lord is the beginning of wisdom: a good understanding have all they that do His commandments. (Psalm: 111:10)

O God, Creator and Sustainer, without Whose benediction all our labor is in vain. The end of this legislative session has arrived. We now ask Your blessing on all that has been accomplished through Your graces and the work of our minds and hearts. Bless all here who have given their best in this House Chamber this year. May those members whose terms of office are concluding know they will never be forgotten. May those former members who died this past year rest in peace. May all staff, clerks, aides and doormen now be granted a period of rest and renewal. Ever Ancient God, all our hope is in You. Be our refuge now and bless the work of our hands!

And the House says, "Amen!"

ADJOURNMENT

On motion of Representative Jones (89), the House adjourned until 10:00 a.m., Wednesday, May 30, 2012.

Representative Marshall offered an objection to **SS HCS HB 1329**, which was appended to the bill.

OBJECTION TO SIGNING AND ENACTMENT OF
SENATE SUBSTITUTE FOR
HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE BILL 1329

WHEREAS, Article III, Section 30 of the Constitution of the State of Missouri provides if any member shall object in writing to the signing of a bill, the objection shall be noted in the journal and annexed to the bill to be considered by the governor in connection therewith; and

WHEREAS, Senate Substitute for House Committee Substitute for House Bill 1329 (SS for HCS for HB1329) violates the Missouri Constitution in the following manner:

1. The Missouri Supreme Court on January 31, 2012 in *Street v. Director of Revenue* determined that State Law allows only for the imposition and collection of sales tax if the sale occurs within Missouri. This was applied to the collection of local sales taxes as a political subdivision may only impose a tax only to the extent allowed under the state sales tax.

2. SS for HCS for HB1329 attempts to abrogate *Street v. Director of Revenue* and impose a sales tax on all sales or motor vehicles, trailers, boats and outboard motors, within and outside of Missouri's boundaries at the time of registration with the Department of Revenue; this includes imposition of a local sales tax.

3. This Bill requires the tax to be imposed retroactively.

4. Missouri Constitution Article X Section 18(e) prohibits the General Assembly from increasing taxes or fees without voter approval that in total produce new annual revenues greater than 50 million adjusted annually, or one percent of total state revenues for the second fiscal year prior to the General Assembly's action, or whichever is less. The Section also requires any such tax or fee that exceeds the limit to be submitted to a public vote. Finally, the Section clarifies that an "increase in taxes or fees" means any law or laws passed by the General Assembly which broaden the scope of a tax or fee.

5. Missouri Constitution Article X Section 22 prohibits the levying of any local tax, license or fees not authorized when Section 22 was adopted without the approval of the required majority of the qualified voters of the political subdivision voting on the issue. The Section further requires that if any broadening of the definition of the base of any local tax results in an increase in revenues, the levy must be reduced to yield the same gross revenue to the political subdivision.

6. SS for HCS for HB1329 clearly imposes a new tax that is not allowed by existing Missouri sales tax law upon the People of Missouri without a public vote and consequently violates Article X.

THEREFORE, I conclude that Senate Substitute for House Committee Substitute for House Bill 1329 violates the Missouri Constitution and should not be signed by the Officers of the House or Senate, nor should this Bill be signed by the governor.

Respectfully submitted,

/s/ Representative Nick Marshall
District 30, Platte County

Representative Marshall offered an objection to **SCS HCS HB 1758**, which was appended to the bill.

OBJECTION TO SIGNING AND ENACTMENT OF
SENATE COMMITTEE SUBSTITUTE FOR
HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE BILL 1758

WHEREAS, Article III, Section 30 of the Constitution of the State of Missouri provides if any member shall object in writing to the signing of a bill, the objection shall be noted in the journal and annexed to the bill to be considered by the governor in connection therewith; and

WHEREAS, Senate Committee Substitute for House Committee Substitute for House Bill 1758 (SCS for HCS for HB1758) violates the United States and Missouri Constitution in the following manner:

1. SCS for HCS for HB1758 drastically changes Missouri law allowing for a person, who is not a child's natural or legal parent, to petition a court of competent jurisdiction or intervene in a pending action for an order of custody or visitation rights.

2. This action for custody or visitation rights may be maintained by a non-natural parent who has an "ongoing parent child relationship" which is broadly defined in the bill.

3. SCS for HCS for HB1758 permits the action by a person who is not a child's natural or legal parent despite the existence of a fit, involved, natural parent.

4. The bill creates a rebuttable presumption that the natural parent acts in the minor child's best interest but allows the Court to rebut that presumption by considering any factor.

5. SCS for HCS for HB1758 directs the Court to award custody or visitation to the petitioner or intervener who is not the child's natural parent if the Court finds it is in the best interest of the child.

6. The Fourteenth Amendment to the United States Constitution declares that the States "shall not deprive any person of life, liberty, or property, without due process of law." This has been held to protect our fundamental rights and liberty interests, including the liberty interests of parents in the care, custody and control of their children. The United States Supreme Court has also consistently cited this natural parental right as one of the oldest and enduring of the fundamental liberty interests.

7. Similarly, Missouri's Constitution declares in Article I Section 2 that "all persons have a natural right to life, liberty, the pursuit of happiness and the enjoyment of the gains of their own industry," and in Article I Section 10 "that no person shall be deprived of life, liberty or property without due process of law." These Constitutional protections prohibit the State from interfering in the fundament rights of fit natural parents to raise their children based solely upon the States determination of the child's best interest:

THEREFORE, I conclude that Senate Committee Substitute for House Committee Substitute for House Bill 1758 violates both the Missouri and United States Constitutions and should not be signed by the Officers of the House or Senate, nor should the Bill be signed by the governor.

Respectfully submitted,

/s/ Representative Nick Marshall
District 30, Platte County

ADDRESS BY SPEAKER TIMOTHY JONES

Good afternoon.

Speaker Pro Tem Schoeller, Justice Russell, colleagues and friends, thank you very much.

I humbly accept the decision of this body to elect me to serve out the remainder of Speaker Tilley's term. This change comes at a busy time for all of us. Today's veto session brings with it critical issues that require our immediate, undivided attention. It also allows us to consider the future of our state.

To begin, I would like to share some personal reflections on this day, this time in our history, and on the hard work that we all know lies ahead of us, for us and for all the citizens of our state.

First, I owe a deep debt of gratitude and an immeasurable amount of thanks to the many people who have supported me, counseled me, comforted me, and yes, even constructively criticized me for these past many years. Last but absolutely not least, I thank all the citizens of the 89th District and the new 110th District. Without their constant support, guidance, counsel, and assistance, I would not be standing before you today.

My family is first and foremost in my mind today. While many of them are unable to attend, my dear wife, Suzanne, and one of our beautiful, cherished daughters, Abigail, were able to make the journey here. Suzanne has been my staunchest supporter, my fiercest defender, and the rock to which I cling when the world seems engulfed in storm and fire. She is patient, she is kind, she is thoughtful, she is wise. We do not always agree on "Tim's Political Topic of the Day," but then again, what two people ever agree on everything? As of this year, we have been married for ten years and I can tell you that every day I am thankful that this wonderful person chose me as her husband and partner in this business we call life. Suzanne, I cannot thank you enough for all you do and continue to do.

We have two daughters, Katherine Sophia and Abigail Elizabeth. Katie is seven and currently attending second grade at Geggie Elementary in the Rockwood School District. She excels in reading and writing… and arguing. I wonder where she gets it? I could not be more proud of my spirited little girl who tells me every day when I have to travel that she is sorry I am going and that she misses me very much.

Little Abby is a treasure. Her bright eyes and bright smile can light up the most somber of situations and remind us all to be more joyful. Abby has also begun her education as she attends pre-school at St. Mark's Lutheran in Eureka. These three ladies endure so much given the interesting career path that their husband and father has taken; yet their love is endless. For that, I am so blessed.

What I have learned, through colleagues like Sandy and Noel, is that Missourians are caring, hard-working, and industrious people. Missourians foster faithful families, make extraordinary products, and lead the way to new markets in agriculture, science, and technology. Despite what others might say, Missourians – WE BUILT IT.

We are now caught up in the worst economy of our lives and face what is arguably the most challenging period in our nation's history, but Missourians continue to forge ahead, to create, to innovate, to grow, and to BUILD.

So what do we…
…as public servants…
…as representatives of the people…
owe to our constituents and to the citizens of our great state?
Leadership.

Whatever the issue may be, whatever the policy decision laid before us, wherever and however the political winds may blow, we owe our great state principled, determined LEADERSHIP.

The people deserve the kind of leadership that transcends party lines and overcomes the differences we have too often seen between this chamber and our esteemed colleagues on the other side of the building.

As your Speaker, I promise you this: We will work together with our colleagues in the Missouri Senate. Several of our members here today will soon make that trek across the rotunda to the east side of the Capitol. I know they realize a change in location doesn't mean a change in their policy positions. And even though they will find themselves on the other side of the building next year, I know they will work with their new colleagues in the Senate and their old friends here in the House to find the common ground we all know exists.

As we look at the session ahead, know that I will work faithfully with our friends in the Senate to advance a principled policy agenda that will ensure our state is nationally competitive and is in the best interests of all Missourians.

Though I cannot speak for any other leader in our government, I promise you that I will lead with the House's agenda from the forefront. With my colleagues, we will unveil a bold, specific agenda that is rooted in optimism as we look to our better days ahead. Our agenda will inspire growth, innovation, and creativity by building a better Missouri through three basic building blocks:

We will foster an environment that encourages job creation and economic development through streamlined government, tax relief, and a reduced regulatory burden;

We will encourage research and innovation that brings new jobs to our state and leads Missouri closer to energy independence;

We will reform our failing education bureaucracy to guarantee all of our children – no matter their address or zipcode – a quality, affordable education.

These are issues that are near and dear to all Missourians, no matter your philosophy and no matter your political party.

Missourians have also made it clear at the ballot box that elected leaders are expected to stay true to our core values and beliefs. While I am committed to working with all elected officials, I will not waiver on my core principles. I am dedicated to protecting life, ensuring our second amendment rights, and advancing the cause of freedom and liberty that is guaranteed in the Constitution that we have all taken a sacred oath to protect.

My friends, our nation was promised hope and change. These are lofty goals that we all should embrace. But hope and change require more than just speeches and statements, sound bites and talking points. Hope and change requires leaders to do more than talk about the problems and lay blame upon those of the past. Hope and change requires action. It requires pragmatism and cooperation. Hope and change succeeds only in the presence of those willing to face with true grit the challenges that place the future of our state and nation in harm's way.

I believe there is a new dawn on the horizon.

It is our responsibility to take principled stands and to create a new, more prosperous tomorrow. That tomorrow must be full of promise and brimming with optimism and strength. Missouri is known as the Show-Me State because our citizens demand results. They demand action to back up the promises of a greater tomorrow. The solutions we present, the solutions we "show" to the extremely challenging issues before us will not come easy without leadership, integrity, hard work, and perseverance.

But Missourians are a hard lot...an industrious lot…a serious people who encountered this great land so long ago and found it to be one of abundance and prosperity. We have before us a bright future where that abundance and prosperity is simply waiting for us to harness it and place it to a bountiful use.

I again thank you for the humble opportunity to serve you in this role, to lead you, to walk with you, to that more promising tomorrow. May God bless you and your families, the Great State of Missouri, and may God bless America.

Speaker Pro Tem Schoeller resumed the Chair.

MESSAGE FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and adopted **SR 1**.

SENATE RESOLUTION NO. 1

BE IT RESOLVED by the Senate that the Secretary of Senate inform the House of Representatives that the Senate is duly convened and is now in session as provided by Article III, Section 32 of the Constitution and is ready for the consideration of its business.

MESSAGES FROM THE GOVERNOR

March 16, 2012

TO THE CHIEF CLERK OF THE
HOUSE OF REPRESENTATIVES
96TH GENERAL ASSEMBLY
SECOND REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **House Bill No. 1219** entitled:

"AN ACT"

To repeal sections 213.010, and 213.111, RSMo, and to enact in lieu thereof three new sections relating to unlawful discriminatory practices.

I disapprove of **House Bill No. 1219**. My reasons for disapproval are as follows:

Much like Senate Committee Substitute for Senate Bill No. 188, which I vetoed in 2011, **House Bill No. 1219** weakens Missouri's commitment to address discriminatory conduct and limits existing protections for whistleblowers in the workplace.

The following are several of the unacceptable provisions contained in **House Bill No. 1219** that collectively evince a desire to undo decades of progress in Missouri.

Eliminates individual responsibility for discrimination. House Bill No. 1219 ignores a basic tenet of the Missouri Human Rights Act in that it releases from liability the very person who committed the discriminatory act. The Missouri Human Rights Act was established to protect Missourians from such treatment by holding those who discriminate and harass accountable for their actions.

Exempts private clubs and seasonal employers from suit. House Bill No. 1219 would exempt private clubs and many seasonal employers from the type of conduct prohibited by the Missouri Human Rights Act. This Act must continue to protect against discrimination regardless of where it occurs.

Significantly reduces the availability of damages in discrimination cases. House Bill No. 1219 would establish a cap on damages in discrimination cases. And while federal law also establishes limits, the federal caps apply against the aggregate of only compensatory and punitive damages. **House Bill No. 1219**, meanwhile, would apply that same

monetary limit to the sum of awarded "back pay, interest on back pay, other equitable relief **[**front pay**]**, court costs and reasonable attorneys fees," as well as compensatory and punitive damages. Such limits would significantly reduce the potential award in any given case and would undermine the effectiveness of the Missouri Human Rights Act.

Prevents a court from awarding any damages in housing discrimination cases. State law makes it unlawful to discriminate in housing decisions because of race, color, religion, national origin, ancestry, sex, disability or familial status and provides for the recovery of damages for such conduct. **House Bill No. 1219**, by way of Section 213.111.8, RSMo, would inexplicably eliminate a court's ability to award damages in housing discrimination cases brought under Sections 213.040, 213.045 or 213.050, RSMo.

Prohibits punitive damages against government. House Bill No. 1219 would bar punitive damages in discrimination suits against the State or political subdivisions except in certain housing cases, effectively holding governmental entities less accountable to its citizens than their private sector counterparts. Discrimination and unfair treatment does not become more or less abhorrent based on who is doing the discriminating, and the Missouri Human Rights Act should therefore make no such distinction.

Reduces protection for Whistleblowers. House Bill No. 1219 would narrow the protections that currently exist against retaliation in the workplace. Whistleblowers provide an important service to all Missourians, and laws should not be written to discourage individuals from exposing misconduct.

In accordance with the above stated reasons for disapproval, I am returning **House Bill No. 1219** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon
Governor

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **House Bill No. 1250** entitled:

"AN ACT"

To repeal sections 77.080, 78.090, and 115.123, RSMo, and to enact in lieu thereof four new section [sic] relating to elections.

I disapprove of **House Bill No. 1250**. My reasons for disapproval are as follows:

The proposed new section 77.085.1 in **House Bill No. 1250**, which would allow an ordinance prohibiting smoking to be passed by the voters of Farmington, includes a defective intersectional reference. The bill indicates that the term "smoking" is defined in subdivision (6) of section 191.765, RSMo. However, subdivision (6) of section 191.765 defines the term "restaurant." Because this intersectional reference to the definition of "restaurant" cannot be reconciled with any rational understanding of the term "smoking," it would deprive the public of any ability to understand the scope of the proposed ordinance. Moreover, it is not permissible to substitute what the legislature might have meant for what it actually said. Accordingly, this error, while perhaps inadvertent, is fatal to the bill.

In accordance with the above stated reasons for disapproval, I am returning **House Bill No. 1250** without my approval.

Respectfully submitted,

July 12, 2012

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Substitute for House Committee Substitute for House Bill No. 1329** entitled:

"AN ACT"

To repeal sections 32.087, 144.069, 144.757, and 301.140, RSMo, and to enact in lieu thereof five new sections relating to the regulation of motor vehicles, with an emergency clause and a contingent effective date for a certain section.

I disapprove of **Senate Substitute for House Committee Substitute for House Bill No. 1329**. My reasons for disapproval are as follows:

Senate Substitute for House Committee Substitute for House Bill No. 1329 seeks to impose a local tax on the out-of-state purchase of motor vehicles, boats, trailers and outboard motors (collectively "vehicles"). But it does so without a vote of the people and for that reason earns my disapproval.

***Street* Decision**

Senate Substitute for House Committee Substitute for House Bill No. 1329 is intended to overrule the recent Missouri Supreme Court decision in *Street v. Director of Revenue*. In that case, the Court confirmed that vehicles purchased outside of Missouri, and registered here, are subject to the State and local use tax, and not the State and local sales tax. The two are easily distinguished – a sales tax is imposed upon retailers, on in-state transactions, for the privilege of doing business in the State, whereas a use tax is imposed on the consumer for the benefit of using the State's roads and bridges. In so ruling, the Court stated that in order for a local jurisdiction to impose a local use tax, it "must be authorized by voters in local referendums."

Local jurisdictions with a voter-approved local use tax have been unaffected by the *Street* decision, including more than 90 cities and now 40 counties (last month the voters of Dunklin County approved a local use tax by nearly a two-to-one margin). It is the remaining cities and counties – where the measure has either not yet gone before the voters or the people have voted against such a tax - to which **Senate Substitute for House Committee Substitute for House Bill No. 1329** is directed.

Senate Substitute for House Committee Substitute for House Bill No. 1329 would create the fiction that all vehicle purchases are made within the State, regardless of where they actually occur, so that such transactions would be treated as sales tax events. However, manipulating the location of the sale in such a way would circumvent the local referendum process, in defiance of the Supreme Court's directive in *Street*, and deny voters the ability to approve or reject a local use tax on such purchases. Moreover, it exploits the voters' prior consent to a local sales tax by expanding the breadth of that tax beyond what was approved. In sum, **Senate Substitute for House Committee Substitute for House Bill No. 1329** undermines the fundamental principle that the imposition and rate of local taxes is an issue for Missouri voters, and with my action today, the people will retain that authority.

New and Retroactive Tax

Today, no local tax is collected on out-of-state vehicle sales in jurisdictions that do not have a voter-approved local use tax. Despite this fact, **Senate Substitute for House Committee Substitute for House Bill No. 1329** attempts to convey the opposite, in part by stating that the tax created by this legislation "shall continue to be imposed" (emphasis added). Exacerbating this fabrication, **Senate Substitute for House Committee Substitute for House Bill No. 1329** would apply the tax retroactively to transactions that have already been finalized (i.e., [the legislation] "restores, retroactively and prospectively, the application of Missouri's local sales tax law . . . on the sale of all motor vehicles, trailers, boats, and outboard motors . . ." (emphasis added). Under a plain reading of that provision, individuals living in jurisdictions without a local use tax, who have purchased a vehicle out-of-state since the Court's mandate in *Street*, and have registered that vehicle and paid all applicable taxes, would, upon the effective date of **Senate Substitute for House Committee Substitute for House Bill No. 1329**, become liable for an additional "sales" tax of potentially hundreds of

dollars. Such individuals would require no additional confirmation that **Senate Substitute for House Committee Substitute for House Bill No. 1329** imposes a new tax – and does so without voter approval.

Other Concerns

While my disapproval of **Senate Substitute for House Committee Substitute for House Bill No. 1329** unequivocally centers on the imposition of a new tax without voter approval, other concerns remain.

First, the Commerce Clause of the United States Constitution, which prevents states from discriminating against interstate commerce, would become relevant when a Missourian purchases a vehicle in another state that imposes a tax at the time of sale. To avoid duplicative taxation (a tax at the time of purchase and a tax upon registration), states, including Missouri, offset the assessment of a use tax with any tax that has been paid in the other state at the time of purchase. State and federal courts have held that failing to provide such an offset creates double taxation on out-of-state transactions in violation of the Commerce Clause. **Senate Substitute for House Committee Substitute for House Bill No. 1329**, however, does not provide an offset.

And for those who cite the difficulty that local jurisdictions are having in carrying out essential local functions following the reduction in revenue caused by *Street*, it is important to be mindful of the limitation that Article X, Section 10(a) of the Missouri Constitution imposes upon the General Assembly. This section states, in relevant part, that "[e]xcept as provided in this constitution, the general assembly shall not impose taxes upon counties or other political subdivisions or upon the inhabitants or property thereof for municipal, county or other corporate purposes."

Both the Commerce Clause and Article X, Section 10(a) are important because **Senate Substitute for House Committee Substitute for House Bill No. 1329** contains a non-severability clause. If any provision is found to be unenforceable, the entire legislation would become invalid.

Conclusion

Senate Substitute for House Committee Substitute for House Bill No. 1329 is an affront to every Missourian who has not yet had the opportunity to vote on whether to impose a local use tax, and especially to those voters in jurisdictions that have explicitly rejected such a tax. And while I recognize the impact that the *Street* decision is having on local governments and auto dealers across the State, that is not justification for usurping the authority of the voters on matters dealing with local taxation.

In accordance with the above stated reasons for disapproval, I am returning **Senate Substitute for House Committee Substitute for House Bill No. 1329** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758** entitled:

"AN ACT"

To repeal section 453.005, RSMo, and to enact in lieu thereof two new sections relating to rights of persons with parental relationships.

I disapprove of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758**. My reasons for disapproval are as follows:

Senate Committee Substitute for House Committee Substitute for House Bill No. 1758 would extend visitation and custody rights to certain persons other than a child's natural parents when a "parent/child relationship" has been established. While present-day family dynamics might very well merit measured expansion in this area when it is in the best interests of a child, establishing a legal mechanism that overrides the objection of an otherwise fit and willing natural parent presents cause for further review.

The stated purpose of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758** is commendable: "to protect the psychological, emotional, and physical well-being of Missouri children by ensuring continuing interaction between a minor child and those persons with whom the minor child shares a substantial bond . . . ." This objective appropriately recognizes individuals who have assumed the role of parent for a meaningful period of time as well as the potential harm that can occur to the child if that relationship is severed. That said, given the breadth of circumstances that can give rise to a custody determination, which is backed by a well-settled body of law, this proposal would benefit from additional scrutiny so that it can achieve the end sought and avoid the hidden peril of all well-intended legislation – the unintended consequence.

Adding to the need for continued study are the drafting missteps that are present within **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758**. For one, while the bill gives a court the authority to impose a support obligation on a non-biological parent in the same manner as existing law, it fails to amend corresponding sections of law referencing the "parent and child relationship" so that the Department of Social Services, Family Support Division, can modify and terminate such orders. Moreover, **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758** neglects to amend the criminal non-support statute so that those in a recognized "parent/child relationship" are subject to the same types of penalties as those levied against natural parents who fail to meet their support obligations. These oversights are more than just untidy drafting; because the standards and procedures for imposing support orders in Missouri are both clear and reliable, any inconsistency that is introduced could jeopardize the welfare of the very children the bill seeks to help.

To be sure, **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758** strikes at the confluence of two important policy objectives: the best interests of a child and the rights of natural parents. Therefore, it is critical that any adjustment made to that balance is delicately crafted to prevent unintended outcomes and avoid disturbing the existing process for administering support obligations.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 1758** without my approval.

Respectfully submitted,

/s/ Jeremiah W. (Jay) Nixon

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you **Senate Committee Substitute for House Committee Substitute for House Bill No. 1789** entitled:

"AN ACT"

To repeal sections 162.431 and 167.121, RSMo, and to enact in lieu thereof three new sections relating to travel hardships of public school pupils.

I disapprove of **Senate Committee Substitute for House Committee Substitute for House Bill No. 1789**. My reasons for disapproval are as follows:

Existing law already establishes a reasoned process by which a pupil can be reassigned to another school district if the student's residence "is so located that attendance in the district of residence constitutes an unusual or unreasonable transportation hardship because of natural barriers, travel time, or distance." These requests are governed by detailed regulations promulgated by the Department of Elementary and Secondary Education with the discretion to grant a request vested in the Commissioner of Education. The existing process has statewide application and has resulted in students being granted transportation hardships.

Senate Committee Substitute for House Committee Substitute for House Bill No. 1789 would deviate from this statewide approach by establishing a substantially different standard for transportation hardship requests submitted on behalf of pupils from three communities specifically described in the legislation. In contrast to current law, the new standard would mandate approval based solely on mileage without regard to whether a particular student's circumstance constitutes a "hardship."

This bill violates the Hancock Amendment by imposing an unfunded mandate on resident school districts affected by the new standard. This new standard does not require an applicant establish a transportation hardship but rather focuses exclusively on differences in driving distance. Students permitted to transfer under this new standard impose a new or increased activity on their resident school district which will be responsible for the cost of tuition in the receiving school district. This is particularly problematic when the cost of tuition exceeds the per pupil state aid received by the resident school district.

In addition, the driving distance between a pupil's residence and the "attendance center" in both the resident school district and the proposed receiving school district is a critical component to the new standard. However, the term "attendance center" is undefined in **Senate Committee Substitute for House Committee Substitute for House Bill No. 1789** creating a real and practical inability to implement the new standard. For instance, the school administration building, the school the pupil would attend or the geographic center of the school district could all constitute the "attendance center."

Senate Committee Substitute for House Committee Substitute for House Bill No. 1789 also makes permanent all transportation hardships previously granted by the Commissioner of Education. Under this provision, the Commissioner of Education would no longer be able to terminate a previously granted hardship assignment due to improvements in transportation circumstances implemented by a resident school district. The elimination of periodic reviews by the Commissioner of Education will unnecessarily extend the financial strain on an affected resident school district that has implemented appropriate steps to address a transportation issue.

In accordance with the above stated reasons for disapproval, I am returning **Senate Committee Substitute for House Committee Substitute for House Bill No. 1789** without my approval.

Sincerely,

/s/ Jeremiah W. (Jay) Nixon
Governor

"AN ACT"

To repeal sections 3.060, 3.070, 8.110, 8.115, 8.180, 8.200, 8.260, 8.310, 8.315, 8.316, 8.320, 8.325, 8.330, 8.340, 8.350, 8.360, 8.800, 8.830, 8.843, 33.710, 33.750, 33.752, 33.753, 33.756, 34.031, 37.005, 37.010, 37.020, 37.110, 71.012, 71.014, 71.015, 99.845, 160.545, 161.418, 161.424, 181.110, 191.850, 191.853, 191.855, 191.857, 191.858, 191.859, 191.861, 191.863, 191.865, 191.867, 192.935, 196.1103, 209.150, 209.152, 209.200, 209.202, 209.251, 217.575, 251.100, 251.240, 253.320, 261.010, 288.034, 301.020, 301.143, 302.171, 304.028, 311.650, 313.210, 320.260, 334.125, 361.010, 595.036, 595.037, 595.060, 610.029, 610.120, 620.1100, 620.1580, and 660.315, RSMo, and to enact in lieu thereof eighty new sections for the sole purpose of restructuring statutes based on executive branch reorganizations, with penalty provisions.

I disapprove of **House Committee Substitute for House Bill No. 1900**. My reasons for disapproval are as follows:

Since 1875, the Missouri Constitution has required legislation to be limited to its original purpose and a single subject. These basic requirements promote an open process that alert legislators and the general public to the substance of pending legislation. They further prevent "logrolling," in which several matters that would not individually command a majority vote are bundled into a single bill to ensure passage. Nevertheless, despite repeated admonitions from the courts, the development of omnibus legislation continues to trample upon these tenets of legislative transparency en route to passage. **House Committee Substitute for House Bill No. 1900** is the most recent example.

House Committee Substitute for House Bill No. 1900 was introduced as a simple housekeeping measure to reconcile state statutes with organizational changes that have been made within the executive branch. Its title reflected this singular purpose – "for the sole purpose of restructuring statutes based on executive branch reorganizations." Indeed, the bill went through most of the legislative process in that form, including committee review and public hearings. But in the final days of the session, discipline waned as amendment upon unrelated amendment was added, transforming the bill into a seventy-nine page hodgepodge of unrelated matters, and abandoning the constitutional guideposts for legislative transparency in the process.

Original Purpose Requirement

The Missouri Constitution requires that "no bill shall be so amended in its passage through either house as to change its original purpose." *Mo. Const. Art. III, Sec. 21*. This prohibition on adding "subject matter that is not germane to the object of the legislation or that is unrelated to its original subject" is meant to fairly apprise citizens of the subject of legislation being considered. *C.C. Dillon Co. v. City of Eureka*, 12 S.W.3d 322, 326-327 (Mo. Banc 2000).

In this instance, the added matters must be germane to "restructuring statutes based on executive branch reorganizations." However, the numerous provisions added at the end of the legislative session bear no resemblance to this purpose; instead, they run the policy gamut, from reducing the statute of limitations on municipal annexation challenges, to divesting from Iran in order to diminish its nuclear capacity, to increasing the penalty for injuring or killing a service dog - to name just a few. Further frustrating the transparency that the legislative process requires, not all of the newly

added provisions received a public hearing. Regardless, when **House Committee Substitute for House Bill No. 1900** departed from its original purpose, it ran afoul of Art. III, Sec. 21 of the Missouri Constitution.

Single Subject/Clear Title

As a corollary to the "original purpose" limitation, Article III, Section 23 of the Missouri Constitution requires that "[n]o bill shall contain more than one subject which shall be clearly expressed in its title . . . ." This prohibition of multiple subjects is intended to protect legislators from having to vote for some matter that offends them in order to enact another that they support. The test is "whether all provisions of the bill fairly relate to the same subject, have a natural connection therewith or are incidents or means to accomplish its purpose." *Hammerschmidt v. Boone County,* 877 S.W.2d 98, 101-102 (Mo. Banc 1994).

Admittedly, terms such as "relate" and "natural connection" lend themselves to a subjective examination where rational people may reach different conclusions in some cases. This is not such a case. Rather, the presence of multiple subjects within **House Committee Substitute for House Bill No. 1900** is unequivocal. Beyond the already-stated topics of service dogs, municipal annexation, and divestment from Iran, the bill also addresses tax increment financing, unemployment benefits, disabled parking, and a 911 sales tax. Undeniably, the bill contains multiple subjects.

Also, "[t]he 'clear title' provision [of Mo. Const. Art. III, Sec. 23], like the 'single subject' restriction, was designed to prevent fraudulent, misleading, and improper legislation, by providing that the title should indicate in a general way the kind of legislation that was being enacted." *Fust v. Attorney Gen. for the State of Mo*., 947 S.W.2d 424, 429 (Mo. Banc 1997). The title of **House Committee Substitute for House Bill No. 1900** is not only narrowly crafted but is self-limiting to affirmatively exclude any matter that is not "*for the sole purpose* of restructuring statutes based on executive branch reorganizations…." (emphasis added). In cases such as this one, where the "title of a bill contains a particular limitation or restriction, a provision that goes beyond the limitation . . . is invalid" because it is deemed to mislead the reader. *Id*.

The manifest disregard for openness and transparency in furtherance of this legislation has revealed **House Committee Substitute for House Bill No. 1900** for what it is, a sanctuary for orphaned ideas in search of safe transport to becoming law. But it cannot be. And while my action today will unfortunately preclude the enactment of certain important provisions contained in this bill, it will preserve the constitutional safeguards for accountability in the legislative process.

In accordance with the above stated reasons for disapproval, I am returning **House Committee Substitute for House Bill No. 1900** without my approval.

Sincerely,

/s/ Jeremiah W. (Jay) Nixon
Governor
